Explanatory Notes

Note 1: The proposed enlargement of the School will increase the capacity of the School to allow for the predicted rise in pupil numbers in the Bradford district over the next ten years. The proposed increase is also to allow for additional numbers of pupils staying on at school due to the rise in the school leaving age (the participation age) to 18 which is being phased in from 2013.

Note 2: The admission number for a school is determined on an annual basis in the academic year preceding the year of admission. The School's admission number for admissions to year 7 in 2012 will be determined in the Spring Term 2011 and will be based on pupil projections at that time. It is therefore not possible to say whether or not that number will be lower than the 'indicated admissions number' for Year 7, which is the number arrived at based on the school's net capacity.
