Dear Provider

Fee Uplift 2026 – 2027 for Supported Living Services

Following the proposed fee uplift briefing published in the Provider Bulletin on 26 February 2026, and the subsequent final budget approval by elected members at the Full Council meeting on 10 March 2026, I am writing to confirm that the rate will be uplifted by 3.62%.

Where care packages identified as supported living have been transferred from home support at a home support hourly rate, these packages will remain at this rate until such time as the supported living hourly rate exceeds this.

These increases will also apply to provision purchased by the Bradford District and Craven ICB, where Bradford Council contracts are used to supply these services. The ICB will be responsible for processing increases via their payment system. For any clarification, please contact them directly on c.healthcare@bradford.nhs.uk

Bradford Council will commence payment of the revised rates from Monday 6 April 2026.

The full 2026/2027 Fee Table can be found here: <https://bradford.connecttosupport.org/provider-zone/care-fee-uplifts/>

Yours faithfully

Nathan Atkinson
