## **PART 1 SUMMARY AND EXPLANATION**

### **1 The Council's Constitution**

- 1.1 The City of Bradford Metropolitan District Council has a constitution that sets out how the Council operates, how decisions are made and the procedures that are followed to ensure the Council is efficient, transparent and accountable to local people. The law requires some of these procedures, while others are a matter for the Council to choose.
- 1.2 The Constitution is divided into the eighteen Articles set out in Part 2. These lay down the basic rules governing conduct of the Council's business. More detailed procedures and codes of practice are provided in separate rules and protocols contained in Parts 3 and 4 of the Constitution. Parts 5 and 6 concern the position of members of the Council and officers.
- 1.3 The Constitution is made under the provisions of the Local Government Act 1972, the Local Government Act 2000 and regulations and guidance made under these and other acts. In the event of any conflict between these enactments and the Constitution, the law takes precedence.

### **2 What is in the Constitution?**

- 2.1 This Constitution was adopted in accordance with the requirements of the Local Government Act 2000 following extensive public consultation. It provides the framework within which the Executive takes decisions in the discharge of the Council's functions, subject to the scrutiny of a number of Overview and Scrutiny committees. The Executive is collectively responsible for the decisions it makes and its decision-making arrangements are designed to be open, transparent and accountable.
- 2.2 The Council is committed to realising the aspirations reflected in the Corporate Plan and this Constitution sets out the working arrangements that will be followed in pursuit of these aims.
- 2.3 Article 1 of the Constitution commits the Council to pursue a number of objectives within its working arrangements. These objectives support the promotion and fostering of a healthy and vibrant local democracy. Articles 2 – 18 explain the rights of every member of the public and how the key parts of the Council operate:
  - Members of the Council (Article 2)
  - The Public and the Council (Article 3)
  - Meetings of the Council (Article 4)
  - Chairing Meetings of the Council (Article 5)
  - Overview and Scrutiny Committees (Article 6)
  - The Executive (Article 7)
  - Regulatory and Other Committees (Article 8)
  - The Governance and Audit Committee (Article 9)
  - The Licensing Committee (Article 10)
  - The Standards Committee (Article 11)

- The Wellbeing Board (Article 11A)
- Area Committees (Article 12)
- Staffing Committee (Article 12A)
- Joint Arrangements (Article 13)
- Officers (Article 14)
- Decision-Making (Article 15)
- Finance, Contracts and Legal Matters (Article 16)
- Review and Revision of the Constitution (Article 17)
- Suspension, Interpretation and Publication of the Constitution (Article 18)

### **3 How the Council Operates**

3.1 The Council is composed of 90 members, also known as councillors, each is elected for a four year maximum term of office. One-third of members are elected in each of three consecutive years with no elections in the fourth year. Councillors are democratically accountable to constituents within their ward. The overriding duty of a councillor is to the whole community. In addition they have a special duty to their constituents, including those who did not vote for them.

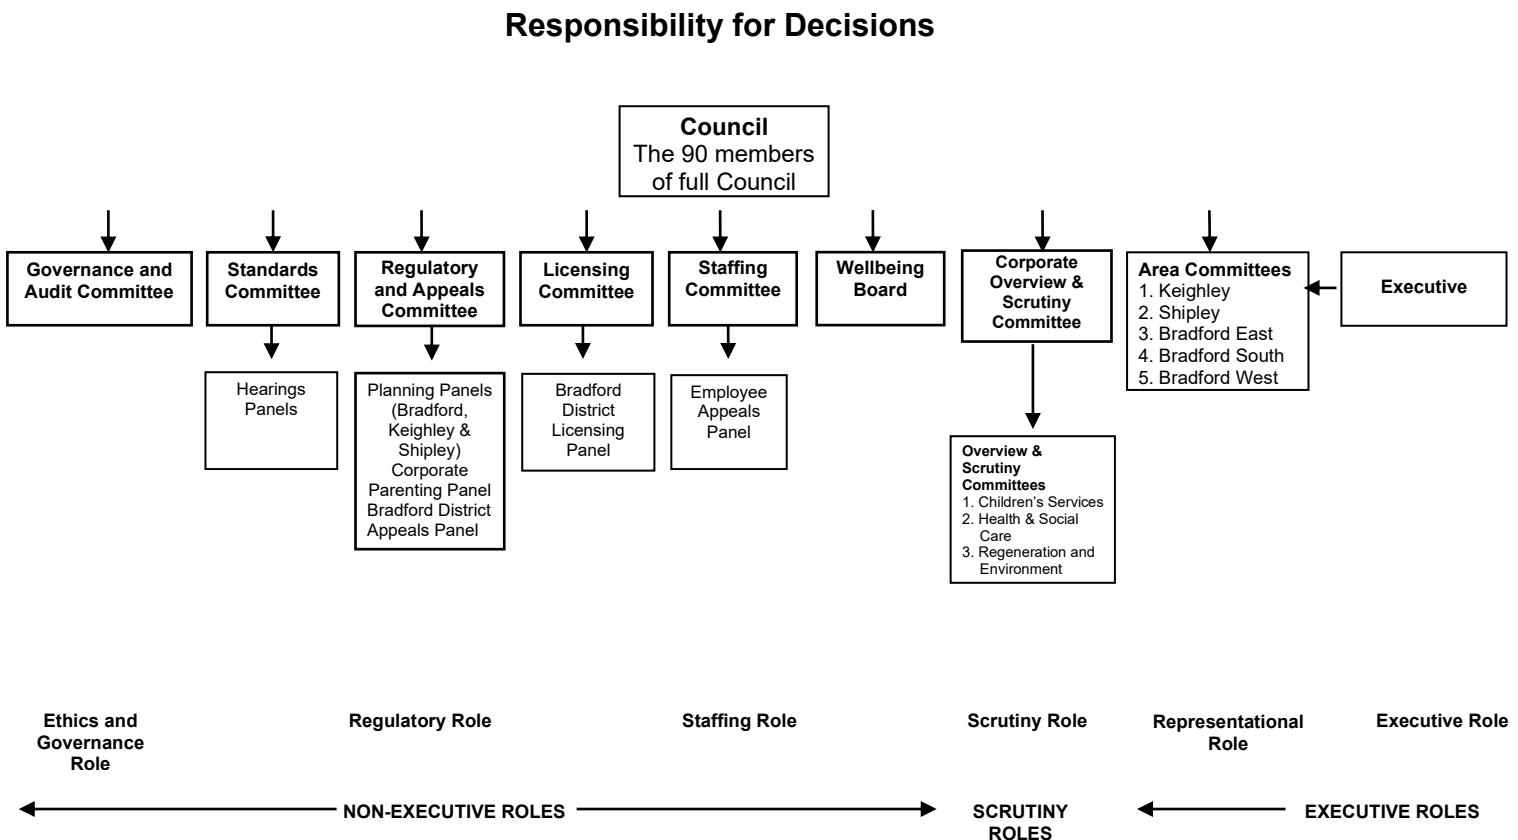

3.2 All members meet together as the Council. Meetings of the Council are normally open to the public. Members meeting in full Council decide the Council's overall policies and set the budget, including the level of Council Tax to be levied, each year.

3.3 Decisions taken by and on behalf of the Council fall into one of the following categories:

- Strategic policy and budget decisions or decisions of the Council which are reserved by law or this Constitution to meetings of the full Council (Articles 4.1 and 4.2).
- Decisions to adopt or amend the Constitution and make appointments under the Constitution and related matters that are reserved to the full Council (Article 4.4).
- Decisions taken in the discharge of executive functions that are for the Executive (Article 7.1).
- Decisions taken in the discharge of non-executive functions (mainly regulatory functions).
- Decisions involving significant expenditure or which have a significant impact on local communities are known as 'key decisions' and are subject to publication in the Forward Plan of the Executive and taken at a meeting open to the public.
- Operational decisions to be taken either by the Executive or the Appropriate Officer.

## 4 How Decisions are Made

4.1 The following diagram illustrates the bodies within the Council responsible for the differing roles undertaken in decision-making.

4.2 The Executive is that part of the Council responsible for many of the decisions that give effect to the policies and strategies approved by the Council. The Executive comprises the Leader of the Council and not more than nine members of the Council, appointed by the Leader each year. The Leader of the Council may also determine portfolios of responsibilities for members of the Executive. The decision-making arrangements of the Executive are regulated by the Executive Procedure Rules.

4.3 The Executive publishes details of all key decisions that it will take in the Forward Plan in so far as these are known at the date of publication. The meeting of the Executive that considers a key decision will generally be open to the public, except where personal or confidential matters are being discussed. The Executive must take decisions that are in keeping with the Council's overall policy and budget framework and refer any decision which is outside this framework to the full Council for decision.

## **5 Regulatory and Non-Executive Decisions**

5.1 There are a range of decisions taken by the Council in the discharge of regulatory functions, in particular planning and licensing functions. These are non-executive decisions that are the responsibility of the Regulatory and Appeals Committee, the Licensing Committee, the Wellbeing Board and the Staffing Committee and their respective panels.

## **6 Overview and Scrutiny Committees**

6.1 Overview and scrutiny of executive and non-executive decisions is co-ordinated by the Corporate Overview and Scrutiny Committee.

6.2 There are four Overview and Scrutiny committees that support the work of the Executive and the Council as a whole. They allow members of the public to have a greater say in Council matters and may hold public inquiries into matters of local concern.

6.3 Overview and Scrutiny committees may make reports and recommendations to the Executive and the Council as a whole on its policies, budget and service delivery. Overview and Scrutiny committees also monitor decisions of the Executive. They can 'call-in' a decision which has been made by the Executive but not implemented. This enables committees to consider whether the decision is appropriate. They may release a decision for implementation, recommend that the Executive reconsider the decision or refer it to the full Council to consider.

6.4 Overview and Scrutiny committees may also be consulted by the Executive or the Council on forthcoming decisions and the future development of policy.

## **7 Area Committees**

7.1 In order to give members of the public a greater say in council affairs, the Council has established five area committees. These comprise six wards each and are responsible for a wide range of local services. Area committees involve members of the Council elected to serve for the area covered by the committee and are held in public.

## **8 Standards Committee**

8.1 The Standards Committee is established under the Localism Act 2011.

8.1.1 Members must agree to follow a code of conduct aimed at ensuring high standards in the way they undertake their duties. The Standards Committee, supported by the Monitoring Officer, offers training, advice and support to members on the code of conduct.

## **9 The Council's Staff**

9.1 The Council employs officers to give advice, implement decisions and manage the day-to-day delivery of services. Some officers have a specific duty to ensure that the Council acts within the law and uses its resources wisely. The Protocol on Member-Officer Relations in Part 4C of the Constitution governs the relationship between officers and members of Council.

## **10 The Public's Rights**

10.1 The public have a number of rights in their dealings with the Council. These are set out in more detail in Article 3. Some of these are legal rights, whilst others depend on the Council's own processes.

10.2 Where members of the public use specific council services, as a parent of a school pupil for example, they have additional rights. These are not covered in this Constitution. All members of the public have the right to:

- Vote at local elections if they are registered.
- Contact their local councillor about any matter of concern.
- Examine and purchase a copy of this Constitution.
- Attend meetings of the Council and its committees except where, for example, personal or confidential matters are being discussed.
- Petition the Council under the terms of the Local Government Act 2000 to request a referendum on a mayoral form of executive.
- Collectively with others present a petition to a meeting of the full Council.
- Ask a question, having first given the required notice, at a meeting of the full Council.
- Find out, from the Executive's Forward Plan, what key decisions are to be discussed by the Executive or determined by officers.
- Contribute in the Council's decision-making arrangements by making representations to the appropriate contact officer.
- Be present at meetings of the Executive when key decisions are being discussed or decided.
- See non-confidential reports and background papers, and any record of decisions made by the Council and the Executive.
- Complain to the Council about a range of matters under the Council's complaints procedure.
- Complain to the Ombudsman if they think the Council has not followed its procedures properly. The Council's own complaints procedure should first be followed.
- Complain to the Standards Committee if they have evidence which they think shows that a councillor has acted improperly and not in accordance with the Members' Code of Conduct under the procedure for considering complaints against Councillors.
- Inspect the Council's accounts and make their views known to the Council's external auditor.

10.3 The Council welcomes public participation in its work. A statement of the rights of the public to inspect agenda and reports, and attend meetings is available from the Director of Legal and Governance. Copies of this Constitution are available for inspection at public information points and on the Council's web site: [www.bradford.gov.uk](http://www.bradford.gov.uk).

## 4. FINANCIAL MANAGEMENT

4.1. This section sets out the arrangements the Council has in place to provide good financial management in accordance with the principles of the CIPFA Financial Management Code.

### How does the Council manage its finances?

4.2. Financial management is the responsibility of everyone within the Council.

4.3. All officers and members have a duty to follow the highest standards of probity, stewardship and transparency when dealing with public money. It is important that officers and members are aware of the standards to which they are held accountable in relation to financial management, and the controls that are in place to ensure that these standards are met.

4.4. Budget Holders must manage their income and expenditure in accordance with the agreed budget for their service. Approval by full Council of the Budget serves as authority for expenditure to be incurred as set out therein, and in accordance with these Financial Regulations and supporting policies and guidance. Any changes to this Budget, once approved, require approval from senior officers or elected members in line with the Council's Constitution, Scheme of Delegation and Key Decision-making arrangements as applicable.

### 4.5. Summary of responsibilities in relation to financial management:

Role	Responsibility
<b>Budget Holders</b>	<ul style="list-style-type: none"><li>• Managing income and expenditure in accordance with the agreed budget.</li><li>• Seeking the appropriate approval and authority for any proposed changes to the Budget as previously agreed</li></ul>
<b>All officers and members</b>	<ul style="list-style-type: none"><li>• Following the highest standards of probity, stewardship and transparency when dealing with public money.</li></ul>

### Budget management and control

4.6. Once the Budget is approved by full Council, it must be managed so that Council resources are used for the purposes for which they have been allocated, and that they are properly accounted for.

4.7. Budget management is a continual process which allows the Council to adjust its budget targets throughout the financial year and hold Budget Holders to account in relation to the budgets for which they are responsible.

