

City of Bradford Metropolitan District Council Petitions Scheme

Petitions

Petitions are welcomed by this Council as one way in which people can indicate their views and request that action be taken. All petitions received by the Council at the address below will be acknowledged within 5 working days of receipt. This acknowledgement will set out what procedures are in place for considering the petition.

Paper petitions can be sent to:

Room 112
Committee Secretariat
Legal and Democratic Services
City of Bradford Metropolitan District Council
City Hall

or be created, signed and submitted online through the [Council's website](#).

The Committee Secretariat can also be contacted by telephoning 01274 432269 or emailing petitions@bradford.gov.uk.

Guidelines for Submitting a Petition

Petitions to the Council must include:

- A clear and concise statement covering the subject of the petition. It should state what action the petitioners wish the Council to take.
- The subject matter of the petition must relate to a function of the Council, or its partner authorities if the petition relates to an improvement in the economic, social or environmental well being of the District which a partner authority could contribute to. Petitions may also relate to matters which are sub-regional and cross-authority.
- The petition should contain the name, address and signature of at least 20 people who either are resident, work or study in the Bradford District. This includes under 18 year olds.

Petitions should be accompanied by the contact details of the lead petitioner, including an address and/or telephone/email details. This is the person the Council will contact to explain the process for considering petitions. The contact details of the lead petitioner or any of the petitioners will not be published by the Council. If the petition does not identify a lead petitioner, we will contact signatories to the petition to agree who should act as the lead petitioner.

If the petition does not follow the guidelines set out above a letter will be sent to the lead petitioner explaining that the guidelines have not been met and that the petition has been forwarded to the appropriate Strategic Director for consideration.

How the petition will be dealt with

The petition will normally be acknowledged in writing within 5 working days of receipt although there may be a delay if it is not clear from the petition who the lead petitioner is.

The lead petitioner will need to confirm how he/she would prefer the petition to be dealt with and assistance will be provided by the Committee Secretariat to help the lead petitioner decide which is the most appropriate route. Petitions will be progressed in one of the following ways:

Officer (relevant Strategic Director) – On receipt the petition will be forwarded to the relevant Strategic Director who has responsibility for the subject matter of the petition. The Strategic Director will nominate a Named Senior Officer to deal with the petition and the Named Senior Officer will contact the lead petitioner within 3 weeks to inform them of what action will be taken on the petition. As a lead petitioner you will be informed within the 3 week period if action has already been taken on the matter before the petition was received, or is in the process of being taken. The Named Senior Officer will consult with the councillor who is the Member of the Executive holding the relevant portfolio for the service area, and if the subject matter of the petition is concerned with a particular locality, the ward councillors, to determine the action to be taken. The lead petitioner will be notified of the outcome in writing. However, it may be appropriate for the Named Senior Officer to take a report to a meeting of the Executive, Area Committee or panel. The lead petitioner and local ward councillors will be informed of the date of the meeting with an invitation to attend. After the meeting the Named Senior Officer will confirm the outcome to the lead petitioner, local ward councillors and any other relevant Member in writing within 10 working days.

Meetings of Full Council – Petitions can be presented to a meeting of Full Council. All 90 of the Councillors on the City of Bradford Metropolitan District Council are Members of Council so attending one of these meetings will provide the opportunity for the views in the petition to reach all Councillors. The ordinary meetings of Council are held 5 times a year, and as a limit of 5 petitions are considered at each meeting, the lead petitioner should contact the Committee Secretariat at the earliest opportunity. If there are more than 5 petitions then it will be necessary to consider the petitions that were received latest at the next meeting. At Full Council a representative of the petitioners may speak on the subject matter of the petition for 5 minutes. Council will not debate the petition but refer the petition to the appropriate committee, panel or other body. Further details can be obtained through this link ([protocol for](#)

petitions to Council) or by contacting the Committee Secretariat on 01274 432269 or emailing petitions@bradford.gov.uk

Full Council Debates – If a petition contains more than 1500 signatures it will be debated at a meeting of Full Council. Normally the petition will be considered at the next ordinary meeting of Full Council, although on some occasions this may not be possible and consideration will then take place at the following meeting. A representative of the petitioners will be given 5 minutes to present the petition at the meeting and the petition will then be discussed by councillors for a maximum of 15 minutes. The Council will then decide how to respond to the petition at this meeting. They may decide to take the action the petition requests, not to take the action requested for the reasons put forward in the debate, or to commission further investigation into the matter, for example by a relevant committee. Where the issue is one on which the Council's Executive is required to make the final decision, the Full Council will decide whether to make recommendations to inform that decision. The petition organiser will be sent written confirmation of this decision within 10 working days. This confirmation will also be published on the Council's website.

Calling an Officer to Account – A petition may ask for a senior council officer to give evidence at a public meeting about a service for which the officer is responsible as part of their job. For example, the petition may ask a senior council officer to explain progress on an issue or to explain the advice given to elected members to enable them to make a particular decision.

