Notice of Submission of the Bradford Waste Management Development Plan Document

Dear Sir / Madam,

The City of Bradford Metropolitan District Council has prepared the Bradford Waste Management Development Plan Document (DPD) as part of the new Local Plan for the Bradford District. The Waste Management DPD sets out the broad vision for the future of waste management within the District and objectives for sustainable development of waste management over the next 10 – 20 years. The Plan also outlines spatial policies for steering and shaping the development of waste management, particularly in relation to setting out the potential locations for new waste management facilities. When the Waste Management DPD is formally adopted by the Council, it will be a Local Development Document and form part of the new Local Plan for Bradford.

Notice is hereby given in accordance with the above Regulations that the City of Bradford Metropolitan District Council has submitted the Waste Management DPD to the Secretary of State on Monday 16th May 2016 for independent Examination.

The Secretary of State has appointed an independent inspector, Stephen Pratt BA (Hons) MRTPI to oversee the Examination in Public.

A Programme Officer has been appointed by the Council for this Examination who will deal with all administrative, procedural and programming matters.
