9. Please give details of why you consider the proposed main modification is not legally compliant or is unsound in light of the main modifications proposed. Please be as precise as possible.

If you wish to support the proposed main modification please use this box to set out your comments.

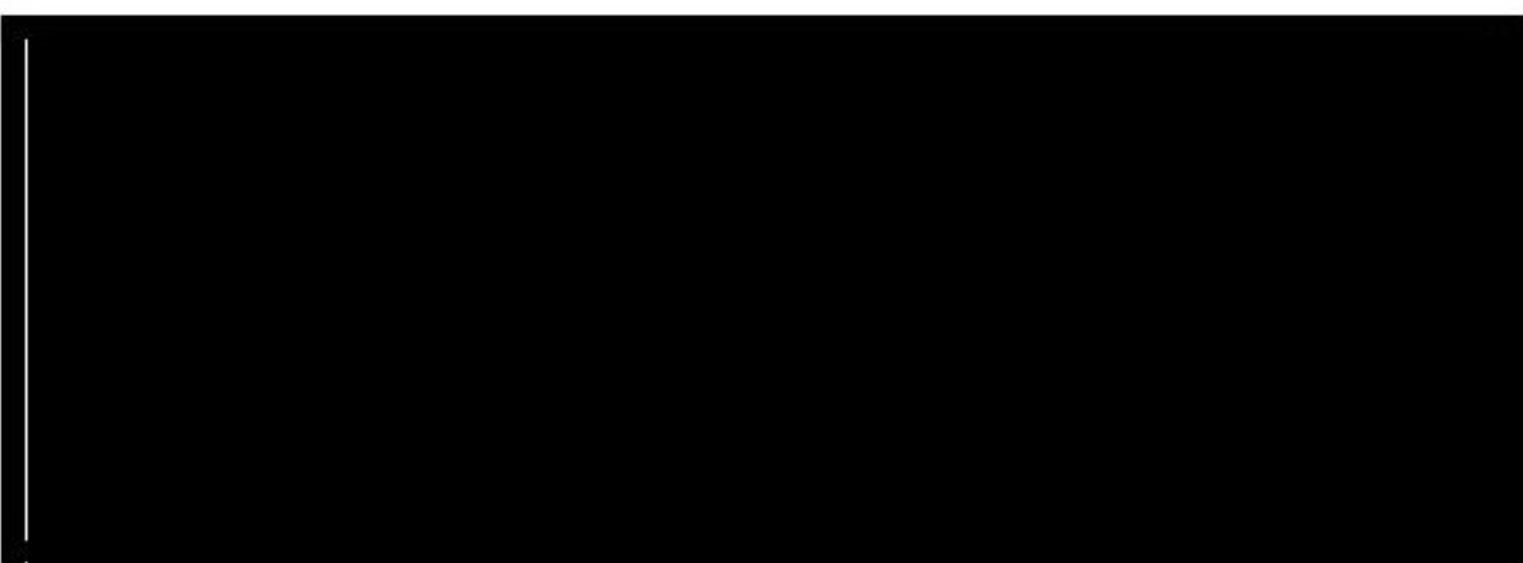

(Please note: Your representation should cover succinctly all the information, evidence and supporting information necessary to support / justify the representation and the suggested change. It is important that your representation relates to a proposed main modification).

Keyland Developments supports the proposed additions to this policy including the explanation of exceptional circumstances justifying the need for Green Belt review. Keyland Developments also supports the explanation of the employment land situation and requirement for new land allocations which follows discussions at, and following, the Examination in Public. Both additions provide greater clarity and will assist in informing the Site Allocations DPD.

10. Please set out what changes you consider necessary to make the proposed main modifications legally compliant or sound, having regard to the test you have identified at Q7 above.

You need to say why this change will make the proposed main modification legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.
