

CHILDREN IN SWIMMING POOLS POLICY

Children under the age of 8 years will not be admitted to the Swimming Pool unless accompanied in the water at all times by a responsible person of 16 years of age or over.

Children under the age of 8 years must be accompanied by a responsible person on a maximum Two to One basis (no more than 2 children to 1 responsible person). The responsible person should maintain constant watch over the children for whom they are responsible and be in close contact with those of their children who are weak or non-swimmers.

We strongly recommend that all children under 4 years of age are accompanied on a One to One basis and remain in shallow water at all times, regardless of swimming ability. Buoyancy aids are available on loan, free of charge to all children under 4 years of age.

We recommend that anyone wishing to book facilities reads the Council's Terms & Conditions of Letting, as these are applicable to any letting granted by the Council - Please ask at reception.
