## Historic numbers of pupils in North West 4

The table below provides historical information on the total number of reception places available (PAN) and number of reception pupils on roll. The total number of school places available is shown against the total number on roll (NOR) to give an overall number and percentage of surplus places (shown as a minus where there is a shortfall).

Year	PAN	Pupils in reception	Spare reception places	Total Places	Total NOR	Surplus places	% Surplus places
2017	330	271	59	2310	2131	179	7.75%
2018	330	279	51	2310	2146	164	7.10%
2019	330	269	61	2310	2104	206	8.92%
2020	330	273	57	2310	2058	252	10.91%
2021	330	294	36	2310	2108	202	8.74%
2022	330	254	76	2310	2118	192	8.31%
2023*	330	251	79	2310	2104	206	8.92%

\*Based on Primary school forecast, July 2023

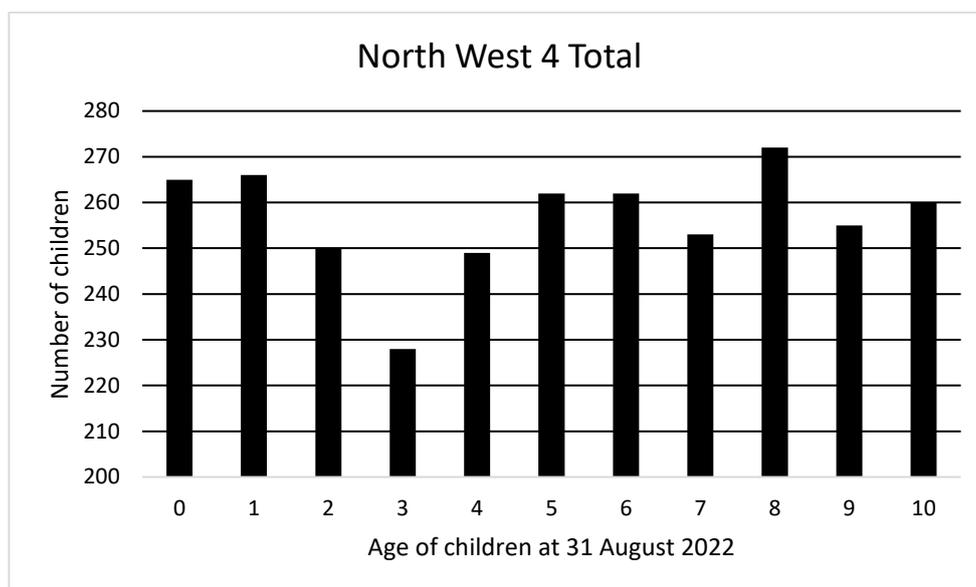

## Historic actions and academy conversions

- Iqra Academy converted to academy status on 1 September 2013 and joined Feversham Education Trust in July 2019.
- Atlas and Green Lane converted to academy status in December 2016 under the Priestley Academy Trust.
- Miriam Lord Primary School converted to academy status in October 2022 under the Priestley Academy Trust.
- Following consultation, Green Lane Primary School will reduce their PAN from 90 to 60 from September 2024.

## Health Authority Data for North West 4

The number of children recorded in the January 2023 data received from the Health Authority is shown below:

Age at 31 August 2022	0	1	2	3	4	5	6	7	8	9	10
<b>North West 4 Total</b>	<b>265</b>	<b>266</b>	<b>250</b>	<b>228</b>	<b>249</b>	<b>262</b>	<b>262</b>	<b>253</b>	<b>272</b>	<b>255</b>	<b>260</b>
Reception Intake Year	2026	2025	2024	2023	-	-	-	-	-	-	-
Year 7 Intake Year	2033	2032	2031	2030	2029	2028	2027	2026	2025	2024	2023

## Forecasts for North West 4

The need for primary school places depends on the local child population. Key factors in the forecast are the number of births and children registered with the Health Authority in an area, migration in and around the District and movement of families into new housing developments.

The take up rate of 89% is applied to the health data and the table below shows the calculated number of Reception places required for North West 4 residents in the coming years.

Year of reception intake	2023	2024	2025	2026	2027
Calculated places required	215	222	237	236	242

In addition to these figures, forecasts incorporate trends for children attending schools outside of their local planning area. For North West 4, the highest number of children coming in are from North West 5; the highest number attending elsewhere go to schools in South West 4. Historically, children attending schools here from outside of the District have not been a factor in the forecast for this area.

## Forecasts and historic accuracy for North West 4

The tables below contain forecast data submitted to the DfE as part of the annual School Capacity (SCAP) return. The grey column shows the difference between last year's forecast and the actual number of pupils on roll at the schools at the January school census.

### Reception:

Year	2022	2023	2024	2025	2026	2027
PAN	330	330	300	300	300	300
<b>Forecast</b>	<b>262</b>	<b>251</b>	<b>254</b>	<b>271</b>	<b>264</b>	<b>257</b>
Surplus	68	79	46	29	36	43
% Surplus	26.0%	31.5%	18.1%	10.7%	13.6%	16.7%
<b>Actual</b>	<b>254</b>	-	-	-	-	-
Difference	-8	-	-	-	-	-
% Difference	-3.1%	-	-	-	-	-

### Reception to Year 6:

Year	2022	2023	2024	2025	2026	2027
Total Capacity	2310	2310	2310	2310	2310	2310
<b>Forecast</b>	<b>2089</b>	<b>2104</b>	<b>2088</b>	<b>2062</b>	<b>2040</b>	<b>2002</b>
Surplus	221	206	222	248	270	308
% Surplus	10.6%	9.8%	10.6%	12.0%	13.2%	15.4%
<b>Actual</b>	<b>2118</b>	-	-	-	-	-
Difference	29	-	-	-	-	-
% Difference	1.4%	-	-	-	-	-

Note that a PAN reduction alone does not change the net capacity of the school. Total Capacity, as calculated above, factors in PAN but is predominantly concerned with the capacity of the buildings; net capacity can therefore only be adjusted as a result of significant changes to the building and / or use of space. The total capacity here is therefore the maximum number of potential school places that can be physically accommodated; however, the maximum number of pupils that can be accommodated in any year will be dependent on factors such as the PAN, the class organisation and the number of teaching staff at the school.

### Planned/possible actions

Forecasts for this planning area show a significant level of surplus places.

Following consultation, Green Lane Primary School will reduce their PAN from 90 to 60 from September 2024.

The Local Authority will continue to monitor the numbers in health data and the impact of this planned PAN reduction whilst working collaboratively with schools and trusts and providing the required information to assist the decision-making process.