4.8. The Section 151 Officer is responsible for providing appropriate financial information to enable Budget Holders to manage their budgets effectively. The Section 151 Officer is also responsible for monitoring and controlling the Council's overall expenditure and income against Budget allocations. The Section 151 Officer will report to the Corporate Management Team and quarterly to the Executive Committee on the overall Budget position on a regular (no less frequent than quarterly) basis.

### Delegation of budget management

4.9. Strategic Directors will identify Budget Holders within their departments, and will advise the Section 151 Officer, at least annually, of the officers who have day-to-day responsibility for management of service budgets. All Budget Holders must have received appropriate training on financial management before being given responsibility for a budget and must undertake any further training deemed necessary by the Section 151 Officer.

4.10. Budget Holders will (with support from Strategic Finance Managers) prepare service budgets, manage those budgets to ensure they remain within the authorised limits, maintain forecasts, and monitor and report performance data. Strategic Finance Managers have a duty to report to the Section 151 Officer any significant failure in adherence to these budget management requirements.

4.11. Strategic Finance Managers are responsible for ensuring the completeness and accuracy of the budget and transactional data held in the general ledger.

### Authority to spend

4.12. Allocation or approval of a budget does not create an automatic authority to spend.

4.13. Budget Holders must ensure that appropriate spend and other approvals are sought in accordance with the Council's decision-making governance requirements. This includes but is not limited to the requirements of the Financial Regulations, the Contract Standing Orders and the Delegated Financial Limits.

4.16. Reserves must not be used to fund overspends and the Section 151 Officer must review all planned usage of reserves to ensure that these are not being used to hide or obscure systemic overspends. The Section 151 Officer must report to full Council any areas with inadequate plans to address overspends, and work with the relevant budget holders and service managers to ensure that plans are put in place to tackle overspending through enhanced efficiency, better procurement and commissioning practice, or by more comprehensive service reviews

**Virement**

4.24. Virement is the transfer of budgets within or between Cost Centres. While Budget Holders should generally ensure that spending remains within the budget, there are some circumstances where it is permissible or appropriate to transfer a budget to ensure the most effective use of Council resources.

4.25. The rules set out in this section are intended to enable Budget Holders to manage budgets with an appropriate level of flexibility whilst retaining net expenditure within the Council's approved Budget and Policy Framework.

4.26. The Section 151 Officer is responsible for controlling and administering the virement mechanism in accordance with guidance and limits set by full Council. The Section 151 Officer is also responsible for recording approved virements in the Council's financial systems and reflecting the impact of these in regular monitoring reports to the Executive.

4.27. Unless otherwise stated in these Financial Regulations, no virement or transfer is authorised if it:

- conflicts with the Budget and Policy Framework or the Constitution; or

- conflicts with anything specifically agreed by full Council or the Executive as part of the Budget-setting and delivery process (unless full Council decides otherwise).

4.28. The CIPFA Code of Practice on Local Authority Accounting in the United Kingdom takes precedence over these Financial Regulations in determining how items must be accounted for.

## Prohibited virements

4.29. The following virements are **not permitted**:

- Between revenue and capital budgets.
- Between the HRA and the General Fund
- Between useable and unusable reserves
- Between unusable reserves established for specific legal or financial purposes.

- is consistent with the Council Plan
- does not circumvent the rules on use of earmarked reserves
- is consistent with the Council's accounting practices
- complies with the limits and approval requirements set out below
- is notified to, and approved by, the Section 151 Officer in writing; and
- is correctly identified as either permanent or temporary (in-year).

4.31. If any budget is, or is projected to be overspent, the first call on any virement to rectify that position is through virement of any identified underspends within that same service area.

4.32. Any virement between services must be approved by the Section 151 Officer.

4.33. If the total Budget (General Fund or HRA) is or is projected to be overspent, the first call on any virement of an underspend will be to rectify the overall financial position.

### Revenue virements

4.34. Save as otherwise provided in these Financial Regulations, revenue virement is only possible in the following circumstances:

- to correct any error made in the initial loading of the relevant budget onto the main accounting system
- to reflect the redistribution of budgets following the approval of the budget
- to reflect a structural reorganisation
- to distribute centrally held budgets e.g., growth, savings, inflation
- to reflect the receipt of additional grant or other funding
- to reflect technical adjustments, at the discretion of the Section 151 Officer
- to reflect changes in corporate priorities; and
- to reflect adjustments approved as part of the Budget to utilise or re-allocate existing earmarked reserves.

4.35. **Note** – the movement of budgets within a cost centre, as part of normal budget monitoring will not invoke the formal virement approval process subject to the virement **not** being to pay budgets or adjusting income budgets to maintain the original net budget allocation.

### Capital virements

4.36. Save as otherwise provided in these Financial Regulations, capital virement is only possible in the following circumstances:

5.15. The Chief Executive, Strategic Directors and Assistant Directors are responsible for preparing revenue and capital estimates in accordance with the guidance and timetable issued by the Section 151 Officer.

5.16. The robustness of Budget estimates will be assured by a Strategic Finance Manager who will support Budget Holders to prepare their budgets, and report to the Section 151 Officer any weaknesses or concerns in relation to individual budgets and/or the adequacy of a budget to cover service provision.

5.18. The Medium-Term Financial Strategy brings together the key assumptions about financing resources (including Council Tax, non-domestic rates and general government grants) and spending pressures over the medium to longer term. As a minimum, the Medium-Term Financial Plan should cover a period of three (3) to five (5) years.

5.19. This process enables the Council to:

- better plan service delivery
- identify and manage financial risks
- inform service standards, performance targets and priorities
- monitor and control the way resources are allocated and spent
- ensure that the Council's objectives are met
- secure and improve value for money, and
- inform the setting of financial targets.

5.20. The Medium-Term Financial Strategy underpins the annual Revenue Budget and Capital Programme, which give authority to Budget Holders to incur expenditure in line with agreed Council plans.

5.21. It is the responsibility of the Section 151 Officer to ensure that reports are presented to Executive, that cover not just the Budget setting process for the forthcoming financial year, but also on the Council's medium-term financial prospects, anticipated resource constraints, and expected changes to pay, prices, and borrowing costs.

5.22. Detailed processes for the preparation of the Medium-Term Financial Strategy, Revenue Budget and the Capital Programme shall be issued by the Section 151 Officer. These will take into account:

- the need for the Council to demonstrate value for money, efficiency and effectiveness in current services and proposals for change

- the Council's key priorities as set out in the Council Plan
- expected available funding
- projected borrowing costs
- maintenance and repair costs associated with the current asset portfolio
- property condition surveys and maintenance backlog requirements
- health and safety considerations
- other legal requirements
- estimated useful lives of existing assets and replacement needs.

5.26. A Capital Strategy supports the development of a Capital Programme that is affordable, prudent, and sustainable while giving due consideration to risk, reward and delivery of the Council Plan.

## Capital Programme

5.27. The Capital Programme is the capital budget approved by the Council for the forthcoming Financial Year together with:

- an indicative programme of capital schemes for subsequent financial years, and
- details of how the proposed capital budgets are to be funded.

5.28. All associated financial implications of the Capital Programme must be reflected in the Revenue Budget in terms of future interest charges and debt costs. The Section 151 Officer will ensure that a prudent Minimum Revenue Provision is set aside. The Section 151 Officer will ensure that all requirements under the Prudential Code are met, and that Prudential Indicators are maintained.

5.29. The Chief Executive, Strategic Directors and Assistant Directors will, with support from Finance and in accordance with guidance set by the Section 151 Officer, prepare capital schemes for inclusion in the Capital Programme.

5.30. Strategic Finance Managers will support Budget Holders to manage capital schemes and deliver them within the agreed Capital Programme. They will report to the Section 151 Officer any concerns in relation to the delivery and/or budget of any capital scheme.

5.31. Capital schemes will only normally be added to the Capital Programme as part of the annual Budget setting process. It may be necessary to add new schemes if a significant Health and Safety risk is identified, or new legal requirements, but these must be accommodated by reprofiling existing schemes in the programme rather than by entering into unplanned borrowing.

5.32. Capital schemes must be removed from the budget if changing circumstances mean they are no longer a priority for the Council, or become unaffordable in terms of borrowing costs, debt charges or ongoing revenue implications.

## 5.33. Summary of responsibilities in relation to the Capital Programme:

- a) to ensure that the annual budget for their HRA avoids a deficit;

5.40. Treasury Management shall be carried out by the Section 151 Officer in accordance with the CIPFA's Code of Practice on Treasury Management (2021), which requires that the Council has in place:

- the mid-year outturn Treasury Management Report,

all of which will be subsequently presented to and approved by full Council.

5.42. All Council money including the pension fund (excluding cash controlled by schools under delegated budgets) shall be under the control of the Section 151 Officer, who shall put appropriate arrangements in place to ensure that:

- Operational cash flows are managed effectively
- The Council has sufficient cash available to meet its financial obligations in full as they fall due

The Section 151 Officer will maintain a reserves strategy to ensure that there are clear protocols for the establishment and use of reserves.

5.46. A general reserve is maintained to cover unforeseen strategic, operational and financial risks. Earmarked reserves are held for specific spending commitments and to cover identified future financial risks.

5.47. The creation of, or addition to, any reserve will be subject to the approval of the Executive on the recommendation of the Section 151 Officer. This approval will usually take place as part of the budget setting process. For each reserve established, the purpose, usage (including the timeframe for usage) and basis of transactions will be clearly set out.

5.48. The withdrawal of funds from a reserve will require the approval of the Section 151 Officer and shall be applied for the purpose for which the reserve was established. In the case of balances held by schools, the relevant board of governors is responsible for giving authorisation.

5.49. The level and usage of reserves will also be reviewed by the Section 151 Officer at Budget during accounts closure.

5.50. The Section 151 Officer will develop and maintain a reserves strategy and advise on prudent levels of reserves and balances for the Council. In developing a reserve strategy, the Section 151 Officer will ensure that the level of reserves:

- includes adequate levels of unallocated reserves to cover overspends and contingencies

5.55. The Section 151 Officer will keep fees and charges under periodic review and will refer any in-year revisions to the Executive for approval, as required. Budget Holders will be required to review fees and charges as part of the Budget-setting process each year and will be provided with guidance about the relevant assumptions and requirements that must be applied when undertaking this review. All proposed changes to fees and charges must be discussed and agreed with the Strategic Finance Manager prior to implementation.

5.56. Any changes to fees and charges will usually be implemented as part of the budget-setting process and a full list of current fees and charges will be published on the Council's website. The Section 151 Officer will update the Medium-Term Financial Strategy to reflect current assumptions applicable to future fees and charges income.

## 6. CORPORATE GOVERNANCE, RISK MANAGEMENT AND INTERNAL CONTROLS

### 6.1. This section sets out the Council's arrangements for the management of risk, and internal control (including Internal Audit).

#### Corporate Governance

6.2. Corporate Governance is about how the Council ensures that it is doing the right things, in the right way, for the right people, in a timely, inclusive, open, honest, and accountable manner. It comprises the systems, processes, cultures, and values, by which the Council is directed and controlled and through which it accounts to and engages with the community.

6.3. Corporate Governance in public bodies can be defined as “the framework of accountability to users, stakeholders and the wider community, within which organisations take decisions and lead and control their functions to achieve their objectives”. It can be further defined as including “robust systems and processes, effective leadership and high standards of behaviour, a culture based on openness and honesty and an external focus on the needs of service users and the public”.

6.4. CIPFA and SOLACE have produced the Delivering Good Governance in Local Government guidance [Delivering Good Governance in Local Government Framework 2016 | CIPFA](#) which provides a framework for local authority governance and identifies the principles that should underpin governance at each local authority and offers a structured approach to assist individual authorities to achieve good governance and to assess the arrangements currently in place.

6.5. The framework consists of seven principles:

- behaving with integrity, demonstrating strong commitment to ethical values, and respecting the rule of law
- ensuring openness and comprehensive stakeholder engagement
- defining outcomes in terms of sustainable economic, social and environmental benefits
- determining the interventions necessary to optimise the achievement of the intended outcomes
- developing the organisation's capacity, including the capability of its leadership and the individuals within it
- managing risk and performance through robust internal control and strong public financial management

- implementing good practices in transparency, reporting and audit to deliver effective accountability

- 6.6. The Council has adopted a Code of Corporate Governance which incorporates these principles and sets out the systems and processes, culture and values that form its governance framework.
- 6.7. The Council will review its governance arrangements on an annual basis to test its governance structures against the principles set out in the CIPFA / SOLACE guidance, and to assess how well the arrangements it has put in place are operating in practice.
- 6.8. The Council is required to publish an Annual Governance Statement that explains how the effectiveness of the framework of governance has been evaluated and where any weaknesses or areas of improvement have been identified.
- 6.9. The annual governance review process will involve staff from all Council functions and spending departments, as directed by the Section 151 Officer each year. The purpose of this annual governance review is ultimately to underpin preparation of the Annual Governance Statement but also to help Senior Management to assess the adequacy and effectiveness of the internal control, risk management and governance arrangements in place. Part of this review process will include an assessment of these Financial Regulations and levels of compliance with them.

## Achieving Best Value

6.11. To help deliver its ambitious goals and work towards becoming a self-sufficient council, and in accordance with Best Value principles, the Council has adopted a business-like mind-set, with a focus on developing and embedding commercial expertise and a culture that supports streamlined policies and procedures and seeks new business opportunities where these are consistent with the Council Plan and best value.

6.12. The duty of Best Value means the Council must have arrangements to secure continuous improvement in the way in which its functions are exercised, having regard to a combination of economy, efficiency and effectiveness. It does this in practice by making every penny count, removing unnecessary bureaucracy, and drives the organisation forward by seeking out best practice and questioning established ways of doing things.

6.13. Achieving Best Value must be considered at all times when making decisions and delivering services, including:

- Embedding value for money into everything the Council does.
- Considering the whole life cost and risk impact of decision making, including assessment of the market and benefits realised.
- Improving service delivery by reducing costs and streamlining processes.

- Benchmarking costs and performance to ensure value for money.
- Maximising value for money.

6.15. Internal control refers to the systems of control designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies and objectives.

