Bradford fights back!

Amid the gloom of political expenses, never ending stories of recession and the holes in the ground that should be magnificent building projects, four businessmen said “ENOUGH IS ENOUGH” and decided to do something about it.

At that moment BRADFORDNOWHERE was born.

They decided to help the business people of the Bradford area see that this was a time to count their opportunities, a time to embrace the challenges and a time to see the positives when all around us others only see the worst.
