The impact of 900 extra dwellings on Wharfedale and the need for a wide range of community facilities should be considered as a whole and not solely as individual settlements as the wording on this section implies.

*'The modification to the text relating to local need is made to reflect Council statement PS/F032 where changes were advocated to remove any mistaken impression that the local housing need assessments would be required when planning applications are submitted and also to underline the fact that housing distribution targets have not been based on settlement by settlement'*

A line that states the support requirements for all the 900 new homes should be considered together i.e. one more senior school required and it will be built here!