6.16. The Section 151 Officer is responsible for advising on effective systems of internal control. These arrangements need to ensure compliance with the law and proper standards. They should ensure that the Council's funds are safeguarded and properly accounted for.

6.17. It is the responsibility of Strategic Directors / Assistant Directors to establish sound arrangements for planning, appraising, authorising and controlling their operations in order to achieve continuous improvement, economy, efficiency and effectiveness and for achieving their financial and operational performance targets.

6.18. A system of robust but proportionate internal control is essential to ensure the economical, efficient, and effective use of the Council's resources and that our assets, interests and officers are appropriately safeguarded and transparent.

6.19. The Council faces a wide range of financial, administrative, and commercial risks, from both internal and external sources, that can threaten the achievement of its objectives. The system of internal control is in place to counter those risks.

## Risk Management

6.22. The Council is committed to the successful delivery of services and outcomes to our stakeholders as detailed in our Council Plan <https://www.bradford.gov.uk/council-plan/council-plan/> and as such it is essential that robust, integrated systems are developed and maintained for identifying and evaluating all significant strategic and operational risks to the Council. Effective risk management should include the proactive participation of all those associated with planning and delivering services, and should address financial, legal, and reputational risks as well as strategic and operational issues.

6.23. Inevitably, there will be threats to the delivery of services, concerns about what the future holds and operational issues that arise. The aim of managing these threats, concerns and issues (risks) is to ensure that they are identified, managed, and mitigated, therefore providing assurance that everything is being done to reduce any potential negative or adverse outcomes to acceptable levels.

6.24. It is not the Council's intention to be risk averse, and it is recognised that certain risks taken in pursuit of objectives will not always be capable of mitigation to the agreed, or indeed, acceptable levels. However, it is essential to understand and communicate such risks across the Council and to keep them under regular review.

## Council-Owned Companies

8.10. The Council has various statutory powers to enable it to set up a company or companies, which may take various forms. This section refers to Council-owned Companies but applies equally to any vehicle the Council may incorporate or otherwise establish under its statutory powers, both existing entities and those in which it may participate in the future.

8.11. Any Council-owned Company must be managed effectively, and the Council must ensure that any Council-owned Company delivers the objectives for which it was established. There must also be transparent and robust governance in place for any Council-owned Company so that the Council has effective and appropriate oversight of its activities.

8.12. Before setting up a Council-owned Company, the Council should take the following factors into consideration:

- the legal form the Council-owned Company will take
- a realistic assessment of all potential risks
- how relevant procurement legislation will apply, including the Teckal exemption
- how and when the Council-owned Company will be incorporated and registered

- the provisions of the Council-owned Company's articles of association
- how, and in what circumstances, the Council will exit the Council-owned Company in the future
- who the directors of the Council-owned Company will be, including how the Council will be represented on the board
- the shareholder arrangements for the Council-owned Company
- the reporting and monitoring arrangements for the Council-owned Company; and
- the business case and the business plan for the Council-owned Company, setting out its alignment with the Council's objectives, and the potential financial impact of the Council-owned Company (including the amount and timing of any financial support it will require).

8.13. Decisions and recommendations in relation to Council-owned Companies should be made by reference to the principles set out below:

#### Integrity and accountability

8.14. The Council should ensure that its Council-owned Company procedures operate in a way that protects the commercial interests of the Council-owned Company while ensuring that the Council can carry out its functions as an investor, as a trustee of public funds and as a Council committed to due responsibility for the exercise of its functions. The Council should also ensure that Council-owned Companies are managed in a way that seeks to avoid and/or mitigate exposure to unnecessary financial risk or to unexpected financial outlays.

In addition:

- decisions should be based on complete and accurate consideration of Council-owned Company business plans or proposals
- the social and financial benefits and returns in relation to the Council-owned Company should be evaluated in line with the business plan
- the Overview and Scrutiny Committee(s) must be able to exercise their powers in relation to decision making in respect of Council-owned Companies; and
- any requests for additional funding should be subject to the Council's usual authorisation requirements as set out in the Scheme of Delegation and the Financial Regulations.

#### Controls and freedoms

8.15. A Council-owned Company needs to have sufficient freedom that it can achieve its objectives. However, this needs to be balanced against the need for the Council to retain sufficient control to ensure that:

- its investment is protected
- appropriate social and financial returns on investment can be achieved in line with the Council-owned Company's business case and business plan
- activities of the Council-owned Company are conducted in line with the values of the Council; and
- activities undertaken by the Council-owned Company do not expose the Council to financial risk.

### Councillors

8.16. Councillors have an important role to play in the governance of Council-owned Companies. The Council should ensure that Councillors are provided with sufficient training (at induction, and on an ongoing basis) so that they understand their role in relation to Council-owned Company governance.

8.17. Councillors should be mindful of:

- their legal duties
- stewardship of assets
- the provisions of a Council-owned Company's governing documents
- the external environment; and
- the structure of the Council and how Council-owned Companies fit within it.

8.18. Councillors should consider these issues in their various roles, including as Members of the Council, Executive Members, Overview and Scrutiny Committee members / chairs, members of the Shareholder Committee, and as directors of a Council-owned Company board (as appropriate).

### Officers

8.19. Officers should also be aware of Council-owned Company governance and should ensure that it is complied with effectively and that the Lawyers in Local Government Code of Practice and the CIPFA local authority owned companies good practice guide are followed. The Section 151 Officer will provide monthly financial report packs including cash flow and P&L forecasts to the Senior Leadership Team for their review.

8.20. Where Officers are appointed as Board members of a Council-owned Company, they should be made aware of the potential for conflicts of interest and how this can be avoided. Before accepting any Board member appointments, Council Officers should ensure that they have:

- appropriate levels of relevant expertise and experience
- sufficient time capacity to undertake the role effectively
- sufficient knowledge and understanding of the content of the Financial Regulations to enable them to perform the role in line with the governance principles they contain; and
- sufficient authority to make decisions on the Council's behalf.

#### Decision-making

8.21. Roles and responsibilities of all parties connected with a Council-owned Company need to be clearly defined, and clear decision-making processes should be put in place.

8.22. The creation of any new Council-owned Company (including a subsidiary of an existing Council-owned Company), or a significant change in the purpose of an existing Council-owned Company is a Key Decision and will require a business case. The relevant Executive member will be consulted on the development of the business case, which must be approved in accordance with the executive decision-making provisions in this Constitution.

8.23. The Council is the shareholder (i.e., the owner) of each Council-owned Company. The Shareholder can appoint a representative (usually the Chief Executive or a Strategic Director) to attend general meetings of Council-owned Companies. The Council's representative may vote on behalf of the Council (as Shareholder) at any meeting of the Council-owned Company board, based on a direction of the Shareholder Committee.

8.24. The Council has a Shareholder Committee that receives reports in relation to Council-owned Companies and the Shareholder Representative for any Council-owned Company will report to this Committee. It is also the primary decision-making body in relation to Council-owned Companies on behalf of the Council.

8.25. Reserved matters (i.e., matters reserved for decision by the Council) are approved by the Shareholder or Shareholder Committee or referred to Executive or the Leader (as appropriate). Reserved matters should be recorded in a Council-owned Company's articles of association or shareholder agreement.

8.26. Decisions on reserved matters follow the Council's executive decision-making processes. The process for approving and recording decisions relating to reserved matters should be defined in the relevant shareholder agreement and should be consistent across all Council-owned Companies as far as possible.

8.27. Decisions on reserved matters relating to companies in which the Council has an interest but is not the sole shareholder, will be taken in the same manner as for wholly owned Council-owned Companies. Where the Council is not the sole shareholder of a company, a decision in relation to that company is subject to the consent of its other shareholders and shall be governed in accordance with the provisions of the relevant shareholder agreement.

#### The board

8.28. Each Council-owned Company will be governed by a formally constituted board which is tasked with delivering the shareholder's objectives and keeping the shareholder informed about strategic and key operational matters.

8.29. The appointment and dismissal of Council-owned Company directors (including non-executive directors) is a reserved matter for the shareholder(s). Directors are responsible for the management of the business of the Council-owned Company, except reserved matters.

8.30. The Council must ensure that the directors appointed to the board have appropriate knowledge and expertise, including specialist knowledge where required. Directors should be provided with appropriate training before taking up their posts, and on an ongoing basis, and should be made aware of their personal risk in acting as a director. Training should cover:

- the requirements of the Shareholder(s) and the relevant company documents and policies
- the requirement for Directors to make an annual statement of compliance and assurance against an original list of documents (updated as required)
- the expected time commitment per annum and fees if applicable (non-executive directors)
- the code of conduct, confidentiality and data usage for Directors
- a declaration of other interests at appointment and through the register of interests and at meetings of the Board; and
- the duties of Directors, reminding them to act in the best interests of the company.

8.31. Board meetings should be held at regular intervals to ensure that the Council-owned Company is run effectively.

8.32. To avoid excessive churn of directors, consideration should be given to whether non-executive Directors will be remunerated and/or asked to commit to a minimum term.

## Scrutiny

8.33. The Overview and Scrutiny Committee(s) are responsible for scrutiny of decisions made in relation to Council-owned Companies and can make recommendations to Executive on Council-owned Company-related matters. Decisions relating to Council-owned Companies are subject to the Call-in processes outlined in Part 1 Section 6 of the constitution.

8.34. Overview and Scrutiny Committees can invite Council-owned Company representatives to attend meetings to provide information to support the scrutiny of Executive. This does not extend to scrutiny of the Council-owned Company and its performance.

## Conflicts of Interest

8.35. A Council-owned Company's conflicts of interest policy must:

- provide a definition of conflicts of interest
- state the Council-owned Company's commitment to addressing the issue of conflicts of interest
- define the nature of conflicts of interest risk in the Council-owned Company and set out clearly the actions or behaviours that individuals are expected to follow, or avoid
- set out staff and directors' obligations in relation to the conflicts of interest policy
- set out guidance for identifying conflicts of interest that may arise and arrangements for reporting them
- set out a process for managing conflicts of interest, including responsibilities for decision-making and the decision-making criteria
- establish a mechanism for recording interests that can commonly give rise to a conflict; and
- set out the consequences of non-compliance with the policy, e.g., disciplinary action.

## Client-side management

8.36. Where a Council-owned Company delivers services to the Council, the shareholder relationship will be insufficient to oversee the day-to-day activities of the Council-owned Company and there should be client-side arrangements in place to manage that relationship. This should include mechanisms for:

- monitoring of contract(s) between the Council and the Council-owned Company

- service level agreements setting out the services to be delivered, applicable KPIs, other performance measures, and performance management arrangements; and
- memoranda of understanding between the Council and the Council-owned Company setting out the respective responsibilities and obligations of each party.

### Access to information

8.37. Decisions on reserved matters are made by Executive or the Leader and are covered by the Access to Information Procedure Rules. [FOI and EIR Policy.pdf](#)

8.38. Documentation relating to a Council-owned Company (see below), and details of the individuals who sit on the board and the company's shareholders are accessible by Councillors and members of the public, unless it contains exempt or confidential information.

### Documentation

8.39. Each Council-owned Company must maintain a strong controls framework with adequate financial records which meet appropriate company standards. Each Council-owned Company should have the documents set out below:

- business case assessing the risks and benefits involved in the creation of the Council-owned Company
- articles of association setting out the Council-owned Company's constitution
- shareholder agreement setting out the rights of the shareholder(s) and how those rights can be exercised
- funding agreement setting out what financial assistance is to be provided by the Council to the Council-owned Company and on what terms
- business plan which should be forward looking and set out what the Council-owned Company will do, and the objectives of the business and how they are to be achieved; and

8.40. Each Council-owned Company should provide, as a minimum, the following reports to the Council:

- general meeting agenda and summary or meeting discussions and decisions
- monthly performance reports

- monthly management accounts; and
- year-end financial statements.

8.41. The Council has a responsibility to maintain a watching brief over a Council-owned Company's activities to ensure that they are in line with the business plan and the company's objectives.

8.42. The Section 151 Officer should liaise with limited company external auditors to ensure that:

- year-end accounts are produced in line with the Council's statutory reporting requirements and the timetables produced by Council to support year-end close
- year-end accounts are produced in a format which is consistent with the Council's own financial reporting framework, for the purposes of consolidation and review; and
- transactions and balances between the Company and the Council are clearly identified.

#### Changing the nature of a Council-owned Company

8.43. The board of a Council-owned Company must gain the approval of the Council before making pursuing any an opportunity to diversify or grow in a way that changes its scope and is not in accordance with its mandate. Such changes could include:

- change of use / scope
- change in investment / returns / yield
- change to company constitution
- change to risk profile
- change of ownership or share of ownership
- sale or divestment; and/or
- wind-up.

8.44. Such opportunities should be considered on their own merit and will require a business case. The Board should consider any impact on existing governance arrangements and set this out for the Council following a process set by the Council.

8.45. The Council-owned Company's purpose must remain aligned with the Council's overall strategy. Where this is not the case, the company may require a constitutional change to realign objectives and, where this is not possible, consideration must be made as to its future.

## Reviewing Council-owned Company arrangements

8.46. Council-owned Company arrangements should be kept under regular review by the Council to ensure that they are operating effectively and remain fit for purpose. The Shareholder Committee should report to full Council quarterly on the activities being carried out by Council-owned Companies and how these activities are meeting the Council's objectives.

## **West Yorkshire Pension Fund**

## 1 Introduction

- 1.1 The purpose of Contract Standing Orders (CSO’s) is to set clear rules by which the Council spends money on works, goods and services. The rules apply to any Contract entered into by the Council. The procurement process covers the full life cycle of activities starting with the identification of need, through to evaluation, purchasing and contract management. Procurement activity can range from purchasing day to day commodities to purchasing key strategic items such as large capital assets, or commissioning a service or buying an entire service.
- 1.2 Public procurement must be undertaken in accordance with principles enshrined in Procurement Regulations or Procurement Act (as applicable). Unless a direct award justification applies in accordance with Section 41 of the Act, the Council must always act to promote competition and to ensure that each procurement is conducted as an open, transparent and fair competition. The Council must avoid practices which may restrict or distort competition.
- 1.3 All values quoted in these CSO’s are inclusive of Value Added Tax (VAT). Please refer to Bradnet for further details.
- 1.4 Any dispute or difference as to the interpretation of these CSO’s shall be resolved by the Director of Legal and Governance.
- 1.5 The Chief Financial Officer shall undertake a formal review of these CSO’s on an annual basis which will be reported to the Governance and Audit Committee.

