I have been checking my records and note that I have been request to provide a response to the Question 1 of the Examiner's initial questions. Please find my response below:

1. **Was Natural England consulted on a draft final version of the SEA and HRA Screening Report, Version 3, November 2020?**

As part of the consultation held under the provisions of Regulation 16 of the Neighbourhood Planning (General) Regulations 2012 (as amended), Natural England were formally contacted to seek their views on the draft neighbourhood plan and its supporting documentation including the SEA & HRA Screening Report. A response was received from Natural England (dated 20th July 2021) (representation ref: 28849), however this took the form of a generic response with no specific representations on the contents of the neighbourhood plan or supporting documents. Should the Examiner be minded contact can be made with Natural England to seek their views.

My apologies for the late response to you.

Kind regards
