Applying for Primary School

HAVE YOU APPLIED FOR YOUR CHILD'S SCHOOL PLACE?

September 2027

A step-by-step guide for parents of children starting primary school in September 2027

This booklet is for parents of children born between 1 September 2022 and 31 August 2023

This booklet provides a summary of how to apply for a primary school place for September 2027. Full details of the admission arrangements for all our schools and academies can be found on the Bradford Council website: **www.bradford.gov.uk/admissions**

Save time – apply online!

www.bradford.gov.uk/admissions

Its quick
Register your details and make your application.

It's available
Seven days a week from 16 November 2026 until the closing date on 15 January 2027.

and.....

- you will receive an email confirming receipt of your application when you apply online
- you can log back on at any time to make changes up to the closing date
- you will get an email on 16 April 2027 to tell you which school your child has been offered.

Application checklist

- ✔ Use the Bradford online system to apply if you live in the Bradford area.
- ✔ List up to five schools, within or outside the Bradford area. Do not include private schools.
- ✔ Fill in and return supplementary information forms (SIF) to schools that require them, for example, faith (Catholic and Church of England) schools and Dixons Music Academy.
- ✔ If applying for priority due to medical or social reasons, ensure you do so at the time of application and ensure you provide supporting evidence from relevant professionals (see page 3).
- ✔ If you have moved recently or intend to do so, check the rules and what evidence we require as this will affect your application (page 4).
- ✔ Have you checked the latest school travel policy? For further details go to **www.bradford.gov.uk/schooltravelpolicy**
- ✔ Apply by the closing date, 15 January 2027.

Do you need more information? Contact details for the Admissions Team are shown below.

Admissions Team, Department of Children's Services, Britannia House, Hall Ings, Bradford, BD1 1HX

Email: **primaryadmissions@bradford.gov.uk** Tel: **01274 439200**

City of BRADFORD METROPOLITAN DISTRICT COUNCIL

Department of Children's Services

Different types of schools = different admission rules

Community schools: A number of primary schools in the Bradford District are community schools. The local authority provides the funding and also makes decisions on admissions.

Academies and free schools: These schools are funded directly by the Department for Education and governors make decisions.

Foundation: The local authority provides the funding and school governors make decisions.

Voluntary-controlled schools: These are Church of England schools. The local authority provides funding and makes decisions on admissions. If you are applying for faith reasons, you would need to provide us with a letter from your church minister confirming that you regularly attend church. Without a supporting letter, your child would not be considered on these grounds.

Voluntary-aided schools: The local authority provides the funding and school governors make decisions on admissions. Most Catholic schools and some Church of England schools are voluntary-aided. If you are applying for faith reasons, it is very important to complete a supplementary information form and return it to the school by the deadline date, otherwise your child will not be considered on these grounds.

Step 1 How do I decide which schools to apply for?

You should collect as much information as possible about the schools in your area, especially their admission procedures. You can do this by:

- visiting the Bradford Council website, **www.bradford.gov.uk/admissions** where you can find:
  - full details of all schools' admission arrangements in the 'Guide For Parents'.
  - Last year's allocation figures for each primary school.
  - 'School Finder' - a map giving the details of schools in the Bradford Authority and distance from your postcode.
- arranging to visit the primary schools in your area during the school day and finding out what before and after school care facilities there are if you require them.
- viewing the school websites or their prospectuses for information on what each school can offer;
- visit the Ofsted website **www.ofsted.gov.uk** where you can read the latest Ofsted report for your preferred schools.

Step 2 How do I apply?

Be realistic

Many schools are oversubscribed and receive more applications than they have places to offer. Even if you live within a Priority Area, you may not qualify for a place if 'distance criteria' is part of the admissions policy. The number of primary students competing for places is high every year and the fact that a neighbour was offered a place before does not mean you can rely on a place being allocated this year. We strongly advise that you use all five preferences and include your nearest school or where applicable all the schools whose Priority Area you may be in to maximise your chances of being offered a locally accessible school.

