

Adult and Community Services - Supporting People

Supporting People is a national programme providing housing related support to vulnerable adults so they can live independently in the community. The programme has gone through some significant and successful changes to drive quality and performance standards and we now need three highly motivated individuals to further transitional changes relating to services funded by the Supporting People programme.

Key roles will include leading on major reviews of services by client group and leading on any subsequent remodel and decommissioning. The post holder will be able to give direction and impetus to transitional changes and ensure that they are carried out in a timely manner and with the engagement of key service users and partners. This will include monitoring changes to contracts relating to decommissioning or service remodel ensuring at all times contract compliance.
