Dear Andrew Marshall.

I write comments of housing plans.

Habitat Regulations Assessment.

MM2/MM9 The impact of infrastructure to support additional housing has not been qualified. Where are new schools to be built, doctors surgeries etc. all present schools are full.

GREEN BELT IS ON FLOOD PLAINS and very good examples this winter - ILKLEY CUT OFF ON Boxing Day.

HRA ZONE A & B due to run-off needs analysis.

MM 18 I do not agree that land in Wharfedale is available in the green belt - green belt needs all the protection we can give it. I have been a member of Wharfedale Naturalists for 60 years & they do an excellent job with Reserves at Ben Rhydding Graves Pits, Sun Lane,

Yours sincerely,

Parkinson.

I tried to comment using email but too difficult for me!
