**REQUEST FOR TREE PRESERVATION ORDER
SHIBDEN HEAD FIRST SCHOOL HALIFAX ROAD QUEENSBURY**

I refer to your letter dated 27th August 2000 regarding the above site and also land at Brighthouse Road, Queensbury.

A Tree Preservation Order has now been made for the Shibden Head First School site. This request was given priority over the Brighthouse Road site as a result of the schools re-organisation and the large number of TPO requests which have been received for the vacated schools sites.

Your request regarding the Brighthouse Road site will be considered as soon as possible.

Yours sincerely

To: **Mr Eric Waterworth**

Dear Mr Waterworth

Land at Brighthouse Road, Queensbury

Thank you for your recent letter. The reason I requested TPO's is because I received correspondence from housing enquiring whether I would have any objections to this land been sold for development. I want to pre-empt any adverse effects that may occur to these trees prior to any sale and possible planning applications.

May I also bring to your attention the trees within the grounds of Shibden Head First School. This school is now closed under the schools reorganisation, and it is unknown at this stage what education plan for this building. I would like TPO's for any worthy trees on this site also.

I hope this gives you the information you require. Please inform me of your investigations on the above.

Thank you for your assistance.

Yours sincerely

Councillor Andrew Smith
