

# Maria

When Maria first needed support she found the only way to get help was to be settled down in an early evening call leaving her in darkness from 6pm....

After being allocated a personal budget Maria and her daughter found the perfect solution - remotely controlled electric curtains!! Now Maria can enjoy the longer Summer evenings and go to bed when she is ready.

**your life your choice**

Adult social care in Bradford is changing. If you need help and support, and are eligible to receive it, you will now get access to services at a time and place that suits you, with more choice and control over the service you receive.
