supported by  KIVCA

This event takes place during Heritage Open Day 9-12 September 2010, celebrating England's fantastic architecture and culture by offering free access to properties that are usually closed to the public or normally charge for admission.

It is a once-a-year chance to discover hidden architectural treasures and enjoy a wide range of tours, events and activities which bring to life local history and culture. For more information www.heritageopendays.org.uk
