Who are we?

We are a team of qualified and experienced play events staff.

We offer a range of play-based alternative programmes within schools and can set up and run large play events which will improve educational outcomes and physical health and wellbeing for children and young people.

We can tailor packages to incorporate your specific organisation's priorities, with activities suitable for whole school engagement or smaller targeted groups, supporting children with a wide range of needs to engage and achieve within school.

The Community Play and Development Service (CPDS) is part of Bradford Council's Education, Employment and Skills team.

Our products

We have a wide range of high-quality play equipment to suit every occasion

Benefits of play – Outcomes for children:

Research shows that play has a quantifiable impact on children's development in several areas:

- Improved self esteem and confidence 'emotional wellbeing' and resilience, awareness and self regulation.
- Social skills, positive attitudes and behaviour
- Language and communication
- Motivation and concentration
- Knowledge, skills and problem solving abilities.
- Physical Health & Wellbeing
- Attainment and attendance

Outcomes for staff

Through our process of support we introduce new play experiences into your school which are inclusive and accessible for staff and children. We will work alongside staff to develop their confidence, knowledge and skills and help their reflective practice.

There is a wealth of evidence that recognises the wider benefit that play can have on children, families, schools and the wider community.

Event packages are bespoke to each individual school. A basic package will include an initial meeting with school staff, a range of traditional and innovative play activities, staffing and insurance. However, more comprehensive packages could include consultation and planning with the school council / class groups, hire of chosen larger equipment such as inflatables, bungee trampoline or rodeo bull, first aid points, music, refreshments, convenience hire, full event management, organisation and coordination of the day.

Contact us with your requirements and we will ensure a day to remember.

Terminator Torment Camouflaged Assault Course

Premium activity

Dimensions: 101.2m² (8.8 x 11.5m)

Bungee Trampolines

Premium activity

The Bungee-Trampoline fascinates adults and children alike!

It allows everyone (from 20 to 90 kg), even those with no experience, unlimited jumps up to 10 meters high (33 feet), with no risk, which is not possible with an ordinary trampoline.

The wonderful thing about this experience is it affords children the opportunity to experience an extreme sport whilst having fun and is a great confidence booster and learning tool.

Spider Mountain

Premium activity

The Spider Mountain is a brand new type of climbing activity, offering a physical challenge for children with lots of fun.

The Spider Mountain sets Adventurers the challenge of finding their way up through a maze of 7 elasticated spider's webs to height of 7m and then slide down our fantastic vertical drop slide.

Hovercrafts

Premium activity

Piloted by our own specially trained staff, these 2 Hovercrafts will give your Fun Day the ultimate WOW FACTOR!

This Hovercraft experience is fun for children of all ages, allowing you to experience the thrill of riding in a real Hovercraft, and flying passenger at approximately 30cm off the ground!

Ultimate Wipeout

Premium activity

49m² (7x7m)

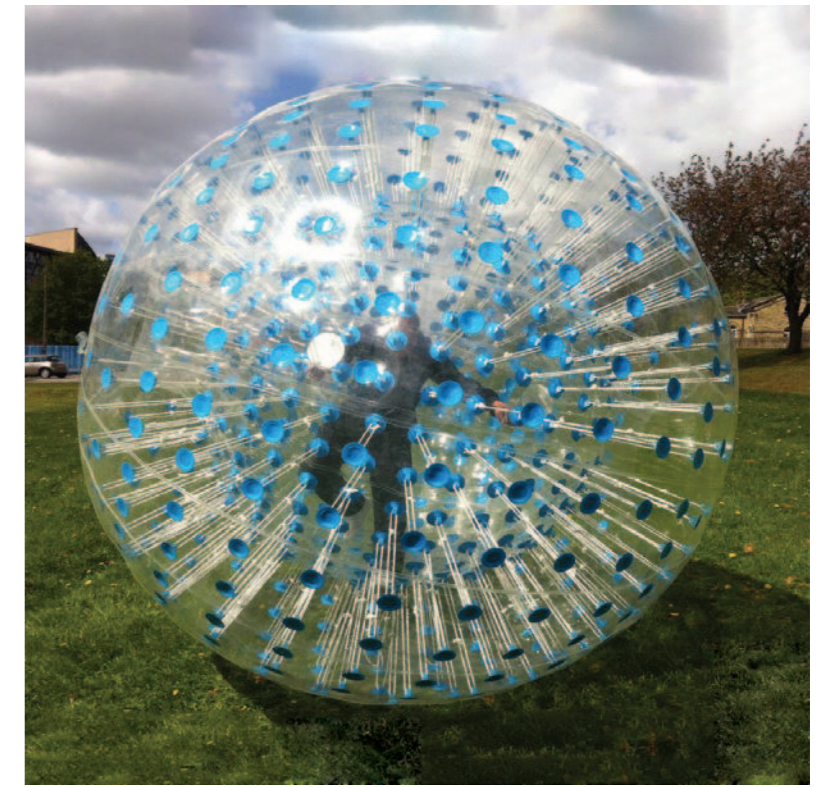

The Ultimate Wipeout is exactly what it says on the tin! A fun action packed 6 player game involving ducking, diving and jumping over two rotating foam padded poles based on an inflatable bed. As much fun for spectators as it is for players!

Zorbing

Standard activity

Zorbing is a relatively new concept and was developed in New Zealand during the 1990s. When zorbing you will find yourself inside a gigantic, bouncy, transparent pvc ball, surrounded by a thick cushion of air and another larger ball. The two balls are held together by hundreds of nylon threads, and then you are pushed down a hill, across a stretch of water or even over the snow!

