4 Description of proposed alterations / works

Signed:

Dated:

Alterations to buildings

- 5** Does your proposal involve the insertion of new door, window or other openings? Yes No
If yes, please provide details of the changes, including sketches of where on the building the openings are located and of the materials and finish to be used.
- 6** Does your proposal involve the replacement of existing doors and/or windows? Yes No
If yes, please provide details/photographs of both the existing and new doors/windows including materials and finish to be used
- 7** Does your proposal involve any other alteration which would affect the appearance of the exterior of the building, including the roof, chimneys, cladding or render, pointing, gutters and pipes, satellite dishes, flues, alarm boxes, and outbuildings or boundary features? Yes No
If yes, please state what you are proposing to do
- 8** Does your proposal involve works to the interior of the building including internal walls, chimney breasts, staircases, fireplaces, doors, ceilings and flooring? Yes No
If yes, provide sketch details/photographs of the existing arrangements and what you are proposing to do.

We will aim to respond to your enquiry within 56 days of receipt. However, the Planning Service prioritises its work and deals with planning applications first. This means that during periods of high volumes of workload, it may take longer to reply.
