Dear Sir/Madam,

I am pleased to note that of the 10 objectives in the NDP 2 of them state –

“To conserve and enhance the areas’ natural environment”

“To protect and promote a vibrant countryside”.

With these 2 in mind I would like to suggest that no more houses or other buildings are built on the green areas of the Aire valley to the SE of Silsden. I note that one of the concerns of Silsden residents is that the scale of housing and proposed housing is too great.

Also surely brownfield sites should be used if needed for building before green sites are even considered. There is such a large brownfield site to the SW of Silsden (the site of demolished mills) opposite Aldi on the other side of Keighley Road.

Yours sincerely,
