

BRADFORD CITY CENTRE TOWNSCAPE HERITAGE SCHEME

Contractor Reference Form

Note to Grant Applicants

This form should be passed onto each proposed contractor. It must be completed by them before they quote for the work and returned to the Townscape Heritage Scheme Project Officer for approval.

Note to Contractors

The work for which you may be asked to tender involves a building of architectural, historic or special local interest, with grant funding from the Townscape Heritage Scheme. The Heritage Lottery Fund, which is funding this project, must be satisfied that the workmanship will be of a high standard, using techniques and materials appropriate to historic buildings.

Please complete the following submission as the main contractor for the project, and request that all subcontractors, who will be contributing specifically to building conservation in the project, have completed a copy of this form.