### *Procurement Legislation*

- 1.6 Throughout these CSO’s references are primarily made to the Procurement Act, which will apply to procurements commenced on/after 24 February 2025 (or such later date as may be specified in secondary legislation). Procurements commenced (and Contracts awarded) before this date will need to be in accordance with the Procurement Regulations and Transitional Regulations as applicable. Where there is any doubt as to the applicable procurement regime for a Contract, Officers must seek advice from the Head of Procurement as appropriate.

- 1.7 Officers must familiarise themselves with and comply with these CSO's and any other policies, guidance, Technical Guidance and relevant legislation including (but not limited to) the Public Contracts Regulations 2015, Concession Contracts Regulations 2016, Utilities Contracts Regulations 2016, Health Care Services (Provider Selection Regime) Regulations 2023, Procurement Act 2023 (Commencement No.3 and Transitional and Saving Provisions) Regulations 2024 where appropriate.
- 1.8 These Contract Standing Orders apply to West Yorkshire Pension Fund (WYPF) to the extent necessary to ensure compliance with the law.

## **2 Compliance with CSO's**

- 2.1 Failure to comply with these CSO's can result in disciplinary action against the Officers concerned.
- 2.2 All Appropriate Officers are responsible for ensuring compliance by their staff and shall report all breaches of these CSO's to the Chief Financial Officer and complete a CSO Form which is available on Bradnet. All instances of non-compliance will be recorded by Procurement Services and be reported to Strategic Directors on a quarterly basis.
- 2.3 Every Contract made by or on behalf of the Council for works, goods and services and all Council employees engaged to act in any capacity to manage or supervise a Contract must comply with (as applicable);-
  - a) Procurement Act (and, where applicable the Regulations)
  - b) Procurement Regulations
  - c) Provider Selection Regime where the Contract concerns health care services
  - d) All relevant statutory provisions including the competition law and public services legislation (e.g. Public Services (Social Value) Act 2012, Care Act 2014)

The Council's Employee Code of Conduct must be followed at all times. Similarly, Members shall ensure that the Members' Code of Conduct is followed at all times and that all procurement activity which is undertaken has regard to high standards of probity and in a manner which avoids any conflict of interest.
- 2.5 In applying these CSO's, all Officers shall have regard to the duty of Best Value under the Local Government Act 1999.

- 2.6 An Appropriate Officer may permit, with limitations, other Officers to authorise orders and Contracts in their own names on behalf of the Council. Any orders or Contracts made shall remain the responsibility of an Appropriate Officer. Appropriate Officers must maintain an up to date record of Authorised Officers and submit a copy of the list to the Chief Financial Officer on an annual basis at the commencement of the financial year. An executed copy of the contract shall be sent to the CSO email address together with the appropriate completed CSO Form to add to the Contracts and Grants Register.
- 2.7 The Chief Financial Officer may delegate some, or part of their responsibilities set out in these CSO's to Officers in their service area. A written record of this delegation should be kept for transparency and audit purposes.
- 2.8 All expenditure must be approved in advance by the Council's £500+ Spending Panel. All orders for works, goods or services must be placed using the Council's approved systems in advance of the invoice being received and coded to the appropriate account codes. An official Council purchase order must be provided to the Supplier prior to the commencement of the Contract. Suppliers must be informed that all invoices should be sent direct to the Council's Accounts Payable team for processing.
- 2.9 Miscellaneous payments must only be used where the payment is not as a result of a purchase (for example a refund or grant payment). Miscellaneous payments must not be used to:

- 2.11 These CSO's must be used, other than in exceptional circumstances which must be authorised in writing by either the Chief Financial Officer and the Director of Legal and Governance after considering a report by an Appropriate Officer. The Appropriate Officer must retain written reasons of the decision.
- 2.12 Authorisation under Standing Order 2.11. will be reported to the Governance and Audit Committee by the Head of Procurement on an annual basis.
- 2.13 There are various types of Exempted Contracts set out in the Procurement Regulations (as applicable) and Schedule 2 to the Procurement Act, which are exempt from the (applicable) public procurement rules and which these CSO's also do not apply to which include (but are not limited to):
  - a) Vertical arrangements – where the Council contracts with a Controlled Entity and the Controlled Entity performs more than 80% of its activities on behalf of the Council. As an example, this could include a local authority trading company that the Council has established on its own or with other Contracting Authorities;

- b) Horizontal arrangements – where two or more Contracting Authorities enter into an arrangement to achieve common goals in connection with their public functions that are solely in the public interest and no more than 20% of the activities of that arrangements are intended to be carried out for reasons other than for the purposes of their public functions as set out in Schedule 2(3) of the Procurement Act. As an example, this could include local authorities working to fulfil their waste disposal functions jointly;
- c) Contracts for the acquisition of land, buildings or any right over them;
- d) Contracts for financial services;
- e) Contracts of employment; and
- f) Contracts for arbitration, mediation or conciliation services or those matters identified in the Procurement Act as “exempt legal services. Note: no legal services shall be procured without the written approval of the Director of Legal and Governance.

### **3 Social, Economic, Environmental and Ethical Considerations**

- 3.1 In formulating proposals for a Contract, the Authorised Officer must consider the Public Services (Social Value) Act 2012, National Procurement Policy Statement and follow requirements set out in the Council’s Social Value Policy.
- 3.2 Where appropriate and always subject to Procurement Regulations or the Procurement Act (as applicable) and CSO 7, the Authorised Officer should consider that all requests for Tenders or Quotes are framed in such a way as to encourage (where relevant) Local Suppliers, small and medium sized companies (SME’s) and third sector organisations such as social enterprises to bid. This must include consideration of Section 12 of the Procurement Act in relation to SMEs and the barriers they face with regard to participation and consideration of whether it is appropriate to divide the Contract into lots in accordance with CSO 7.7.

### **4 Procurement Plans**

- 4.1 After Council has agreed the Council’s budget and before commencement of the financial year the Authorised Officer must prepare and maintain an annual procurement plan for all procurements of works, goods or services to be undertaken in the forthcoming financial year, having regard to CSO 4.4 and CSO 4.5.
- 4.2 Procurement plans must be sent to the Chief Financial Officer in order that they can publish a Council wide procurement plan on the Council’s website prior to the start of the financial year in line with the National Procurement Policy Statement.

#### *Planned Procurement Notices*

- 4.3 The Council must publish a Planned Procurement Notice to give Suppliers advance notice of an upcoming procurement opportunity in accordance with Section 15 of the Procurement Act.

## **5 In-House Services and Existing Arrangements**

- 5.1 In all instances the procurement of works, goods or services should be done through existing approved arrangements where they exist and are suitable. Information relating to the above arrangements will be published regularly on Bradnet and may include:

### *In-house Provision*

- 5.2 The Council must seek to use its own resources first. Where the Council has an in-house provision and the estimated Contract Value is less than the relevant Threshold external Suppliers can only be used when the Appropriate Officer providing such in-house provision confirms that they are unable to meet the requirements due to insufficient resources, skills or capacity.
- 5.3 If the estimated Contract Value is more than the relevant Threshold the Appropriate Officer providing such in-house service may also be required to clearly demonstrate that they provide Best Value.

### *Corporate Contracts, Frameworks, DPS' or Dynamic Markets awarded/established by the Council*

- 5.4 The use of Council Corporate Contracts / Frameworks /DPS'/Dynamic Markets established by the Council shall be considered in the first instance in consultation with the Head of Procurement for all works, goods and services that have been included in the scope of those arrangements.
- 5.5 Information relating to the above arrangements will be published regularly on Bradnet.
- 5.6 Any requirement to procure IT products or services must first be referred to IT Services within the Council's Corporate Resources (IT Services) via completion of the IT Requirements form. No procurement can take place without the completion of this form and without reference to the Spending Panel and the Procurement Panel as appropriate. The information captured in the IT Requirements form enables IT Services to ensure that the identified products or services align with the Council's IT Strategy, Enterprise Architecture Principles and Security policies, whilst also supporting the commissioning teams with the delivery of these products/services.

This also applies to all cloud-based solutions, as they too must be implemented in collaboration with IT Services to ensure compliance with organisational security standards. This includes Cloud Hosted Questionnaire (CHQ) completion, assurance against the Cyber Assessment Framework (CAF) and adherence to National Cyber Security Centre (NCSC) requirements, assuring that data protection, risk management, and the alignment with best practices across all cloud services.

- 5.7 Any requirement to procure marketing or communications products or services must first be referred to the Marketing and Communications Team in the Office of the Chief Executive to ensure these products or services align with the Council's marketing and communications strategy, and associated policies.
- 5.8 Where an existing arrangement or in-house service exists and the Officer is seeking to procure outside of these arrangements the Officer must consult with the Head of Procurement. The Authorised Officer is required to maintain a documented audit trail to demonstrate the correct approval has been obtained to procure outside of these existing arrangements or in-house service.
- 5.9 Other arrangements should be considered and used where it can be evidenced that they provide Best Value:
  - a) Contracts, Frameworks, or DPS' or Dynamic Markets established by Centralised Procurement Authorities (Crown Commercial Services, YPO etc.) or other public bodies
  - b) Collaborative or shared service arrangements with another public body
  - c) Alternative delivery vehicles such as Controlled Entities Reserving contracts to Supported Employment Providers and Qualifying Public Service Mutuals in accordance with Sections 32 and 33 of the Procurement Act.

## **6 Estimating Contract Values**

- 6.1 The method for determining the estimated total value of a Contract must be calculated in accordance with Section 4 and Section 5 as appropriate and Schedule 3 of the Procurement Act as summarised below.

- 6.2 Estimates should be prepared in advance of inviting Tenders or Quotations.

### *General Contracts*

- 6.3 The Estimated Value shall be calculated as the maximum amount the Council could expect to pay under the Contract, including where applicable, amounts already paid.
- 6.4 The estimated amount the Council could expect to pay includes (but is not limited to) the following:
  - a) The value of any goods, services or works provided by the Council under the Contract other than for payment;
  - b) amounts that would be payable if an option in the Contract to supply additional goods, services or works were exercised;

- c) amounts that would be payable if an option in the Contract to extend or renew the term of the Contract were exercised;
- d) amounts representing premiums, fees, commissions or interest that could be payable under the Contract; and
- e) amounts representing prizes or payments that could be payable to participants in the procurement.

### *Frameworks*

6.5 The Council must estimate the value of a Framework as the sum of the Estimated Values of all the Contracts that have or may be awarded in accordance with the Framework.

6.6 Where a Framework awarded under an Open Framework is concerned the Estimated Value of the Framework is to be treated as including the value of all frameworks awarded, or to be awarded, under the Open Framework.

### *Concession Contracts*

6.7 The Council must calculate the Estimated Value of a Concession Contract as the maximum amount the Supplier could expect to receive under or in connection with the Contract including, where applicable, amounts already received.

6.8 The amount a Supplier could expect to receive includes (but is not limited to) the following:

- a) amounts representing revenue (whether monetary or non-monetary) receivable pursuant to the exploitation of the works or services to which the contract relates (whether from the Contracting Authority or otherwise);
- b) the value of any goods, services or works provided by the Contracting Authority under the contract other than for payment;
- c) amounts that would be receivable if an option in the contract to supply additional services or works were exercised;
- d) amounts that would be receivable if an option in the contract to extend or renew the term of the contract were exercised;
- e) amounts representing premiums, fees, commissions or interest that could be receivable under the contract;
- f) amounts received on the sale of assets held by the Supplier under the contract.

6.9 Officers must ensure that estimated values of Contracts must **not** be artificially split (disaggregated) in an attempt to circumvent the application of these CSO's, relevant Procurement Regulations, Procurement Act other legislation or the requirements of the Council's Constitution. Requirements must be calculated based on all Council spend (i.e. the corporate requirement rather than an individual service area's need). However, see CSO 7.7 on the duty to consider lots.

6.10 Where a proposed procurement includes a mixture of works, goods or services the procedure followed shall be based on the provision that characterises the main subject of the Contract in question in accordance with Section 5 of the Procurement Act.

6.11 Where a proposed procurement involves different categories/types of Contract, i.e. Concession Contract, Utilities Contract or Light Touch Contract, the classification of that Contract will need to be considered in accordance with Section 10 of the Procurement Act.

## 7 Pre-Procurement Requirements

7.1 All procurement processes and documentation will be proportionate to the total value of the Contract and the nature of the works, goods or services.

7.2 Before commencing procurement activity for all Contracts valued from £500 or more, the Authorised Officer must seek approval of the £500+ Spending Panel. The approved report shall be attached to the Contracts & Grant Register record.

7.3 Before commencing procurement activity for Contracts valued at £30,000 and above the Authorised Officer must also undertake the following:

- a) Provide a signed CSO Form to the Council's Procurement Panel to ensure scrutiny is given to proposed spend, procurement routes and the service's requirements; and
- b) all reports shall be reviewed by the Procurement Panel prior to the panel meeting

7.4 For clarity, preliminary market engagement, as described at CSO 7.5 can be carried out prior to approval being obtained. Please refer to Bradnet for further details.

### *Market Engagement*

7.5 Carry out, where appropriate, preliminary market engagement with the market (including talking to Suppliers, clients and other stakeholders) to understand the availability, strengths and weaknesses of markets and to develop the specification and the Best Value procurement and contractual approach. Pre-engagement with the market must be done in accordance with Section 16 of the Procurement Act in such a way that ensures the subsequent procurement process remains open, fair and transparent with no Supplier gaining an unfair advantage which would distort competition.

7.6 Advice must be sought from Procurement Services where preliminary market engagement is proposed to be undertaken and the requirement to publish a Preliminary Market Engagement Notice in accordance with Section 17 of the Procurement Act.

### *Duty to consider lots*

7.7 The Council must also consider, before publishing a Tender Notice, whether the goods, services or works to be supplied under the Contract could be reasonably supplied under more than one contract and whether such contracts could be awarded by reference to lots in accordance with Section 18 of the Procurement Act.