Make your preferences count

If you only apply for one school your child will only be considered for that one school. If you do not qualify for a place, you will be allocated a school with an available space after all allocations have been made, this may not be local and could involve several bus journeys. You will only be able to appeal for the school you have applied for and you will only be able to add your child's name to the waiting list of the school you preferenced or other undersubscribed schools. Last year 98% of children were offered one of their preferred schools.

HAVE YOU APPLIED FOR YOUR CHILD'S SCHOOL PLACE?

Application forms

- You need to apply to the local authority where your child lives (your home council). If your child lives in the Bradford District, you should apply online on the council's website, www.bradford.gov.uk/admissions.
- If you apply online you will receive the offer of a school place on 16 April, by email and will not have to wait for the postal service, unless you tick the option to not receive an email.
- If you are unable to apply online, your child's nursery (if applicable) may be able to provide assistance. Parents can also contact the Admissions Team for assistance from an officer who will discuss the issues and decide if a paper form is required. Closing date for all applicants is 15 January. You should not rely on the post to ensure your form is received, you may wish to send it recorded delivery. You should request a receipt if you hand your form in personally.
- You should list five schools you are prepared to consider in the order you prefer them. You can apply for any school in the Bradford district or outside the district except fee-paying schools. You should find out about the admission arrangements for each school before making your application.
- Where the child lives with separated parents who both have shared responsibility you must both agree which address to use before you make the application and agree on the preferences. Otherwise this could delay the application process and the Local Authority may decide which address should be used and which school(s) should be listed on the application.
- You must confirm that you have parental responsibility and that the information you have given is accurate. If you give deliberately false or misleading information or withhold important information that could affect your application, it may result in the place offered being withdrawn. You would then need to apply again, possibly after all allocations have been made, and legal action may be taken.

Supplementary Information Forms (SIF) and supporting letters

- If you are applying for a school for faith reasons, you must also fill in the SIF which is available on our website or from the school. You will need to fill in a SIF for each school you apply to for a faith place and return them to the schools by 15 January 2027. Each application must be supported by a baptismal certificate (for Catholic schools) or a letter from your church minister or religious leader – the relevant school's form will tell you what you need to attach.
- To apply on staff grounds please see individual admissions policies for the required documentation.
- If you are applying for a voluntary-controlled church school on faith grounds, you need to send the Admissions Team a supporting letter from your church minister to confirm regular attendance at church. Although All Saints CE Primary (Ilkley) is a voluntary-controlled school, you and your church minister need to complete their supplementary application to confirm fortnightly attendance at church for the past two years to be considered on faith grounds.
- If you are applying for one of the six music places at Dixons Music Primary, you will need to complete the school's SIF and return it to the school by 3.30pm, Friday 4 December 2026. Your child will then be invited for an audition.
- Children who are looked after by a local authority are given priority in every admissions policy. Applications for looked after children must be made by the child's social worker, not the carer, by the deadline date (15 January 2027).

  Previously looked after children are children who were looked after but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order) and those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted. Priority is given to all qualifying previously looked after children in every admissions policy, if sufficient evidence is provided to the Admissions Team by the deadline date (15 January 2027).
- Some schools give priority to children who have significant medical or social needs which can only be met by a specific school. If you are applying on these grounds, you must provide written evidence from your child's paediatrician/consultant or a relevant professional from Children's Services as appropriate. The evidence must explain why it is the only school that can meet your child's needs. Please read each school's admissions policy as not all schools give this priority.
- If you apply online you will receive an email to confirm that you have submitted your application successfully. If you decide to change your application you can log back in and do so but you must ensure that you 'resubmit' your application. You will receive another email confirming your new preferences.

Step 3 How do you deal with my application?

