

The logo features a bright yellow sunburst background with the text "Bradford Supporting People's Service User Involvement Group" written in a bold, blue, sans-serif font, slanted upwards from left to right.

Bradford Supporting People's Service User Involvement Group

Aim of the Service User Involvement Group (SUIG)

To ensure that service user involvement is at the heart of the Supporting
People Programme

Goals for the SUIG 2011

- | |
|---|
| 1. To develop a communication strategy for the role of the Service User Involvement Group and committee. |
| 2. To ensure provision of support is available on request to all providers to enable all service users to have access to a service user group. |
| 3. To ensure there are improvements to services through service user involvement. |
| 4. To promote the benefits of providers giving opportunities for service users to become an active citizen and make a positive contribution to their community. |
| 5. To establish networks for service users to link with other service users and groups. |