If the petition contains at least 750 signatures, then the relevant senior officer will give evidence at the overview and scrutiny committee covering that service area. A relevant senior officer would be the Chief Executive, a Strategic Director or Assistant Director. The officer called to give evidence may be supported by other officers who have been involved in the matter. If the officer named in the petition is unavailable – for instance if the named officer has changed jobs – the overview and scrutiny committee may need to decide to call another senior officer. The overview and scrutiny committee may also decide to call a relevant councillor to attend the meeting such as the member of the Executive who holds the portfolio for the service mentioned in the petition.

A report will be presented to a meeting of the overview and scrutiny committee setting out the background to the matter. The lead petitioner will be able to attend the meeting to present the petition for up to 5 minutes. At the meeting the senior officer will be questioned by the Committee members. If the public is to be excluded during any part of the meeting under the provisions of Part 5A of the Local Government Act 1972 this will be set out in the attendance notification to the lead petitioner. The Committee will then make recommendations in accordance with the Council's delegation scheme. It may be necessary for the Committee to defer making the recommendations to a future meeting, for instance, if further information is requested. When the Committee has finalised its recommendations written notification will be sent

to the lead petitioner within 10 working days and be published on the Council's website.

Matters Excluded from the Petitions Scheme

A petition cannot be dealt with through this scheme if it addresses or includes:

- a planning or licensing application for which other arrangements are in place.
- Matters subject to prescribed statutory requirements, e.g. an elected mayor.
- Matters where there is already an existing right of appeal, such as council tax banding and non-domestic rates, where other procedures apply.
- Potentially libellous, false or defamatory statements.
- Material which is commercially sensitive
- The names of individuals in relation to criminal accusations or information which easily identifies an individual
- Statements which contravene equalities and anti-discrimination legislation
- Matters subject to appeal processes or legal actions, e.g. enforcement action.
- Refers to a particular official of a public body
- Material which is vexatious, abusive or is deemed otherwise inappropriate

If the petition contains any of the above the lead petitioner will be informed of the reason for not accepting the petition in writing.

If the petition is about a matter over which the Council has no direct control your petition will be forwarded to the relevant organisation. However, if the petition relates to a partner organisation the Council will consider making representations on behalf of the community to the relevant body. The Council works with a large number of local partners and where possible will work with these partners to respond to your petition. The lead petitioner will be informed of any action the Council has taken to progress the petition.

Please consult with the Committee Secretariat if clarification is required.

The Council's Response to Petitions

The Council's response to a petition will depend upon what the petition is asking for and which of the options is taken for dealing with the petition, but the response will include one or more of the following:

- Writing to the lead petitioner setting out the Council's views about the request in the petition

- Taking the action requested in the petition
- Commissioning research on the matter
- Holding a consultation
- Holding a meeting with petitioners
- Holding a public meeting
- Undertaking a referendum in a locality
- An inquiry
- Referring the petition for consideration by the Executive, Area Committee or overview and scrutiny committee (committees responsible for scrutinising the work of the Council and holding the decision makers to account)
- Discussing the petition with other relevant organisations
- Publish notification on the Council's website on how the petition is being dealt with.

Review

If the lead petitioner feels that the Council has not dealt with the petition properly, the lead petitioner has the right to make a request to the City Solicitor that the Council's Corporate Overview and Scrutiny Committee review the steps that the Council has taken in response to the petition. The lead petitioner will be asked to provide a short explanation in writing of the reasons why the Council's response is not considered to be adequate.

The Corporate Overview and Scrutiny Committee will endeavour to consider the request at its next meeting, although on some occasions this may not be possible, and consideration will take place at the following meeting. The lead petitioner will be invited to attend the Committee and make verbal representations for up to 5 minutes. Should the Committee determine that the petition has not been dealt with adequately it may instigate an investigation and make recommendations to the relevant officer or the Council's Executive. The Corporate Overview and Scrutiny Committee may also decide that the authority's response to the petition should be discussed at a meeting of the Full Council.

Once the appeal has been considered the lead petitioner will be informed of the result within 10 working days.

E-petitions

Petitioners can create and submit e-petitions through the Council's website, www.bradford.gov.uk . E-petitions must follow the same guidelines as paper petitions except that for signers of an e-petition a valid email address replaces the signature. The lead petitioner will need to provide their name, postal address and email address. The lead petitioner will also need to decide how long the petition is to be open for signatures. This can be up to a maximum of 12 months

It may take 5 working days to publish your e-petition online as the content of the petition will need to be checked for suitability before it is made available for signature. If your petition cannot be published the lead petitioner will be contacted with an explanation of why the petition is not appropriate. The lead petitioner can request that the petition be changed and re-submitted but the signatories will need to confirm that they agree with the revised wording.

When an e-petition has closed for signature the lead petitioner will be contacted within 5 working days to identify if the lead petitioner wishes to progress the petition through the Council's democratic decision making structure.
