

Where can I see an application's plans & documents?

Once you have found an application on Public Access, you will see a page like this, with each section laid out in 'tabs' across the top:

Application Summary [Help with this page](#)

Description	Dummy		
Online Ref.			

Date Published	Document Type	View	Description
26 Aug 2009	Application Form	View Document	APPLICATION FORM
26 Aug 2009	Application Form	View Document	APPLICATION FORM

Some documents may be quite large, and will take some time to load.

If you get an error message, try refreshing the list of documents.

You can change the order of documents by clicking the blue column headings, eg clicking 'Date Published' will place the documents in date order, rather than alphabetical order.

For data protection reasons some documents are hidden when an application is decided.