- Each school has a Published Admission Number (PAN), which is the number of children that will be offered a place. Each school has its own admission policy and these will be different depending on the school and the type of school. The policy or rules determine which children are offered places. For most primary schools, children with brothers or sisters attending the school are given priority. Then places are allocated in distance order until the PAN is reached. However, there are 11 primary schools who have 'priority areas' so it is important that you understand the level of priority your child will receive based on the schools admission policy.
- It is very important that you read the policies and view the 'Priority Areas' for the schools that you are applying to, in order to understand whether your child may be offered a place. In addition you can find out the distance the last child was offered a place in the previous year by looking at the 'Guide for Parents 2027-2028'. Full details are available on each school's website as well as the Council website.
- We apply the Council's policy to decide which applicants will be offered places at community schools, considering any supporting evidence provided. If you have applied for any other type of school we will inform them of the application and they will tell us if a place can be offered, taking into account any evidence provided or the supplementary information form, if one is required.
- We advise you to seriously consider preferencing a local school or your 'Priority area' school(s) to ensure you maximise your chances of being offered one of your preferences.
- **There are many myths around the order in which you preference your schools.** Only the Admissions Team know which order you have preferenced your schools, each preference is treated separately to see if you can be offered a place in any or all of your preferenced schools. If your child can be offered more than one school, the order in which you have made your preferences enables us to offer you the highest preferenced school for which you qualify.
- **You will receive an email on 16 April 2027, if you applied online.** If you did not apply online, you will receive a letter posted directly to you after 16 April 2027.

Step 4 What if I miss the deadline or want to change my preferences?

- **Before National Offer Day**

  The closing date for you to apply is 15 January 2027. If we receive your application after this date, due to exceptional circumstances (such as a house move), it must be received by 12 February 2027 in order to be considered as 'on-time' for allocation purposes. We are also unable to accept changes to your preferences after the closing date unless there are exceptional changes in your circumstances. The deadline for changes to be submitted due to exceptional circumstances is also 12 February 2027. Late applications are considered after all on-time applications.

- **After National Offer Day**

  If you have already applied for five schools, we will not accept new preferences unless there has been a significant change in circumstances and/or you wish to apply for undersubscribed schools (schools which had availability after all preferences had been considered). If your original application listed less than five preferences, you can apply for additional oversubscribed schools (schools which had more applications considered than places available). The maximum number of original preferences plus additional oversubscribed preferences is five. From 1 September 2027, you would be able to apply for additional preferences through the 'in-year' application process, regardless of how many schools were listed on your child's annual reception application.

- **Moving house**

  If you have recently moved house, you must send us proof of your new address. Please provide a copy of your council tax bill and a minimum of two additional documents from the following: gas, electricity, phone bill and a child allowance or benefit document in your name or that of your child. We may request additional proof if circumstances are not clear.

  When considering applications, we use the child's permanent address at the time of admission. If you expect to move by September but you are still living at your current address when you apply, we can only consider your application from the new address if you provide the following documents:-

  - Proof of completion on your new property and confirmation of the sale or ending of your tenancy agreement for the previous property; or
  - A rental agreement on the new property and confirmation of the sale or ending of your tenancy agreement for the previous property.

  We will not accept mortgage offers or letters from estate agents as proof. If your house purchase or rental has not reached a stage where you can provide these documents by 12 February 2027, we will consider your application from your current address. However, it is important that you tell us if you move house at any time as it could affect your child's allocation.

  If you have applied for a school located in another local authority or have applied for a school which is its own admission authority, we cannot guarantee that they will accept changes of address which take place after 15 January 2027.

Step 5 What if I don't get the school I want?

- If we are unable to give you any of your preferred schools, we will offer your child another school with an available place. This may include faith schools. We decide which is the most appropriate school, taking into consideration all children without a school place and available bus routes.
  If you do not apply for a local school and it becomes full, it is likely that the nearest school that we can offer will be some distance from your home. We can only offer an alternative school that has places available after all applications for that school have been considered.
- You can ask for your child's name to go on a waiting list for any schools that you applied for. Your child cannot be placed on a waiting list for a school that you did not apply for unless there is a significant change in your circumstances (for example if you move house) or exceptional circumstances. If any places become available, they will be filled in line with the admission policy and not how long the name has been on the list. Most schools' waiting lists close at the end of the school year in July 2028. If the school is located in another local authority area, you should contact the relevant authority directly regarding the waiting list.

