

# Our Town Shipley

[www.ourtownshipley.co.uk](http://www.ourtownshipley.co.uk)

## Shipley has secured up to £25 million of funding as part of the Government's Towns Fund.

Alongside other funding, this significant investment will deliver improvements to our town centre and provide jobs and training opportunities, as well as wider cultural and social benefits for the town.

We are inviting residents to share their views on how this funding can be used to deliver your priorities for the community.
