

## **ADDENDUM**

### **Appendix B Design Code**

### **Draft 2025**

The Design Code (Appendix B) was commissioned from the consultancy AECOM in late 2023 with a grant from Locality. The final document is dated August 2024.

Addenda to the Design Code:

1. References throughout to limestone as the main building material in Baildon are incorrect. The main building material is local sandstone.
2. Paragraph 2.4.6 identifies non-designated heritage assets however items 13-17 are designated listed buildings.
3. References to 'Scheduled Ancient Monuments' throughout should refer to 'Scheduled Monuments'.
4. The area located between Otley Road and the River Aire is denoted as 'River Aire Industrial' and 'Otley Road Corridor'. For the avoidance of doubt these refer to the same area.
5. Reference to 'Charles Town' should refer to 'Charlestown'.
6. Reference to 'Tongue Park' should refer to 'Tong Park'.
7. Reference to the 'Baildon Village Conservation Area' should refer to the 'Baildon Conservation Area'.