Please note- Some local authorities may keep all children on the waiting list for higher preference schools they did not qualify for places at and may alter allocations without contacting families first. If you applied for any schools located outside of Bradford district, please ensure you check that authority's process directly.

- You can make a formal appeal to an independent appeal panel, for any school that you have applied for. This is a legal process and places are not 'reserved' for appeal panels to offer. The Government has set a limit on the size of infant classes and this means that no reception, year 1 or year 2 class can have more than 30 children with one teacher. If your child has been refused a place because there are already 30 children in the class, your appeal could only be successful if we have made a mistake or acted totally unreasonably. On average one in ten appeals for reception are successful because of the infant class size law.
- You can get appeal forms from the Admissions Team for most schools except Dixons Allerton Academy, Dixons Music Primary, Our Lady of Victories Catholic Primary, St Anne's, St Anthony's (Clayton), St John the Evangelist, St Joseph's (Keighley), St Walburga's and St Winefride's Catholic Primary schools. For these schools you must contact the schools direct for an appeal form. For schools in other local authorities, you must contact the relevant local authority.

We urge you to accept a place at the school you have been offered – it will not affect your chances of getting a place at your preferred school either from the waiting list or at appeal. You could risk not having a school for your child to attend in September if you do not accept an offer.

Please ensure you remove your child from the waiting lists of other schools once you are happy with the offered school.

Step 6 Financial help

Bradford Council no longer provides a school clothing allowance for low income families. Bradford schools have now taken on the responsibility for providing parents with support for this where appropriate. How schools provide this support will vary from school to school so parents should contact the allocated school for more information.

All children in reception, year 1 and year 2 in state-funded schools receive free school meals. However, if you receive benefits, your child may be entitled to free school meals no matter what year they are in. Families should apply if they get any of these benefits:

- **The Guaranteed element of State Pension Credit**
- **Universal Credit**

You should make your application after you have received your allocated school place. You can get advice on free school meals at: **www.bradford.gov.uk/schoolmeals**, by phoning **(01274) 432772** or by visiting any Council Enquiry Office.

The Journey to School

Your child's journey to school – **Key Points to Remember**

- Make sure you read and understand the Home to School Travel and Transport Policy for Children of Compulsory School Age if entitlement to school transport is important to you.
- School priority admission areas are not relevant to transport eligibility.
- Transport is generally only provided to the nearest available qualifying school where the distance criteria is met.
- The Council uses a GIS measuring system, no other measurement is valid.
- The priority area school for your address may not be the nearest school.
- It is vital you carefully consider the transport implications before you make your application for a school place.
- Please contact us if you need advice.

The Journey to School

Your child's journey to school – **Key Points to Remember**

Home to school travel assistance

You should consider carefully how your child will get to and from the school(s) you apply for before you make your application for a school place.

Children will only be entitled to free travel assistance if there is an entitlement under the Council's Home to School Travel and Transport Policy for Children of Compulsory School Age. If a sibling or other local child is already in receipt of transport to a school, **this does not guarantee** that a new child will automatically qualify for transport to the same school. The policy criteria must be met in all cases.

Where there is no entitlement to travel assistance from the Council, parents are fully responsible for all financial costs and transport arrangements for their child.

The full Home to School Travel and Transport Policy for Children of Compulsory School Age can be found on our website **www.bradford.gov.uk/education-and-skills/travel-assistance/assistance-with-travel-to-home-school-and-college**

Please note that entitlement to travel assistance will not be assessed on the basis of priority admission areas or where travel assistance has historically been provided. Applications are assessed against the following criteria.

Bradford Council in accordance with its statutory duty, will provide free home to school assistance for children of primary school age to the 'nearest available suitable qualifying school' to their home address, if:

- they are between 5 and 7 years of age and live beyond 2 miles from the school
- or are between 8 and 11 years of age and live beyond 3 miles from the school

It is important to note that the 'priority' school for your address may not be the nearest school.

