2 Statement explaining why the area confined within Ilkley Parish Boundaries is considered appropriate to be designated as a Neighbourhood Area.

Ilkley Parish Council operates within the confines of the Ilkley Parish Boundaries shown on the preceding page as an extract from O/S maps.

The area is illustrated on the preceding page is considered as being appropriate to be designated as 'The Ilkley Parish Neighbourhood Area' since it is already administered by Ilkley Parish Council.

The chief aim of the Ilkley Parish Council is to create a Neighbourhood Development Plan, based on consultation with key local interest groups and residents to generate research and evidence which will ensure, through Planning Guidance, that the town and parish develop in such a manner as to protect the area's heritage, maintain its attractiveness, provide for housing need and build for a viable economic future.

Ilkley Parish Council does not oppose development in principle but recognises that there are competing pressures which such activity will bring to infrastructure in the area.

In applying for designated area status, the essential aim of any resultant Neighbourhood Plan will be to:-

- 1 preserve the character of Ilkley and its Parish as an attractive rural Dales town area;
- 2 retain a distinct community, protect and cherish the natural and physical heritage and townscape;
- 3 meet defined housing needs in a manner commensurate with the LDF and character of the designated area during the period of the plan;
- 4 meet defined employment need in a manner commensurate with the LDF and character of the designated area which ensures availability of land, office, retail and industrial space to enable provision of adequate employment opportunities for its residents – now and in the future;
- 5 ensure a flourishing commercial, retail business and economic environment;
- 6 maintain a successful marketing and tourism profile for the designated area in line with the policy aspirations of the LDF, with good shopping, recreation and cultural facilities;
- 7 facilitate the needs of residents in the areas of education, health, leisure, recreation, sport and transport;
- 8 ensure that Ilkley and its Parish are a good place to live with facilities for young and old alike;
- 9 maintain and protect the natural environment and availability of green spaces within the designated parish boundaries;
- 10 maintain on-going dialogue with local organisations, developers, individuals and the LPA to ensure that agreed LDF criteria for are met throughout initial development of the Neighbourhood Plan and beyond.
