

Mr Ali

Ali needed a break from being on his own at home and coping with the difficult things he had to do.....

... but he didn't want to go into residential care. After being allocated a personal budget Mr Ali decided to visit his family in Birmingham to celebrate Eid. He travelled by train and was met at the station by his uncle. He spent time with his family, being supported, and returned home a week later rested and more relaxed.

your life your choice

Adult social care in Bradford is changing. If you need help and support, and are eligible to receive it, you will now get access to services at a time and place that suits you, with more choice and control over the service you receive.
