Consistent with National Planning Policy (the NPPF)

9. Please give details of why you consider the proposed main modification is not legally compliant or is unsound in light of the main modifications proposed. Please be as precise as possible.

If you wish to support the proposed main modification please use this box to set out your comments.

(Please note: Your representation should cover succinctly all the information, evidence and supporting information necessary to support / justify the representation and the suggested change. It is important that your representation relates to a proposed main modification).

The Society supports the recommendation that, " more detailed testing and traffic modelling should be undertaken to inform work on the Allocations DPD." Where any significant increase in emissions is indicated along the A65 corridor in Wharfedale affected sites should be excluded from the Allocations DPD in order for the plan to remain sound.

10. Please set out what changes you consider necessary to make the proposed main modifications legally compliant or sound, having regard to the test you have identified at Q7 above.

You need to say why this change will make the proposed main modification legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.
