## **PUBLICATION**

The Council's Waste Management DPD Proposed Main Modifications Schedule will be published for representations on **Wednesday 15<sup>th</sup> February 2017**. Representations are invited and encouraged on the Representation Form provided.

This is your last opportunity to comment on the Plan. At this stage we are only inviting views on the Proposed Main Modifications in relation to the legal compliance, soundness and compliance with the duty to co-operate.

More information about legal compliance, soundness and the duty to co-operate can be found in the Council's 'Guidance Note to accompany the Representation Form' and the guidance from the Planning Inspectorate entitled 'Examining Local Plans Procedural Practice' (December, 2013), available from <http://www.planning-inspectorate.gov.uk>.

Representations must be received by via the methods outlined above by **4pm on Wednesday 29<sup>th</sup> March 2017**.

**Group Responses** - Where there are groups who share a common view on how they wish to see the Plan changed, it would be very helpful for that group to submit a single representation which represents the view of the group, rather than separate individual representations which repeat the same points. In such cases the group should indicate how many people it is representing and how the representation has been authorised.
