

CONSULTATION DOCUMENT

Queensbury School

Deanstone Lane,
Queensbury,
Bradford,
BD13 2AS

Ward: QUEENSBURY

Head Teacher: Alan Worthington

Current School Population: 1223
Anticipated School Population at 2018: 1,500

Priority Admission Area: Details of the school's admission policy can be downloaded from the Education Bradford website (www.educationbradford.com) : "A guide for parents about admission arrangements to Secondary Schools 2009-2010"

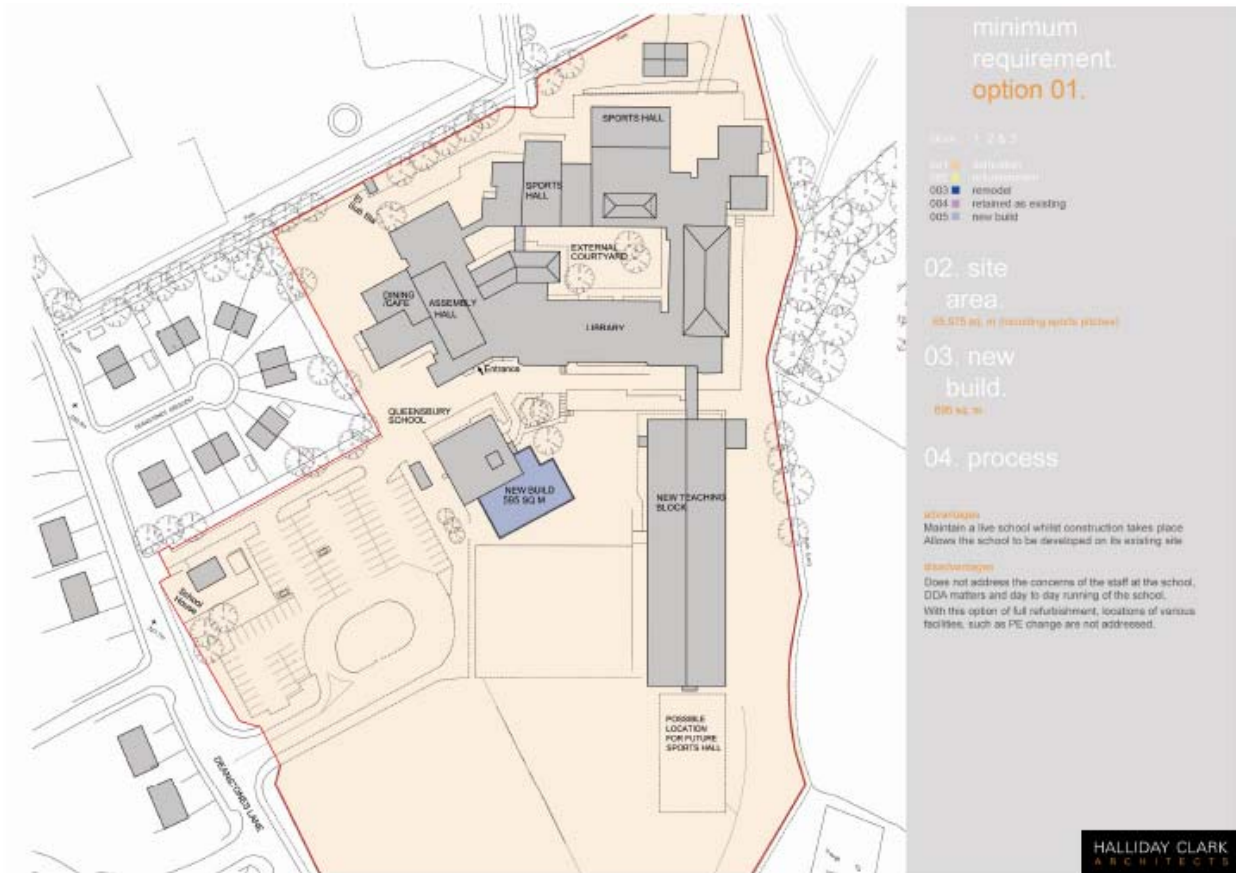

Existing School Layout

Please note that structural surveys and ground investigation surveys will be carried out at the school and/or other sites that are being proposed in the options below. These surveys will be carried out in the two week Easter holidays and non intrusive surveys being carried out at other times. Findings from these surveys will further inform our option appraisal.

OPTION 1

Option 1 proposes to refurbish and remodel existing accommodations and to build an extension next to the stand alone block.

Advantages

- No major issues from a planning perspective
- Development away from playing field will receive support from Sport England
- Careful phasing of the construction phase will minimize any decanting requirements

Disadvantages

- DDA issues in the main building may be difficult to address
- A thorough grounds survey of the area is required to ensure the viability of this option.