Bradford Council will measure using the shortest walking route to calculate distances to establish which is the nearest 'suitable qualifying school' to a child's home address. We determine your nearest 'suitable qualifying school' with places available at the time of allocation. If you apply outside of this time, because for example you move address; we will determine it at the time of the application. The Council uses a Geographical Information System (GIS) to measure and calculate home to school distances. **The measurements produced by the Council's GIS are the definitive distance calculations that the Council will use to determine travel assistance eligibility.**

For children from low income families, the policy is extended to provide travel assistance to children who are aged over 8 and under 11, registered at their nearest qualifying school more than two miles from home.

Once eligible for assistance with travel because of low income, your child will receive assistance for the rest of the school year, subject to there being no other changes that may affect eligibility, such as a house move or change of school.

HAVE YOU APPLIED FOR YOUR CHILD'S SCHOOL PLACE?

Unless the low income criteria are met, travel assistance will not be provided to a school if:

- **There is any nearer school to the home for which a parent did not apply on the original admission application**
- **There is any nearer school which was listed as a lower preference on the original admission application**
- **The parent has rejected an offer of a place at any nearer school**

What is the nearest school for transport purposes?

Any parent who wants to find out which school the Council considers to be their nearest school for transport purposes should send an email to **schooltravel@bradford.gov.uk**.

The email should state the child's name and address, asking what the Council considers to be the nearest primary school for transport purposes to that address.

Points to remember

- **An offer of a school place does not guarantee free school transport even if you live beyond the statutory distance from the school you have been offered, even if it is your priority admission area school.**
- Before you apply for a school place and for travel assistance you should read the information made available to you in this booklet and the full travel assistance policy on the website: **www.bradford.gov.uk/education-and-skills/travel-assistance/assistance-with-travel-to-home-school-and-college**

There are currently school buses that take children to some schools in the Bradford region.

There has been a consultation by West Yorkshire Combined Authority (WYCA) this summer and there is no guarantee that all current school bus services will be the same next year.

If your choice of school requires your child to travel on a dedicated school bus and WYCA changes this service, your child's attendance at that school will be your responsibility.

Entitlement for children with additional needs

Children who are unable to walk to school because of their special educational needs, disability or temporary medical condition may qualify for assistance. The Council is working with parent groups, schools and SEND professionals to change the way we deliver school travel for children with additional needs. You will need to give full details on the application form and your application must be supported by specialist advice relating to the medical or behavioural needs of your child and after consultation from the school and other agencies involved in your child's wellbeing.

Travel provision

If your child qualifies, we will usually give them a 'smart card' to travel free on the bus or train for one journey to and from school each day. If your child has additional needs and is unable to travel independently by bus or train, we may provide an escort or travel training to encourage independence, a personal budget, dedicated or specialist transport. For more detailed information on assistance with travel to school, visit the Bradford Council website, **www.bradford.gov.uk/education-and-skills/travel-assistance/assistance-with-travel-to-home-school-and-college** or contact the Travel Assistance Service on **01274 439450** or email **schooltravel@bradford.gov.uk**

Fares and passes

Reduced fares are available to pupils in full-time education travelling on all trains and most buses displaying the Metro symbol. Five to 18 year olds can buy a School Plus Ticket for travel on most buses (but not trains) at any time of the day including evenings and weekends.

For more information about reduced fares and bus and train times, phone Metroline on **0113 245 7676**, open 8am to 8pm, seven days a week or visit the Metro website: **www.wymetro.com/schools**

How and when to apply:

Complete the application form that best meets your child's circumstances:

For those wishing to apply for a bus pass please download an application form from: **www.wymetro.com/schools**

Those children with special educational needs, a disability or temporary medical condition can now apply online or download an application form from: **www.bradford.gov.uk/education-and-skills/travel-assistance/assistance-with-travel-to-home-school-and-college** or request one from the Travel Assistance Service at **schooltravel@bradford.gov.uk**

Most people apply when they have their school place confirmed. Application forms should be returned by the last Friday in May in order for us to process your application for the term starting in September.

Primary Schools in the Bradford District

School	Tel Number	Address	Type of School
Addingham Primary	01943 830298	Bolton Road, Addingham, Ilkley, LS29 0NR	Community
