Dear Sirs,

#### Bradford Core Strategy DPD – Proposed main Modifications – SA Addendum

We would concur with the conclusions reached about the likely significant effects which the Proposed Modifications to the Core Strategy might have upon the historic environment.

We should like to stress that this opinion is based on the information provided with the e-mail from the Council dated 25<sup>th</sup> November, 2015. To avoid any doubt, this does not affect our obligation to provide further advice and, potentially, object to specific proposals which may subsequently arise (either as a result of this consultation or in later versions of the Plan) where we consider that, despite the SA/SEA, these would have an adverse effect upon the historic environment.

If you have any queries about this matter or would like to discuss anything further, please do not hesitate to contact me.

Yours sincerely,

[REDACTED] Smith  
Historic Environment Planning Adviser (Yorkshire)
