Personal Contact:

Are you an employee, Councillor or related to a Councillor of this Council? Yes No

3 Location of Site (including grid reference)

4 Description of Development

Is this an application for a new site? Yes No

If this application is to extend an existing site in area or for an extension of time please provide previous application number :

5 Details of Application Site

Please state present use of the land :

Last previous use of the land (if different from above) :

Total Site Area : sq. hectares

What is the applicants interest in the land?

6

Contaminated Land

To your knowledge has the site EVER been used for any of the following :

Manufacturing/Industrial Activity ☐ Chemical or Fuel Storage ☐ Treatment or Disposal of Waste Materials ☐

If yes, the minimum you must submit is a Desk Study Report.
If no, please state previous uses of the site :

Do you have reason to suspect that land may be contaminated due to its use(s) now or in the past? Yes ☐ No ☐

If yes, then a site investigation report will be required with the application. The scope and extent of which should be discussed and agreed with the LPA.

7

Trees and Hedgerows

Will the proposal involve lopping or felling any trees or hedges within the site or within 12 metres of the boundary? Yes ☐ No ☐

Will the proposal involve any excavation work within 12 metres of a tree or 5 metres of a hedgerow (including any paths, drainage works or changes in ground level)? Yes ☐ No ☐

If yes to either question, you must show the affected trees or hedgerows on your plans (see guidance notes)

8

Access, Roads and Right of Way

Is a new or altered vehicular access proposed to or from the public highway? Yes ☐ No ☐

Is a new or altered pedestrian access proposed to or from the public highway? Yes ☐ No ☐

Are there any new public roads to be provided within the sites? Yes ☐ No ☐

Are there any public rights of way within or adjacent to the site? Yes ☐ No ☐

If yes, they must be shown on the plans.

9

Levels

Are there any proposed changes to the ground levels on site? Yes ☐ No ☐

If yes, please indicate on the plans and include cross sections.

10

Drainage/Water Supply (please tick appropriate boxes and show details on the plans)

Please state means of water supply : Mains ☐ Private Piped ☐ Spring ☐

Will surface water be piped into the existing sewer? Yes ☐ No ☐

If not, where will the surface water be discharged to?

What is the proposed means of foul water disposal?

Does connection to any of the above involve crossing land, other than public highway, which is not in the applicant's ownership? Yes ☐ No ☐

If yes, you may need to serve notice on the owner(s) of that land and sign Certificate B.

11

Development and Flood Risk

To your knowledge is the site liable to flooding or within an acknowledged flood plain? Yes ☐ No ☐

Is the site adjacent to any watercourse (including for example a river, stream or beck)? Yes ☐ No ☐

If the answer to either of the above is yes, then it may be necessary for you to submit a Flood Risk Assessment with the application. (See guidance notes for further advice)

12

Traffic movements

Please state the number of commercial vehicle movements to and from the site : Daily Weekly

Maximum Vehicle Weight Vehicle Type

Is provision made for vehicular movements within the site, including turning, loading and unloading? Yes ☐ No ☐

Please indicate on the plans.

13

Hours of Operation

Existing days and hours of use Proposed days and hours of use

Working Hours :

14

Volume of Materials

Please state the volume of material to be extracted / deposited / treated per annum (cubic metres/tonnes):

Please give details (with quantities) of any hazardous materials to be used or stored on this site :

15

Timescale

of permission applied for?

16

Plans and Drawings

You are strongly advised to show (where relevant) the following information on your plans. Without it the application may not be valid.

• Location Plan

• Site Plan (suggested scale 1:500) (edged in RED)

• Access onto classified road (edged in RED)

• Area to be used, tipped or excavated

• Existing levels

• Proposed final levels

• Cross sections

• Direction and phasing of operations

• Location of above ground mounding

• Location of any facilities, including that necessary to deal with surface water

• Interim and final landscaping proposals

• Other land under your control or in which you have an interest must be edged in BLUE