### *Route to Market*

7.8 Consider the most appropriate route to market including whether a Framework DPS or Dynamic Market or Electronic Auction is appropriate and would deliver Best Value seeking advice from the Head of Procurement where necessary.

### *Specification Development*

7.9 Be satisfied that a written and clear specification has been prepared which will form the basis of the Contract. Specifications will need to be prepared in accordance with Section 56 of the Procurement Act.

### *Risk Assessment*

7.10 For all Contracts with an estimated Contract Value of more than the Threshold for goods and services, or works, or where there is a significant supply risk (identified using a procurement risk assessment form available on Bradnet) a documented risk log must be maintained by Officers.

7.11 Any Officer conflict of interests should be dealt with as part of the risk assessment process and in accordance with Sections 81-83 of the Procurement Act.

### *Equality and Diversity Implications*

7.12 Consider at the outset any equality and diversity implications that may require an equality impact assessment to be undertaken. An equality assessment should be undertaken whenever the Council is:

- proposing or developing a new policy, strategy, practice, service or function;
- reviewing an existing policy, strategy, practice, service or function;
- decommissioning, ceasing or removing a policy, strategy, practice, service or function.

7.13 The equality assessment should be proportionate to the change in question and may simply lead to a conclusion of no impact with a supporting statement explaining why. Alternatively, a more comprehensive assessment might be required through completion of an Equality Impact Assessment form, which is published on Bradnet.

### *Service Transfer or Strategic Partnership Development*

7.14 Before commencing any process for procuring Contracts, which involves a proposed service transfer or the development of a strategic partnership, the Authorised Officer must consult the Chief Financial Officer.

### *TUPE Implications*

7.15 Consider at the outset any implications under the Transfer of Undertakings (Protection of Employment) Regulations 2006 and schedule in seeking relevant legal and HR assistance.

### *Data Protection*

7.16 Identify all Contracts involving the processing of personal data, information security or data processing implications that may require additional schedules or terms and conditions considering the UK General Data Protection Regulations, the Data Protection Act 2018, and the need to notify the Senior Information Risk Owner (who is the person with overall accountability and responsibility for information governance).

### *Social Value*

7.17 Consider at the outset any implications from the Public Services (Social Value Act) 2012 in accordance with the Council's Social Value Policy and the National Procurement Policy Statement as per CSO 3.2.

### *Whole Life Costings*

7.18 Prepare and document an estimate of the Whole Life-Cycle Costs including where appropriate any on-going costs and/or disposal costs and ensure that the cost is within the approved current and future budget provision for both capital and revenue expenditure.

### *Conditions of Participation*

7.19 Ensure that all Conditions of Participation are a proportionate means of ensuring that Suppliers have (i) the legal and financial capability to perform the contract; or (ii) the technical ability to perform the Contract in accordance with Section 22 of the Procurement Act 2023. The Conditions of Participation have been determined in advance, put in order of relative importance or weighting and published in the tender documentation. Details of any financial assessment to be undertaken (CSO 7.20) and the form of Contract to be applied (CSO 21 and 23) must be included in the tender documentation.

### *Financial Assessment*

7.20 Ensure that Financial Services are consulted to ensure the procurement documentation includes financial assessment criteria (as part of CSO 7.19 and CSO 7.21) that are tailored to and proportionate to the Contract being procured.

### *Award Criteria*

7.21 Ensure that all award criteria including sub-criteria have been determined in advance, put in order of relative importance or weighting and published in the tender documentation in accordance with Section 23 of the Procurement Act.

### *Electronic Documentation*

7.22 Ensure that electronic versions of all the appropriate and approved forms of procurement documentation are available through an internet portal immediately on publication of any notice required under the Procurement Act.

- 7.23 Authorised Officers are responsible for arrangements to ensure the proper control and use of Council ordering and contracting procedures, in accordance with guidance issued by the Chief Financial Officer and the Director of Legal and Governance.
- 7.24 All procurement activity must be undertaken using the Council's standard template documentation unless prior written approval has been obtained from the Head of Procurement or a Call-Off is proposed under an existing Framework.

## **8 Frameworks, DPS' and Dynamic Markets**

### *Awarding Call Off Contracts under Frameworks or DPS'*

- 8.1. Where a Call-Off Contract is proposed under an existing Frameworks or DPS that has been established by a consortium, collaboration, purchasing organisation or other public body, the Council may consider using this Framework or DPS if;
  - a) The Framework or DPS has been established by a Contracting Authority (which includes a Centralised Procurement Authority), and via a process, which permits the Council to access those arrangements lawfully;
  - b) It is in the best interest of the Council to access the Framework or DPS, unless it does not offer Best Value, which must be documented for audit purposes.
- 8.2 Before undertaking a Call-Off under any Framework or DPS, thorough due diligence should be undertaken and advice sought from Procurement Services to confirm it is able to be used and whether it is appropriate to use it for the Council's particular requirements.
- 8.3 Call-Offs must be awarded based on the criteria identified in the Framework or DPS and in accordance with Procurement Regulations or the Procurement Act (as applicable).
- 8.4 Where a Call-Off is undertaken via a direct award process (which is prescribed in the Framework), the Contractor must be requested in writing to supply a written submission, that is verified to confirm it can meet the requirements of the Council in accordance with the terms and conditions and pricing established in the Framework in advance of entering into a Contract unless otherwise prescribed in the Framework direct award call-off procedure.
- 8.5 Subject to the due diligence confirming the suitability of the Framework or DPS, it can be used as a potential route to market without going down one of the procedures outlined at CSO's 10 to 14.

### *Establishing a Framework*

- 8.6 Where the Council is establishing a Framework which may be accessed by other Contracting Authorities the estimated Contract Value must take account of all potential work that may be put through the agreement and follow the procedures set out in these CSO's.

- 8.7 If the Council is establishing a Framework reference must be made within the procurement documents explaining if the Framework is intended for wider use, and advice should be sought from the Director of Legal and Governance to ensure the terms upon which other Contracting Authorities access those arrangements are clear and offer appropriate protection to the Council. The Framework will also need to be established in accordance with Sections 45-49 of the Procurement Act.
- 8.8 In establishing a Framework, the total duration (including any extensions) cannot exceed four years except in exceptional circumstances relating to the subject matter of the Framework. Any proposal to establish a Framework with a duration exceeding four years should be referred to the Head of Procurement for advice.
- 8.9 Where, taking in to account the above, the estimated value of the Framework is estimated to be above the relevant threshold, the Authorised Officer must ensure that the names of the other public bodies are included on the Find a Tender notice either individually or by identifiable class.
- 8.10 In establishing a Framework the Council must ensure that the terms of the Framework make the process by which Contracts under the Framework are entered into, and the terms under which they will be entered, is explicitly clear.

#### *Open Frameworks*

- 8.11 Open Frameworks provide for the award of successive Frameworks on substantially the same terms.
- 8.12 Open Frameworks must provide:
  - a) for the award of a Framework at least once during—
    - (i) the period of three years beginning with the day of the award of the first Framework in the scheme, and
    - (ii) each period of five years beginning with the day of the award of the second Framework in the scheme;
  - b) for the expiry of one Framework on the award of the next;
  - c) for the final Framework to expire at the end of the period of eight years beginning with the day on which the first Framework under the scheme is awarded.

#### *Establishing a Dynamic Market*

- 8.13 The Council may establish a Dynamic Market to allow for the award of Contracts by reference to Suppliers' participation in those arrangements. Such arrangements must remain open for other Suppliers to join throughout the lifetime of the Dynamic Market.
- 8.14 The Council is required to publish a Dynamic Market Notice in accordance with Section 39 of the Procurement Act before establishing a Dynamic Market (and further notices (as applicable) will also need to be published in accordance with the Procurement Act).

8.15 In establishing a Dynamic Market the Council is able to set conditions for membership of the Dynamic Market (or part of it) where those conditions are a proportionate means of ensuring the members:

- have the legal and financial capacity to perform Contracts awarded under the Dynamic Market;
- have the technical ability to perform Contracts awarded under the Dynamic Market.

8.16 The number of Suppliers on a Dynamic Market cannot be limited and the conditions for membership of a Dynamic Market cannot be modified during the life of the Dynamic Market.

8.17 In setting conditions for membership of a Dynamic Market the Council will need to act in accordance with Section 36 of the Procurement Act.

*Conducting procurements under a Dynamic Market*

8.18 Where Contracts are to be awarded by reference to Dynamic Markets they must be done in accordance with Section 34 of the Procurement Act.

8.19 The Open Procedure or Direct Award route cannot be used to award a Contract under a Dynamic Market.

**9 Concession Contracts**

9.1 If the Authorised Officer is considering entering into an arrangement which could constitute a Concession Contract, early advice must be sought from Procurement Services and the Director of Legal and Governance.

**10 Direct Awards**

10.1 There are limited circumstances provided for in Sections 41-44 of the Procurement Act where the Council may be able to directly award a Contract to a Supplier without conducting a Competitive Tendering Procedure.

10.2 Before utilising the Direct Award route under the Procurement Act to directly award a Contract to a Supplier a Transparency Notice must be published in accordance with Section 44 of the Procurement Act.

10.3 Prior to seeking to utilise the Direct Award route under the Procurement Act approval must be obtained in writing from the Head of Procurement.

10.4 CSO 15.6 refers to direct awards for contracts procured under the Provider Selection Regime for healthcare services.

**11 Contracts valued up to £30,000**

11.1 Where a Contract has an estimated value up to £30,000, the Authorised Officer must be able to demonstrate Best Value and must select Suppliers from whom to obtain quotes fairly and openly. Local Suppliers must be used wherever possible

(where compatible with the Procurement Act, Procurement Regulations (and associated legislation/regulations)) All Quotations must be obtained in writing.

11.2 Where the Contract has an estimated value of up to £30,000 the following records must be kept:

- a) £500+ Spending Panel approval if £500 or above;
- b) A unique reference number for the Contract and the title of the Contract or purchase order details;
- c) Any invitations to quote and the Quotations received;
- d) A record of the decision to award the Contract and the reasons for it;
- e) Communication with the successful Supplier
- f) The executed contract

11.3 To comply with the Local Government Transparency Requirements, details of all Contracts awarded of £5,000 and above must be recorded on the Contracts and Grants Register. Officers shall retain a written record of actions taken and the reasons using the pro-forma template available on Bradnet.

11.4 The pro-forma should be completed and details recorded on the Contracts and Grants Register prior to a purchase order being created.

## **12 Contracts between £30,000 but less than the applicable Threshold**

12.1 Contracts that are estimated to be for amounts between £30,000 but less than the applicable Threshold must be let on a competitive basis on the Council's e-sourcing portal and in accordance with the below threshold provisions set out in Section 84-88 of the Procurement Act. The Authorised Officer must seek approval from the £500+ Spending Panel and prepare a signed report regarding the proposed procurement for consideration by the Procurement Panel to ensure scrutiny has been applied regarding spend, procurement routes and requirement. The Procurement Panel is authorised to advise or propose a rejection of any proposals brought to it for scrutiny or make a recommendation to the Strategic Director of Corporate Resources for approval. If the Procurement Panel does not recommend approval the Lead Officer and Authorised Officer will be notified accordingly.

12.2 Subject to the recommendations of the Procurement Panel and approval by the Strategic Director of Corporate Resources, the Authorised Officer must either:

- a) use a closed procedure inviting a minimum of four Suppliers registered on the Council's e-sourcing portal including inviting Local Suppliers wherever possible; or
- b) use an open procedure advertising the opportunity to the open market if advertising for the purpose of inviting Tenders using both the Council's e-sourcing portal and the Central Digital Platform (via publication of a Below Threshold Tender Notice in accordance with Section 87 of the Procurement Act).

12.3 When using the closed procedure, if the minimum number of Tenders cannot be obtained owing to insufficient suitable Suppliers prepared to tender, then the Authorised Officer must keep a record of this.

### *Regulated Below Threshold Contracts*

- 12.4 The Council must conduct procurements for Regulated Below Threshold Contracts in accordance with Part 6 of the Procurement Act. In doing so, the duty to have regard to National Procurement Policy Statements and the duty not to discriminate against a treaty Supplier will also apply.
- 12.5 The Council must publish a Below Threshold Tender Notice on the Central Digital Platform if advertising for the purpose of inviting Tenders for Below Threshold Contracts where the Estimated Value of the Contract is no less than £30,000 including VAT. The Below Threshold Tender Notice must be published on the Central Digital Platform before being published elsewhere.
- 12.6 CSO 12.5 (above) does not apply where the Council invites Quotations or Tenders from a closed group of pre-selected suppliers, i.e. via a Framework or from one or more targeted suppliers provided it does not advertise the procurement in any other way.
- 12.7 Where the Council invites the submission of Tenders in relation to the award of a Regulated Below Threshold Contract, no pre-qualification questionnaire is permitted during the procurement to restrict the submission of Tenders by reference to an assessment of a supplier's suitability to perform the Contract except where:
  - a) the contract has an estimated value of not less than £214,904. This is the same as the thresholds for goods and services. This exception is because the works threshold is much higher, and it is appropriate that contracting authorities carrying out procurements for higher value below-threshold works contracts that are still above the goods and services thresholds, are able to include a separate suitability stage before the award stage, if desired.
  - b) the Contract is awarded in accordance with a Framework.
- 12.8 Suitability assessment questions to assess eligibility are part of the Council's template procurement documents and can be used as part of the overall quality evaluation. Suitability Assessment Questions may only be included within the procurement where they are:
  - a) Relevant to the subject matter of the procurement; and
  - b) Proportionate.
- 12.9 Only the winning bidder(s) will be required to submit certificates and documents as evidence of their legal and financial standing and technical or professional ability in addition to specific requirements relating to insurance, health and safety, equality, environmental management etc in response to the suitability assessment questions.
- 12.10 As soon as reasonably practicable after entering into a Notifiable Below-Threshold Contract, a Below Threshold Contract Details Notice must be published. This applies to all Notifiable Below Threshold Contracts in accordance with Section 87(3) of the Procurement Act.