OPTION 2

This option is proposing to remove parts of the main building as well as the stand alone block and to replace them with a new teaching block.

Advantages

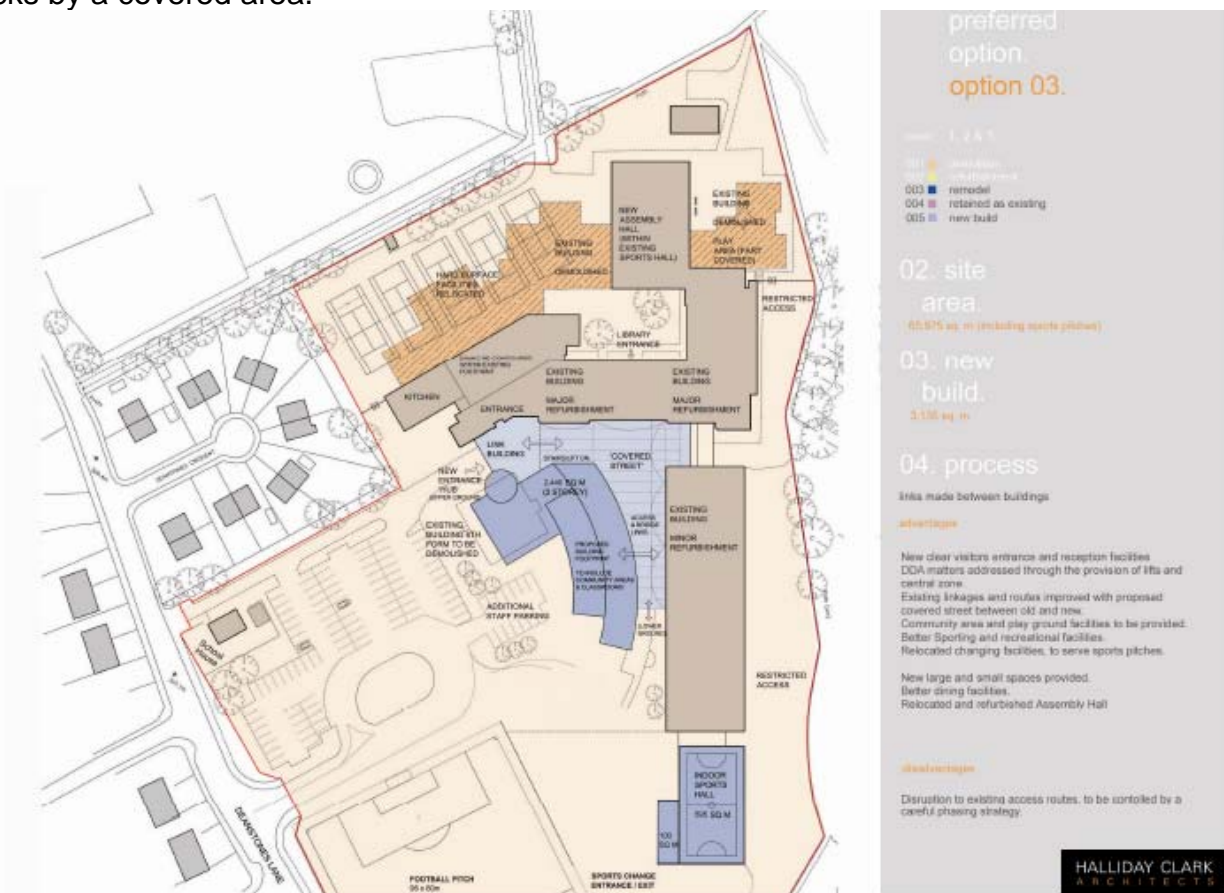

- Demolition of part of the main building considered to be passed their life expectancy
- No major issues from a planning perspective
- Development away from playing field will receive support from Sport England
- Careful phasing of the construction phase will minimize any decanting requirements

Disadvantages

- Potential requirement to decant accommodations in order to develop the scheme whilst the school remains open
- A thorough grounds survey of the area is required to ensure the viability of this option.

OPTION 3

This option is proposing to remove a greater proportion of the main building as well as the stand alone block and to replace them with a new teaching block linked to the remaining blocks by a covered area.

Advantages

- Demolition of part of the main building considered to be passed their life expectancy
- No major issues from a planning perspective
- Development away from playing field will receive support from Sport England
- Careful phasing of the construction phase will minimize any decanting requirements

Disadvantages

- Potential requirement to decant accommodations in order to develop the scheme whilst the school remains open
- A thorough grounds survey of the area is required to ensure the viability of this option.

Building Schools for the Future Consultation Feedback
