# Current Planning Policy Status in the Bradford District

## Replacement Unitary Development Plan (RUDP)

The Bradford District Replacement Unitary Development Plan (RUDP) was formally adopted in October 2005. The policies were saved by the Secretary of State in 2008.

Since 2008 the Council has been preparing a Local Plan to replace the RUDP. Policies within adopted Local Plan documents have superseded some RUDP policies. The following Local Plan documents have been adopted to date:

- Core Strategy DPD – 18<sup>th</sup> July 2017
- Bradford City Centre Area Action Plan – 12<sup>th</sup> December 2017
- Shipley and Canal Road Corridor Area Action Plan – 12<sup>th</sup> December 2017
- Bradford Waste Management DPD – 17<sup>th</sup> October 2017

Furthermore, the following Neighbourhood Plans have been formally made following a successful local referendum and form part of the Local Plan. Policies within these documents should be considered within planning decisions.

- Burley-in-Wharfedale - 2017
- Addingham – 22<sup>nd</sup> January 2020

### Current Policy Position

The following table sets out the review of the saved RUDP policies to confirm which policies are deleted by the Core Strategy Development Plan Document (DPD) and other Local Plan documents noted above and which are saved further as required by Regulation 22.
