Subject: Core Strategy DPD - Proposed Main Modifications

Dear Planning Team

Thank you for the opportunity to comment on the Proposed Main Modifications. I write in the capacity of local representative of the National Farmers' Union in the North East with particular interest in planning and economic development in rural areas.

MM110, Pages 200-202 – Gypsies, Travellers and Travelling Showpeople

- While we can see that the updated Gypsy and Traveller Accommodation Assessment acknowledges the need to consider any associated livestock (horses, etc.) that the community may have. We would welcome the inclusion of this topic with in the policy/Local Plan to avoid any adverse issues (e.g. highways, trespass, etc.) being overlooked.

Kind regards
