We are aware of websites intermittent issues. Our IT service is investigating and hope to resume normal service as soon as possible.

Regular maintenance work is carried out on the system which may result in Public Access being unavailable. The next maintenance date is Sunday June 30th 2019 for scheduled work. Apologies for any inconvenience.

For advice on how to use Public Access and what issues planning consider, visit [this page](#). Comments on applications must be rational, impersonal and directed principally to the planning issues raised by the proposal. For non planning matters, please use other social media forums. Some older internet browsers may not display this page correctly.

Fill in the following screen with your details. (See Illustration below).
