Consistency with National Policy

Please set out why you think the plan is unsound ?

Regarding the section on the Central Business and Leisure District:

Figure 3 has a different boundary to Figure 4 and should be amended for consistency i.e. Fig 3 excludes the former Odeon site, which should be included in the central district, given its potential relationship to the Alhambra and other cultural destinations.

Regarding the former Odeon Site B/1.6, The Theatres Trust would encourage the AAP to specifically note the desire for 'cultural uses' on this site and to provide support for the ambitions to restore and return the building to an entertainment use.
