Dear Mr Dev

Implications of Minister's Holding Direction regarding the adoption of the Bradford Core Strategy in relation to the progress of the examination of the City of Bradford Waste Management DPD

I have been made aware of a letter from the Minister of State for Housing & Planning dated 10 October 2016 regarding a "Holding Direction" under Section 21A of the Planning & Compulsory Purchase Act 2004 (as amended) relating to the City of Bradford Core Strategy Development Plan. This directs the Council not to take any step in connection with the adoption of the Plan while issues specified in the letter are considered further.

Following receipt of a copy of this letter, I would like to point out that I will be asking the Council some additional questions about the implications of this letter for the progress of the examination of the City of Bradford Waste Management DPD during the course of the examination of this Plan. Depending on the response to these questions, I will consider the future progress of the examination, but in the meantime, I do not consider that it is necessary to suspend the examination at this stage.

If you have any queries in relation to this matter, please contact me via the Programme Officer.

Yours sincerely

Stephen J Pratt
Inspector
