What have stakeholders told us: System

- System is too complex and difficult to navigate
- Clear information needed
- Length of stay
- Training for staff

What have stakeholders told us: Accommodation

- Varied types of accommodation
- Accommodation across the District
- Accommodation options for prompt move on
- Overcome barriers to move on: debt, rent in advance, furniture
- Affordable options: working / moving onto UC
- Accommodation based services work to give young people an opportunity to develop independent living skills but there is no single occupancy move on accommodation for young people

What have stakeholders told us: People

- More female only provision
- More individualised solutions
- Solutions for people who may present “risk”
- Need for more specialist support workers