**13 Light Touch Contracts Valued £214,904 to the Light Touch Contract Threshold, Concession Contracts Valued £214,904 to the Concession Threshold, Works Contracts Valued £214,904 to the Works Threshold**

- 13.1 The procurement of Light Touch Contracts, Concession Contracts and Contracts for works with a value between £214,904 and the relevant Threshold may be undertaken in accordance with procurement procedures as outlined in CSO12.
- 13.2 Procurement of any such Contracts must, however, be let on a competitive basis, which is advertised to the open market, through the Council's e-sourcing portal and on the Central Digital Platform.
- 13.3 The Council would also need to consider the below threshold provisions set out in Section 84-88 of the Procurement Act.

**14 All Contracts valued at or above the relevant Threshold**

- 14.1 The Authorised Officer must seek approval from the £500+ Spending Panel and prepare a signed report regarding the proposed procurement for consideration by the Procurement Panel to ensure scrutiny has been applied regarding spend, procurement routes and requirement. The Procurement Panel is authorised to advise or propose a rejection of any proposals brought to it for scrutiny or make a recommendation to the Strategic Director of Corporate Resources for approval. If the Procurement Panel does not recommend approval the Lead Officer and Authorised Officer will be notified accordingly.
- 14.2 Where the Contract Value meets or exceeds the relevant Threshold it must be tendered in accordance with the Procurement Act and using one of the procedures under CSO 15, unless:
  - a) it is to be procured through an existing Framework or DPS that has been established via a compliant public procurement process in accordance with Section 45 of the Procurement Act; or
  - b) utilising the Direct Award procedure in accordance with Sections 41 or 43 of the Procurement Act.
- 14.3 All Tenders must be advertised on the Council's e-sourcing portal and the Central Digital Platform. Standard template documentation must be used.
- 14.4 All Tenders above the relevant Threshold require the publication of notices in accordance with the Procurement Act (as applicable).

*Procurement Principles*

- 14.5 In conducting a procurement that falls within the scope of the Procurement Act, the Council must have regard to the importance of:
  - a) Delivering value for money;
  - b) Maximising public benefit;
  - c) Sharing information for the purpose of allowing suppliers and others to understand the Council's procurement policies and decisions;
  - d) Acting, and being seen to act, with integrity.

14.6 In carrying out procurements under the Procurement Act:

- a) The Council must treat suppliers the same unless a difference between the suppliers justifies different treatment;
- b) If the Council considers that different treatment is justified in a particular case, it must take all reasonable steps to ensure it does not put a supplier at an unfair advantage or disadvantage.

## 15 Procurement Procedures

15.1 All Contracts, including Light Touch Contracts (Section 9 of the Procurement Act), Concession Contracts (Section 8 of the Procurement Act) and Utilities Contracts (Section 8 of the Procurement Act) must be procured using one of the two Competitive Tendering Procedures provided for under Sections 19-20 of the Procurement Act:

- a) The **Open Procedure** under which all those interested may respond to the advertisement by submitting a Tender. This is often the most expedient system and enables all of the Suppliers in the market that wish to engage in the process to submit a Tender. There is no pre-qualification or short-listing stage prior to invitation to tender (ITT).
- b) The **Competitive Flexible Procedure** which covers any other competitive tendering procedure, i.e. multi-staged process with dialogue/negotiation as the Council considers appropriate based on the Contract opportunity.

### *Conditions of Participation*

15.2 The Council is able to set Conditions of Participation to perform the Contract under the procurement procedures referred to above in accordance with Section 22 of the Procurement Act which relate to:

- a) legal and financial capacity or;
- b) technical ability

to perform the Contract.

15.3 Conditions of Participation must be a proportionate means of ensuring the relevant capacity or ability, having regard to the nature, complexity and cost of the Contract.

## Provider Selection Regime

15.4 For Contracts for Healthcare Services for the purpose of the health service in England and other goods and services that are procured together with those health care services, joint commissions with NHS bodies, and contracts fully or partially funded from NHS budgets where it is proposed to procure under the flexibilities of the Provider Selection Regime the Head of Procurement must be consulted at the earliest possible opportunity. The Authorised Officer must seek approval from the £500+ Spending Panel and prepare a signed report regarding the proposed procurement for consideration by the Procurement Panel to ensure scrutiny has been applied regarding spend, procurement routes and requirement. The Procurement Panel is authorised to advise or propose a rejection of any proposals

brought to it for scrutiny or make a recommendation to the Strategic Director of Corporate Resources for approval. If the Procurement Panel does not recommend approval the Lead Officer and Authorised Officer will be notified accordingly.

15.5 When procuring under the Provider Selection Regime regard must be given to the Provider Selection Regime Statutory Guidance and the Council is required to follow one of the processes summarised below.

#### *Direct Award Processes*

15.6 Awarding Contracts to providers when there is limited or no reason to seek to change from the existing provider; or to assess providers against one another, because:

- a) *Direct Award Process A* – the existing provider is the only provider that can deliver the health care services;
- b) *Direct Award Process B* – patients have a choice of providers and the number of providers is not restricted by the Council; or
- c) *Direct Award Process C* – the existing provider is satisfying its existing contract, will likely satisfy the new contract to a sufficient standard, and the proposed contracting arrangements are not changing considerably.

#### *Most Suitable Provider Process*

15.7 Awarding a Contract to providers without running a competitive process because the Council can identify the most suitable provider.

#### *Competitive Process*

15.8 Running a competitive process to award a Contract.

15.9 Where Contracts are to be awarded under the Provider Selection Regime the following criteria must all be evaluated:

- a) Quality and innovation
- b) Value
- c) Integration, collaboration, and service sustainability
- d) Improving access, reducing health inequalities, and facilitating choice; and
- e) Social value.

15.10 The procedure to be undertaken as identified in this CSO 15 must be explained from the outset in the procurement documentation and adhered to throughout.

### **16 Submitting and Opening Tenders and Quotations**

16.1 Every invitation to Tender or request for a Quotation must state that a Tender or Quotation will only be considered if it is received by the specified closing date and time via the Council's e-sourcing portal, or for quotes below £30,000, at the specified date and time.

16.2 All Tenders or Quotations for each Contract must be opened by the Officer appointed by the Authorised Officer at a prescribed time.

- 16.3 The Authorised Officer must keep a written record of all Tenders and Quotations.
- 16.4 The Authorised Officer shall after consultation with the Head of Procurement disqualify a Tender or Quotation which fails to comply with the requirements of this CSO 16.1 and must inform the Supplier as soon as possible, stating the reason for the disqualification.

## **17 Evaluation**

- 17.1 An evaluation panel must be convened for all evaluation processes undertaken. Representation on the panel must be from people who have knowledge of the subject area and be proportionate to the size and value of the procurement being undertaken.
- 17.2 For all Contracts, regardless of value, no person with a personal or financial interest in any of the bidders submitting a proposal should be involved in evaluating Tenders or involved in any way in influencing the decision as to which bidder is to be awarded a Contract. A declaration of interest form must be completed prior to the commencement of the evaluation process, held on file by the Authorised Officer and included in the risk assessment under CSO 7.11 and in accordance with Sections 81-83 of the Procurement Act.
- 17.3 The evaluation of Tenders must be in accordance with the evaluation criteria specified in the original procurement documents. Under no circumstance should there be a deviation away from this.

### *Exclusions*

- 17.4 Suppliers are not permitted to participate in procurements, have their Tender considered or be awarded a Contract falling under the Procurement Act, where they are “excluded” or “excludable” (as defined in Sections 57 and 58 of the Procurement Act).
- 17.5 An “Excluded Supplier” is a Supplier (or associated person) to which (i) a mandatory exclusion ground applies and (ii) the circumstances giving rise to the application of that exclusion ground are continuing or likely to occur again; or (iii) the Supplier (or associated person) is on the debarment list by virtue of a mandatory exclusion ground.
- 17.6 An “Excludable Supplier” is a Supplier (or associated person) to which (i) a discretionary exclusion ground applies; and (ii) the circumstances giving rise to the application of that exclusion ground are continuing or likely to occur again; or (iii) the Supplier (or associated person) is on the debarment list by virtue of a mandatory exclusion ground
- 17.6 The mandatory and discretionary exclusion grounds are contained in Schedule 6 and 7 to the Procurement Act.
- 17.7 “Associated person” is defined in Section 26(4) of the Procurement Act.

17.8 The manner in which the exclusion grounds must be considered and applied is set out in Sections 26 and 27 of the Procurement Act. Sections 28 and 29 of the Procurement Act also set out excluding suppliers with references to a connected person, associated person or subcontractors and on a discretionary basis for national security reasons.

17.9 Where a supplier is a “excluded” or “excludable” supplier by virtue of an “associated person” being an “excluded” or “excludable” supplier, the Council must, before disregarding a Tender:

- Notify the supplier of its intention to disregard; and
- Give the supplier reasonable opportunity to replace the “associated person”.

17.10 When considering excluding a Supplier advice should be sought from [the Head of Procurement].

17.11 In the event a Supplier is excluded the Council will need to act in accordance with Sections 58 and 59 of the Procurement Act.

#### *Debarment*

17.12 Suppliers entered onto the debarment list (in accordance with Section 62 of the Procurement Act) may prevent it from participating in procurements or being awarded Contracts under the Procurement Act.

17.13 The debarment provisions are set out in Sections 59 – 66 of the Procurement Act.

17.14 The Council must check the debarment list in each procurement. Where a Supplier is on the debarment list in relation to a mandatory exclusion ground, the Council must not allow the Supplier to bid in a Competitive Flexible Procedure or be awarded a Contract in any Competitive Tendering Procedure or be awarded a Contract via the Direct Award route. The Council must also disregard any Tender submitted by a Supplier on the debarment list except where:

- a Supplier is on the debarment list on national security grounds for a particular type of Contract, as the debarment does not affect their eligibility to bid for other types of Contracts; or
- procurements by Direct Award where there is an overriding public interest in awarding the Contract to that Supplier. This includes cases where there is an extreme and unavoidable urgency.

#### *Abnormally Low Tenders*

17.15 Where a Tender received appears to be abnormally low, the Council is required to investigate that Tender and provide the Supplier with an opportunity to demonstrate that it is able to perform the Contract for the price proposed. Identifying and dealing with abnormally low bids shall be the responsibility of the Authorised Officer. The Council may reject an abnormally low bid, where the justification doesn't satisfactorily account for the low level of price. Where consideration is being made to the rejection of a bid on these grounds, advice must be sought from the Head of Procurement and Director of Legal and Governance.

## **18 Approval and Acceptance of Tenders and Quotations**

18.1 For every Contract or Framework over the relevant Threshold of £2 million and above in value (whichever is lower) a tender evaluation report must be produced which includes details of:

- a) the winning bid,
- b) the Suppliers involved,

- e) justification for using any negotiated type procedure,
- f) any decision not to award,
- g) reasons for not using electronic communications,

18.3 The Authorised Officer can only accept the most advantageous Tender or Quotation and must record the reasons for acceptance.

18.4 All Suppliers who submit a Tender or Quotation should be notified in writing of their success or failure in a timely manner using the standard documents. All notifications should be signed by the relevant Authorised Officer.

18.5 For procurements concerning Contracts with values above the relevant Thresholds the following sections apply.

18.9 For all Contracts covered by the Procurement Act, a minimum 8 working day standstill period is required beginning with the day on which the Contract Award Notice is published.

18.10 The standstill period referred to above is not a legal requirement for Contracts falling within Section 51(3) of the Procurement Act, which includes (but is not limited to) Contracts awarded in accordance with a Framework, a Dynamic Market or Light Touch Contracts. However, it is normal practice and the Council may allow for a voluntary standstill period for Below Threshold procurements, Light Touch Contracts, Call Contracts awarded under a Framework, DPS or Dynamic Market.

18.11 Before entering into any Contract, the Authorised Officer must:

- be sure that they have the necessary authority to enter into the Contract and that these CSO's, the Council's Financial Regulations and procurement advice have been complied with, and that the proposed Contract represents Best Value

Forms of security include such as: parent company guarantee, Director's guarantee and performance bonds.

18.12 All Contracts awarded of £30,000 and above must be recorded on the Council's e-sourcing portal and all Contracts valued at £30,000 and above also require the publication of a Below Threshold Contract Details Notice (where advertising occurs for the purposes of inviting Tenders) or Contract Details Notice (as applicable).

18.13 For every Contract, Framework, Call Off Contract under a Framework or DPS over the relevant Threshold or £2 million and above in value (whichever is lower) which is proposed to be abandoned a tender evaluation report, indicating the reasons for the abandonment, must be approved by the Authorised Officer and the Head of Procurement prior to abandonment notification letters being issued.

6.4 Where a potential disciplinary matter in respect of the Chief Executive, Monitoring Officer or the Chief Finance Officer arises:

6.4.1 The matter will be considered by the Chief Officer Disciplinary Committee.

6.4.2 Where, following a full investigation and hearing, the Chief Officer Disciplinary Committee considers that dismissal is the appropriate course of action in respect of a relevant statutory officer they must notify the proper officer giving particulars, in addition to the person's name, that are relevant to the proposed dismissal.

6.4.3 The proper officer will send that information, including the person's name, to every member of the Executive and will inform them of the timescale during which any objection to the proposed dismissal should be made by the Leader of Council, on behalf of the Executive, to the proper officer.

6.5 Only full Council can approve the dismissal of the Chief Executive, Monitoring Officer, or Chief Finance Officer, and must do so before notice of dismissal (if required) is given. 6.11 Subject to the provisions set out below, the Chief Officer Disciplinary Committee may dismiss for disciplinary action or take disciplinary action short of dismissal against Strategic Directors, Directors (other than the Director of Finance in relation to dismissal) Deputy Directors or Assistant Directors.

Where the matter involves a Deputy Director or Assistant Director, the Strategic Director will undertake a preliminary investigation of the complaint. This preliminary investigation may in certain circumstances, including the prior involvement in the matter by a Strategic Director, be undertaken by the Chief Executive, another Chief Officer or by not fewer than two elected members.

