

Keeping Children Safe

is everybody's business - including yours!

From 1 September 2010, the Early Years Local Authority Safeguarding Children Pack is no longer in use and will not be published, therefore you should disregard this publication.

In future, all safeguarding updates will be made on the Bradford Safeguarding Children Board's website and it is your responsibility to check the site frequently.

If you are concerned about a child's welfare, then the numbers you need to contact are:

For Members of the Public:
The Children's Initial Contact Point
01274 437500

For Practitioners:
The Children's Safeguarding and Reviewing Unit
01274 434343

Emergency Duty Team (Out of hours contact number)
01274 431010

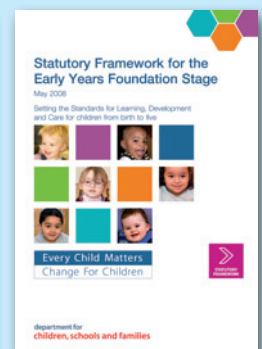

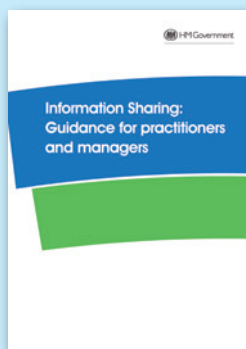

The Bradford Safeguarding Children Board's website: www.bradford-scb.org.uk contains information on safeguarding procedures, training and briefings that are useful for both parents and practitioners.

On the enclosed poster 'Keeping Children Safe', you will find all the contact numbers you require, so please ensure this is displayed for all staff and parents to see.

Check that your safeguarding policy documents and procedures information packs include these numbers.

It is now possible for professionals to undertake online safeguarding children training. For further information visit: www.bradford-scb.org.uk/training/e_learning.htm
