

## How can I find information about a property?

If you want to see what planning applications have been made on a particular property, you can carry out a property search.

The property search function allows you to search for a property in an alphabetical list, or by details such as postcode.

Click on the Property tab and enter the relevant details for the search in the fields provided and hit Search at the bottom of the screen

### Address Search

Search for current or historical cases relating to a property by selecting at least one of the address fields in the
