The Society opposes the designation of Burley-in-Wharfedale and Menston as Local Growth Centres because the impact of the extra housing associated with this upgrading has not received sufficient consideration

**10. Please set out what changes you consider necessary to make the proposed main modifications legally compliant or sound, having regard to the test you have identified at Q7 above.**

A sound plan would require further modifications to deal with the extra pressure on services in these settlements and on Wharfedale as a whole, but none are proposed. The increased housing allocation should either be withdrawn or further modifications introduced to effectively deal with the consequences of the increased allocation for the individual settlements and Wharfedale as a whole.