6.12.2 Unless the decision on the preliminary investigation is either that the complaint does not warrant a full investigation, or, if established, could be resolved informally, for example, through an unrecorded informal warning, the matter will be referred to the Chief Officer Disciplinary Committee, acting as the Investigating Committee under the JNC Agreement for Chief Officers. The Committee must include at least one member of the Executive and will have full delegated powers to act.

6.12.3 The employee will have a right of appeal against any disciplinary action to the Staffing Committee which must include at least one member of the Executive. There is no right of appeal beyond this level.

6.13 Where the Chief Officer Disciplinary Committee considers that dismissal is the appropriate course of action they must notify the proper officer giving particulars, in addition to the person’s name, that are relevant to the proposed dismissal.

6.14 The Proper Officer will send that information, including the person’s name, to every member of the Executive and will inform them of the timescale during which any

objection to the proposed dismissal should be made by the Leader of the Council, on behalf of the Executive, to the proper officer.

6.15 The Committee must not give notice of the dismissal until one of the following is satisfied:

- 6.15.1 The Leader of Council has notified the Committee within the specified timescale that neither s/he nor any other member of the Executive has objected to the proposed dismissal,

- 7.1 Only full Council can approve the dismissal of the Chief Executive, Monitoring Officer, or Chief Finance Officer ("relevant statutory officers") and must do so before notice of dismissal is given.
- 7.2 Where the Staffing Committee considers that dismissal is the appropriate course of action in respect of a relevant statutory officer, they must notify the proper officer giving particulars, in addition to the person's name, that are relevant to the proposed dismissal.
- 7.3 The proper officer will send that information including the person's name, to every member of the Executive and will inform them of the timescale during which any objection to the proposed dismissal should be made by the Leader of Council on behalf of the Executive, to the proper officer.
- 7.4 The Staffing Committee's recommendation for dismissal will not be referred to Council for a decision until either paragraph 6.6.1 or 6.6.2 or 6.6.3 is satisfied. There is no requirement for the involvement of an Independent Panel in the case of proposed dismissals for reasons other than disciplinary action.

**Dismissal other than for Disciplinary Action (for example dismissal by reason of redundancy) - Other Chief Officers, Deputy Directors, and Assistant Directors ("relevant officers")**

- 7.5 Where the Staffing Committee considers that dismissal is the appropriate course of action in respect of a relevant officer, they must notify the proper officer giving the particulars in addition to the person's name that are relevant to the proposed dismissal.

## **PART 4      CODES AND PROTOCOLS**

### **PART 4A    Members' Code of Conduct**

This Code applies to Elected Members and voting Co-opted Members of City of Bradford Metropolitan District Council in all aspects of their public life.

The Council expects Members to follow this Code when they are:

- conducting the work of the Council
- representing the Council on any external organisation, and
- otherwise acting in their official capacity.

This Code does not apply to what Members do in their purely private and personal lives.

#### **Definitions**

For the purposes of this Code of Conduct, a “councillor” means a member or co-opted member of the Council or a directly elected mayor. A “co-opted member” is defined in the Localism Act 2011 Section 27(4) as “a person who is not a member of the authority but who

- a) is a member of any committee or sub-committee of the authority, or;
- b) is a member of, and represents the authority on, any joint committee or joint sub-committee of the authority;

and who is entitled to vote on any question that falls to be decided at any meeting of that committee or sub-committee”.

#### **Purpose of the Code of Conduct**

The purpose of this Code of Conduct is to assist you, as a councillor, in modelling the behaviour that is expected of you, to provide a personal check and balance, and to set out the type of conduct that could lead to action being taken against you. It is also to protect you, the public, fellow councillors, local authority officers and the reputation of local government. It sets out general principles of conduct expected of all councillors and your specific obligations in relation to standards of conduct. The Local Government Association encourages the use of support, training and mediation prior to action being taken using the Code. The fundamental aim of the Code is to create and maintain public confidence in the role of councillor and local government.

#### **General principles of councillor conduct**

1. Everyone in public office at all levels, all who serve the public or deliver public services, including ministers, civil servants, councillors and local authority officers should uphold the [Seven Principles of Public Life](#), also known as the Nolan Principles- See Appendix A.

2. In accordance with the public trust placed in me, on all occasions:
  - I act with integrity and honesty
  - I act lawfully
  - I treat all persons fairly and with respect; and
  - I lead by example and act in a way that secures public confidence in the role of councillor.
3. In undertaking my role:
  - I impartially exercise my responsibilities in the interests of the local community
  - I do not improperly seek to confer an advantage, or disadvantage, on any person
  - I avoid conflicts of interest
  - I exercise reasonable care and diligence, and
  - I ensure that public resources are used prudently in accordance with my local authority's requirements and in the public interest.

### **Application of the Code of Conduct**

4. This Code of Conduct applies to you as soon as you sign your declaration of acceptance of the office of councillor or attend your first meeting as a co-opted member and continues to apply to you until you cease to be a councillor.
5. This Code of Conduct applies to you when you are acting in your capacity as a councillor which may include when:
  - you misuse your position as a councillor
  - your actions would give the impression to a reasonable member of the public with knowledge of all the facts that you are acting as a councillor;
6. The Code applies to all forms of communication and interaction, including:
  - at face-to-face meetings
  - at online or telephone meetings
  - in written communication
  - in verbal communication
  - in non-verbal communication
  - in electronic and social media communication, posts, statements and comments.
7. You are also expected to uphold high standards of conduct and show leadership at all times when acting as a councillor.
8. Your Monitoring Officer has statutory responsibility for the implementation of the Code of Conduct, and you are encouraged to seek advice from your Monitoring Officer on any matters that may relate to the Code of Conduct.

### **Standards of councillor conduct**

9. This section sets out your obligations, which are the minimum standards of conduct required of you as a councillor. Should your conduct fall short of these standards, a complaint may be made against you, which may result in action being taken.

10. Guidance is included to help explain the reasons for the obligations and how they should be followed.

## **General Conduct Respect**

11. **As a councillor:**

- **I treat other councillors and members of the public with respect.**
- **I treat local authority employees, employees and representatives of partner organisations and those volunteering for the local authority with respect and respect the role they play.**

11.1 Respect means politeness and courtesy in behaviour, speech, and in the written word. Debate and having different views are all part of a healthy democracy. As a councillor, you can express, challenge, criticise and disagree with views, ideas, opinions and policies in a robust but civil manner. You should not, however, subject individuals, groups of people or organisations to personal attack.

11.2 In your contact with the public, you should treat them politely and courteously. Rude and offensive behaviour lowers the public's expectations and confidence in councillors.

11.3 In return, you have a right to expect respectful behaviour from the public. If members of the public are being abusive, intimidatory or threatening you are entitled to stop any conversation or interaction in person or online and report them to the Council, the relevant social media provider or the police. This also applies to fellow councillors, where action could then be taken under the Members' Code of Conduct, and Council employees, where concerns should be raised in line with the Council's Protocol on Member-Officer Relations.

11.4 The Protocol on Member- Officer Relations set out in the Council's Constitution forms part of this Code and any breach of the requirements of that Protocol by a councillor or voting co-opted member shall be treated as a breach of this Code.

## **Bullying, harassment and discrimination**

12. **As a councillor:**

- **I do not bully any person.**
- **I do not harass any person.**
- **I promote equalities and do not discriminate unlawfully against any person.**

12.1 The Advisory, Conciliation and Arbitration Service (ACAS) characterises bullying as offensive, intimidating, malicious or insulting behaviour, an abuse or misuse of power through means that undermine, humiliate, denigrate or injure the recipient. Bullying might be a regular pattern of behaviour or a one-off incident, happen face-to-face, on social media, in emails or phone calls, happen in the workplace or at work social events and may not always be obvious or noticed by others.

12.2 The Protection from Harassment Act 1997 defines harassment as conduct that causes alarm or distress or puts people in fear of violence and must involve such

conduct on at least two occasions. It can include repeated attempts to impose unwanted communications and contact upon a person in a manner that could be expected to cause distress or fear in any reasonable person.

12.3 Unlawful discrimination is where someone is treated unfairly because of a protected characteristic. Protected characteristics are specific aspects of a person's identity defined by the Equality Act 2010. They are age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.

12.4 The Equality Act 2010 places specific duties on local authorities. Councillors have a central role to play in ensuring that equality issues are integral to the local authority's performance and strategic aims, and that there is a strong vision and public commitment to equality across public services.

### **Impartiality of officers of the Council**

#### **13. As a councillor:**

- I do not compromise, or attempt to compromise, the impartiality of anyone who works for, or on behalf of, the local authority.**

13.1 Officers work for the local authority as a whole and must be politically neutral (unless they are political assistants). They should not be coerced or persuaded to act in a way that would undermine their neutrality. You can question officers in order to understand, for example, their reasons for proposing to act in a particular way, or the content of a report that they have written. However, you must not try and force them to act differently, change their advice, or alter the content of that report, if doing so would prejudice their professional integrity.

### **Confidentiality and access to information**

#### **14. As a councillor:**

- I do not disclose information:**
  - a. given to me in confidence by anyone**
  - b. acquired by me which I believe, or ought reasonably to be aware, is of a confidential nature, unless**
    - i. I have received the consent of a person authorised to give it;**
    - ii. I am required by law to do so;**
    - iii. the disclosure is made to a third party for the purpose of obtaining professional legal advice provided that the third party agrees not to disclose the information to any other person; or**
    - iv. the disclosure is:**
      - reasonable and in the public interest; and**
      - made in good faith and in compliance with the reasonable requirements of the local authority; and**
      - I have consulted the Monitoring Officer prior to its release.**

- **I do not improperly use knowledge gained solely as a result of my role as a councillor for the advancement of myself, my friends, my family members, my employer or my business interests.**
- **I do not prevent anyone from getting information that they are entitled to by law.**

14.1 Local authorities must work openly and transparently, and their proceedings and printed materials are open to the public, except in certain legally defined circumstances. You should work on this basis, but there will be times when it is required by law that discussions, documents and other information relating to or held by the local authority must be treated in a confidential manner. Examples include personal data relating to individuals or information relating to ongoing negotiations.

## **Disrepute**

### **15. As a councillor:**

- **I do not bring my role or local authority into disrepute.**

15.1 As a Councillor, you are trusted to make decisions on behalf of your community and your actions and behaviour are subject to greater scrutiny than that of ordinary members of the public. You should be aware that your actions might have an adverse impact on you, other councillors and/or the Council and may lower the public's confidence in your or the Council's ability to discharge your/its functions. For example, behaviour that is considered dishonest and/or deceitful can bring the Council into disrepute.

15.2 You are able to hold the Council and fellow councillors to account and are able to constructively challenge and express concern about decisions and processes undertaken by the Council whilst continuing to adhere to other aspects of this Code of Conduct.

## **Use of position**

### **16. As a councillor:**

- **I do not use, or attempt to use, my position improperly to the advantage or disadvantage of myself or anyone else.**

16.1 Your position as a councillor provides you with certain opportunities, responsibilities, and privileges, and you make choices all the time that will impact others. However, you should not take advantage of these opportunities to further your own or others' private interests or to disadvantage anyone unfairly.

## Use of Council resources and facilities

### 17. As a councillor:

- **I do not misuse Council resources.**
- **I will, when using the resources of the Council or authorising their use by others:**
  - a. **act in accordance with the Council's requirements; and**
  - b. **ensure that such resources are not used for political purposes unless that use could reasonably be regarded as likely to facilitate, or be conducive to, the discharge of the functions of the Council or of the office to which I have been elected or appointed.**

17.1 You may be provided with resources and facilities by the Council to assist you in carrying out your duties as a councillor.

Examples include:

- office support
- stationery
- equipment such as phones, and computers
- transport
- access and use of local authority buildings and rooms.

17.2 These are given to you to help you carry out your role as a councillor more effectively and are not to be used for business or personal gain. They should be used in accordance with the purpose for which they have been provided and the Council's own policies regarding their use.

17.3 The Protocol on Members' Use of Council Resources including use of Email and the Internet set out in the Council's Constitution forms part of this Code and any breach of the requirements of that Protocol by a councillor or voting co-opted member shall be treated as a breach of this Code.

## *Complying with the Code of Conduct*

### 18. As a Councillor:

- **I undertake Code of Conduct training provided by the Council.**
- **I cooperate with any Code of Conduct investigation and/or determination.**
- **I do not intimidate or attempt to intimidate any person who is likely to be involved with the administration of any investigation or proceedings.**
- **I comply with any sanction imposed on me following a finding that I have breached the Code of Conduct.**

18.1 It is extremely important for you as a councillor to demonstrate high standards, for you to have your actions open to scrutiny and for you not to undermine public trust

in the local authority or its governance. If you do not understand or are concerned about the local authority's processes in handling a complaint you should raise this with your Monitoring Officer.

## **Protecting your reputation and the reputation of the local authority**

### ***Interests***

#### **19. As a councillor:**

- **I register and disclose my interests.**

19.1 Section 29 of the Localism Act 2011 requires the Monitoring Officer to establish and maintain a register of interests of members of the authority.

19.2 You need to register your interests so that the public, local authority employees and fellow councillors know which of your interests might give rise to a conflict of interest. The register is a public document that can be consulted when (or before) an issue arises. The register also protects you by allowing you to demonstrate openness and a willingness to be held accountable. You are personally responsible for deciding whether or not you should disclose an interest in a meeting, but it can be helpful for you to know early on if others think that a potential conflict might arise. It is also important that the public know about any interest that might have to be disclosed by you or other councillors when making or taking part in decisions, so that decision making is seen by the public as open and honest. This helps to ensure that public confidence in the integrity of local governance is maintained.

19.3 You should note that **failure to register or disclose a disclosable pecuniary interest** as set out in **Table 1**, is a criminal offence under the Localism Act 2011.

19.4 **Appendix B sets** out the detailed provisions on registering and disclosing interests. If in doubt, you should always seek advice from your Monitoring Officer.

