All to Play For

The need for a Play Strategy

- Making the case
- Removing barriers
- Embedding play as a key area of provision
- Raising quality

Working and playing together – Play Partnerships

Play Champion

Enhancing opportunities for all children to enjoy play activities

Vision - All children and young people are able to access a variety of high quality play opportunities, which foster equality, inclusion and social cohesion, and which support a range of positive outcomes for children, young people, families and communities

Excellent inclusive play opportunities for all

All sections of the community support children's right to play

All children and young people feel a sense of belonging to a diverse District, and are able to freely explore and play in it

All children and young people can participate in planning play services