Go Kart Track

Pedal

Standard activity

Premium activity

The go kart track can be for indoors or outdoors and provides a great space for the children to race around.

Body Zorbing

Standard activity

Body zorbing entails being encased from the waist upwards in an inflatable ball, with only your legs free.

Activities that can be done whilst in the zorb include: football matches, sumo wrestling, arena battles, last man standing, king-of-the-hill and body-bumping.

Rodeo Bull

Hire our bucking bronco for the Ride of your life, its easy just hold on!

Billy is our lovely well trained and amicable Bull. He loves to go to parties and show all what he's made of! He can accommodate riders of all capabilities and always tries his best to leave you with a treasurable everlasting memory of your event.

Kangoo Jumps

Standard activity

Kids love to bounce; they jump on the bed, on the couch, on trampolines, and they love the sensation of being “air-borne”. In fact, the urge to jump is quite natural. Because jumping is so much fun, most children don’t realize how beneficial it is to their health... so please don’t tell them that it’s really exercise!

Kangoo Jumps are very safe and easy to use. Children finally have a perfect exercise option that burns calories, tones all muscles, increases their agility and self esteem, while they are playing!

Surfboard Simulator Premium activity

Surfs Up! Hit the waves on our surfboard simulator without getting cold and wet! Our board simulator ride provides great balance challenging fun for all ages.

Dimensions: 20.2m² - 4.5m x 4.5m

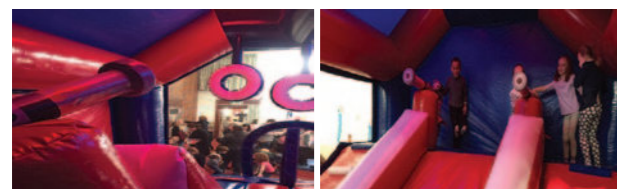

Lazer Tag Dome

Premium activity

Nine interconnecting pods create a large internal maze system that is ideal for mobile laser games.

Dimensions: 91.9m² - 9.1m x 10.1m

Cannonball Bouncy Castle

Standard activity

One of the few available in the whole country, this unique bouncy castle will have your kids amused for hours on end. Step in through the door in the net front panel and you'll see two sets of steps either side of the central slide. Climb to the top and you'll discover two air cannons that you can use to shoot soft balls at the hanging targets.

Dimensions: 24.3m² - 5.4m x 4.5m

Hungry Hippo

Premium activity

Remember the glorious chaos of Hungry Hungry Hippos? Well here's your chance to play it for real, with our hilarious and highly competitive dash'n'grab game.

Dimensions: 112.3m² - 10.6m x 10.6m

The Kube

Standard activity

Contestants get the chance to complete challenges from within a 4m x 4m x 4m inflatable cube. The games are based on the idea that even straightforward tasks become extremely challenging when confined and put under pressure in front of an audience.

Dimensions: 24.3m² - 5.4m x 4.5m

Cyber Coach

Premium activity

Cyber Coach can help introduce a wide and varied diet of popular dance styles without the need for specialist instructors.

Engaging children with the Cyber Coach is easy due to the huge variety of popular dance styles

including Street, Body Popping', Disco, Cheerleading, Musical Theatre, Tai Chi and Bollywood.

Gladiator Arena

Standard activity

Our gladiator arena is knock about excitement at its very best, as two contestants try to knock each other off their perch with their padded jousting pole. It's loads of fun to play and even more fun to watch as the two gladiators really go for it in the ultimate battle of balance.

Archery Hoverball

Standard activity

Archery Hoverball is an exciting and challenging game. Grab

a bow and a foam tipped arrow to try and knock off one of the floating balls.

Testimonials

“The team are really doing a fantastic job by helping schools like ourselves with equipment for holiday activities, high quality staff delivering exciting sessions during half term holidays as well as providing a fantastic catalogue of resources for attendance rewards such as Rodeo Bull and Spider Mountain at very competitive rates.

I am a big fan of the service and so too are our children. I wouldn't hesitate in recommending the team. ”

Naveed Mushtaque – Horton Park Primary School

“I would like to thank the team for their professionalism and enthusiasm during activity day as part of our Health Week.

The children and staff really enjoyed the activities, we will definitely be using the service again, from all at Grove House, a big thank you! ”

Nadeem Akhtar – Grove House Primary School

“We invited the Community Play and Development Service to run a 2 day physical activity event at our school.

The team were well organised, efficient, well prepared. They worked well with our students. The team understood exactly what was needed in terms of supervision, engagement in activities for students, they kept a firm yet fun approach and students really enjoyed the activities which were put on for them.

The variety of activities on offer was great. The team's ability to react and adapt in adverse weather conditions put all of our minds at ease too. Thank you for a fabulous two days! ”

Helen Taberner – Carlton Bolling College

“On behalf of our children, staff, governors and parents I would like to thank you for the fantastic afternoon we had last Friday. Comments from staff were “this is brilliant”, “Why haven't we done this before?”, “Amazing afternoon”. The children's comments were “ awesome”, “fantastic”, “brilliant”, “best fun ever”.

Our parents and governors were also both delighted to see how much fun the children were having and how safe and structured the whole afternoon was, which is down to you. I was particularly impressed with how smoothly and easily the whole event was put together by you and basically you delivered everything you said you would. I can think of no hiccups what so ever.

Your staff were polite and helpful even when it came to some of our female staff declaring they were definitely no heavier than 90kgs!! for the bungee trampolines. ”

Sharon Langford – St Anthony's Catholic Primary School (Clayton)

A unique "out of this world" play experience for children of all ages!
