Andrew I am running up against time with a response.

Could you pass to the team my support to the comments placed by the civic society and the design statement. And also the best n rhydding group.

In addition I am very concious of the recent flooding and the effect of run off in ilkley.

I am putting an mend ment to council tomorrow requesting a review of suitability of developing sites In flood plain along the valley.

I will try to send a more formal comment.
