- (1B) Where the authority grant consent for the felling of trees in a woodland area they shall not impose conditions requiring replacement where such felling is

carried out in the course of forestry operations (but may give directions for securing replanting).

.....  
**Section 75**

Any grant of consent under a tree preservation order shall (except in so as consent otherwise provides) ensure for the benefit of the land to which the order relates and of all persons for the time being interested in it.

.....