### **Gifts and hospitality**

#### **20. As a councillor:**

- **I do not accept gifts or hospitality, irrespective of estimated value, which could give rise to real or substantive personal gain or a reasonable suspicion of influence on my part to show favour from persons seeking to acquire, develop or do business with the local authority or from persons who may apply to the local authority for any permission, licence or other significant advantage.**
- **I register with the Monitoring Officer any gift or hospitality with an estimated value of at least £25 within 28 days of its receipt.**
- **I register with the Monitoring Officer any significant gift or hospitality that I have been offered but have refused to accept.**

20.1 In order to protect your position and the reputation of the local authority, you should exercise caution in accepting any gifts or hospitality which are (or which you

reasonably believe to be) offered to you because you are a councillor. The presumption should always be not to accept significant gifts or hospitality. However, there may be times when such a refusal may be difficult if it is seen as rudeness in which case you could accept it but must ensure it is publicly registered. However, you do not need to register gifts and hospitality which are not related to your role as a councillor, such as Christmas gifts from your friends and family. It is also important to note that it is appropriate to accept normal expenses and hospitality associated with your duties as a councillor. If you are unsure, do contact your Monitoring Officer for guidance.

## **Dispensations**

21. Any request for a dispensation must be made in writing to the Monitoring Officer.

21.1 The Council, on written request is permitted to grant dispensations where it considers that:

- without the dispensation, the number of councillors of the decision making body prohibited from participating in any particular business would be so great a proportion of the decision making body that it would impede the transaction of the business
- without the dispensation, the representation of different political groups on the body transacting the business would be so upset as to alter the likely outcome of any vote on the matter.
- the dispensation is in the interests of persons living in the authority's area
- without a dispensation each councillor of the Executive would be unable to participate on a particular matter, or
- it is otherwise appropriate to grant a dispensation

## **Training**

22. It is a mandatory requirement that councillors complete a training course on Child Sexual Exploitation. Councillors will be sent details by email of the course they are required to complete and the course must be completed within 6 months of the councillor's election or re-election or in the case of co-opted members their co-option or the renewal of their co-option. Current councillors, including current co-opted members are also required to complete a training course on Child Sexual Exploitation and must do so within 3 months of being sent details by email of the course. Councillors will be required to repeat the training if the content is significantly amended, for example as a result of changes to statutory guidance.

## **Allegations of a Failure to Comply with the Code of Conduct**

23. All complaints alleging a failure to comply with this Code will be considered in accordance with the procedure agreed by full Council.

24. Should there be a conflict between this Code and the Council's Protocols on Member- Officer Relations, Members' Use of Council Resources including use of Email and the Internet and Gifts and Hospitality, this Code will take precedence.

## **Appendix A – The Seven Principles of Public Life**

The principles are:

### **Selflessness**

Holders of public office should act solely in terms of the public interest.

### **Integrity**

Holders of public office must avoid placing themselves under any obligation to people or organizations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must disclose and resolve any interests and relationships.

### **Objectivity**

Holders of public office must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.

### **Accountability**

Holders of public office are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.

### **Openness**

Holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.

### **Honesty**

Holders of public office should be truthful.

### **Leadership**

Holders of public office should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.

## Appendix B - Interests

### Registering interests

#### Disclosable Pecuniary Interests and Other Registerable Interests

1. Within 28 days of becoming a member or your re-election or re-appointment to office you must register with the Monitoring Officer the interests which fall within the categories set out in **Table 1 (Disclosable Pecuniary Interests)** which are as described in "The Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012".
2. You should also register **details** of your other personal interests which fall within the categories set out in **Table 2 (Other Registerable Interests)**.
3. "**Disclosable Pecuniary Interest**" means an interest of yourself, or of your partner if you are aware of your partner's interest, within the descriptions set out in **Table 1** below.
4. "**Partner**" means
  - a spouse or civil partner, or
  - a person with whom you are living as husband or wife, or
  - a person with whom you are living as if you are civil partners.
5. You must ensure that your register of interests is kept up-to-date and within 28 days of becoming aware of any new interest, or of any change to a registered interest, notify the Monitoring Officer.

#### Sensitive Interest

6. A '**sensitive interest**' is as an interest which, if disclosed, could lead to the councillor, or a person connected with the councillor, being subject to violence or intimidation.
7. Where you have a '**sensitive interest**' you must notify the Monitoring Officer with the reasons why you believe it is a sensitive interest. If the Monitoring Officer agrees they will withhold the interest from the public register.

#### Non participation in case of disclosable pecuniary interest

8. Where a matter arises at a **meeting** which directly relates to one of your **Disclosable Pecuniary Interests** as set out in **Table 1**, you must disclose the interest and:
  - 8.1 not participate in any discussion or vote on the matter and
  - 8.2 must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest, just that you have an interest.

Dispensation may be granted in limited circumstances, to enable you to participate and vote on a matter in which you have a disclosable pecuniary interest – see paragraph 21 above.

9. Where you have a disclosable pecuniary interest on a matter to be considered or is being considered by you as an Executive member in exercise of your executive function, you must notify the Monitoring Officer of the interest and must not take any steps or further steps in the matter apart from arranging for someone else to deal with it.

### **Disclosure of Other Registerable Interests**

10. Where a matter arises at a meeting which ***directly relates*** to the financial interest or wellbeing of one of your **Other Registerable Interests** (as set out in **Table 2**):
  - 10.1 you must disclose the interest.
  - 10.2 you may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter and
  - 10.3 must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

### **Disclosure of Non-Registerable Interests**

11. Where a matter arises at a meeting which ***directly relates*** to your financial interest or well-being (and is not a Disclosable Pecuniary Interest set out in Table 1) or a financial interest or well-being of a relative or close associate,
  - 11.1 you must disclose the interest.
  - 11.2 You may speak on the matter only if members of the public are also allowed to speak at the meeting. Otherwise you must not take part in any discussion or vote on the matter and
  - 11.3 you must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest.
12. Where a matter arises at a meeting which ***affects***:–
  - a. your own financial interest or well-being;
  - b. a financial interest or well-being of a relative or close associate; or
  - c. a financial interest or wellbeing of a body included under Other Registerable Interests as set out in **Table 2**

you must disclose the interest.

In order to determine whether you can remain in the meeting after disclosing your interest the following test should be applied:

13. Where a matter (referred to in paragraph 12 above) **affects** the financial interest or well-being:
  - a. to a greater extent than it affects the financial interests of the majority of inhabitants of the ward affected by the decision and;
  - b. a reasonable member of the public knowing all the facts would believe that it would affect your view of the wider public interest
  - 13.1 You may speak on the matter only if members of the public are also allowed to speak at the meeting. Otherwise you must not take part in any discussion or vote on the matter and
  - 13.2 must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest.
14. Where you have an Other Registerable Interest or Non-Registerable Interest on a matter to be considered or is being considered by you as an Executive member in exercise of your executive function, you must notify the Monitoring Officer of the interest and must not take any steps or further steps in the matter apart from arranging for someone else to deal with it.

## PART 4B MEMBER AND OFFICER PLANNING CODE OF CONDUCT

### 1 Introduction

- 1.1 This Code is applicable to all town and country planning related matters that fall to be determined by the Council as local planning authority and the general principles are applicable to the exercise of other regulatory functions of the Council.
- 1.2 Any references in this Code to members of the Planning Panel or the Regulatory and Appeals Committee are also intended to include alternate members only where they sit or propose to sit as a member of the Planning Panel or the Regulatory and Appeals Committee but this provision shall not apply to Para 4.3 below.
- 1.3 This Protocol provides rules (set out in **bold** type) and guidance (in *italics*) for members, co-opted members and officers in dealing with town and country planning related matters.

### 2 Membership of the Regulatory and Appeals Committee and Planning Panel

- 2.1 **Any member having a significant involvement in planning or development matters, and so is likely to be regularly prevented from any direct input into the Committee's or the Planning Panel's business, should not serve on the Regulatory and Appeals Committee or the Planning Panel.**
- 2.2 **Members of the Regulatory and Appeals Committee or the Planning Panel should never personally act as agents for people pursuing a planning matter with the Council.**

*It is important to secure public and business confidence in the planning system that planning matters are dealt with openly, fairly and without any suspicion of Members or officers having a personal interest in the outcome of planning decisions.*

### 3 Declarations of Interest

- 3.1 **Members must strictly comply with the requirements as to disclosure of interests contained in the Members' Code of Conduct.**
- 3.2 **A member with a disclosable pecuniary interest must comply with the requirements in the Members' Code of Conduct and not participate in the decision-making process. The member must also declare their interest and leave the meeting room during consideration of the matter in which they have the disclosable pecuniary interest. Any member present who is not a member of the Panel and who has a disclosable pecuniary interest in any matter being considered must also declare their interest and leave the meeting room.**
- 3.3 Members with a disclosable pecuniary interest must also absent themselves from the discussion of the matter during any official briefing process.

*This principle is important in order to ensure fairness and transparency of decision-making. It should also be noted that where a Member has an interest in an item, then any obligation not to participate extends outside formal meetings. It applies equally to other official dealings related to the matter in question, for example any contact with the planning officers who are dealing with the application.*

*In this regard members should be aware that, whilst they are not prevented from seeking to explain or justify a proposal in which they have a disclosable pecuniary interest to an appropriate officer, this code places greater limitations on members than would apply to an ordinary member of the public and sensible steps must be taken to ensure openness and fairness in the decision-making process. In particular it is advisable to notify the Monitoring Officer in writing of your own application (or that of a relative or employer where known).*

- *Note that the proposal will always be reported to Panel for decision and not dealt with by officers under the scheme of delegation. - Consideration should be given to whether it is advisable to employ an agent to act on the affected member's behalf in dealing with officers - Note that affected members have a right to make written representations to officers about the proposal.*
- *Failure to disclose a disclosable pecuniary interest is a criminal offence. Section 34 of the Localism Act 2011 creates criminal offences relating to councillors' and co-opted members' duties under the Code of Conduct. A brief guide to the offences is set out below:*
- *Consequences of failure to Register and Declare Disclosable Pecuniary Interests (s.34(1))*

*A member is guilty of a criminal offence if without reasonable excuse they fail to register disclosable pecuniary interests in accordance with the Code of Conduct or after declaring a disclosable pecuniary interest at a meeting or individual executive decision meeting fails to notify the monitoring officer to update the register or fails to disclose a disclosable pecuniary interest and /or participates in a discussion and/ or votes on an item where they have a disclosable pecuniary interest.*

*Providing False or Misleading Information when registering and declaring Disclosable Pecuniary Interests (s.34 (2))*

*A member will be guilty of an offence if when registering and / or notifying the monitoring officer of a disclosable pecuniary interest, declaring interests at meetings (including individual executive decision-making meetings), s/he either:*

- *provides false or misleading information and the member knows the information is false or misleading or*
- *is reckless as to whether the information is true and not misleading.*

## ***Prosecutions and Penalty***

***Any alleged offence will be investigated by the Police and prosecuted by the Director of Public Prosecutions, not the Council.***

3.4 Aside from the legal requirement to disclose disclosable pecuniary interests, Planning Members should also disclose interests other than disclosable pecuniary interests that might give rise to a public perception that such a member's dealings with a planning matter may be governed not just by issues of the public interest. A member may regard herself/himself as not having such an interest in a planning or regulatory matter if that matter solely relates to:

- 3.4.1 Another relevant authority of which s/he is a member
- 3.4.2 Another public authority of which s/he is a member
- 3.4.3 A body to which s/he has been appointed or nominated by the Council as its representative.

**Provided the member does not have a disclosable pecuniary interest as a result of any financial gain they receive as part of that role.**

***Examples of circumstances in which Members and Officers would be expected to disclose an interest and not participate in consideration of the related item include:***

- ***A member or officer's own application or made on her/his own behalf or circumstances where (despite the requirements of paragraph 2.2 above) a member or officer is representing or acting as agent (in any capacity) for an applicant. Any such application must be dealt with at an area planning panel. [A member will usually have a disclosable pecuniary interest in any planning application made on their behalf].***
- ***The involvement of a member or her/his family in a consultancy, agency or company that may potentially be involved in related land or property dealings or construction within the district***
- ***Close working relationships, friendships or family connections of a member or officer with a consultancy, agency, developer, construction company or land or property owners (other than a member's own home) which operates in the locality and has an interest in a planning application or development generally within the district.***
- ***Close neighbours involved in a planning application.***
- ***Where a Planning Member lives in very close proximity to the Site or location of issues related to a planning matter and it could be perceived by the public that the member concerned could be directly affected in their personal capacity by the matter in issue.***

- *Where an elected member is also a member, representative or employee of an organisation, charity, society, campaigning or pressure group or club, which has a direct interest though not necessarily a pecuniary interest in a planning application, including a voluntary organisation, development or partnership agency, housing association, etc.*
- *Membership of another committee, sub-committee or advisory body of the Council that is promoting, advocating approval of, or has passed a resolution opposing an application.*
- *Where a member has an interest which is not a disclosable pecuniary interest as set out above in land or property subject to discussion as part of the Local Plan process.*

*There may be circumstances where a member only becomes aware that s/he has an interest during discussion of the item at the meeting. In the circumstances the member concerned should bring this to the attention of the chair disclose the nature of the interest, and leave the meeting room during all subsequent consideration of the item. The legal responsibility lies with individual members to disclose an interest where appropriate. Legal advice should always be sought where in doubt, but generally speaking members should always err on the side of declaring an interest where there is any uncertainty.*

## 4 Predetermination and Bias

4.1 Members of the Planning Panel or the Regulatory and Appeals Committee should avoid openly expressing a view for or against a proposal or act as advocate for the views of interested supporters or objectors in advance of the meeting until after they have heard or considered all relevant material evidence and arguments (including issues observed at any related formal site visit).

*To do so could lead a fair minded and informed observer to conclude that there was a real risk that the member concerned had predetermined the outcome.*

4.2 Where despite the advice given in 4.1 a planning member has put themselves in a position where they could be considered or perceived to have predetermined the outcome of a planning decision then they must disclose this fact at the start of the meeting and a record of such disclosure will be made in the minutes of the meeting. The member concerned must not then participate in any discussion or determination of the item.

4.3 Having disclosed that they could be considered or perceived to have predetermined the outcome of a planning decision then having stood down from the Regulatory and Appeals Committee or Planning Panel during discussion of an item it is not appropriate for that member to seek to speak as an objector or supporter of the application or planning proposal in question.

*Planning members need to take account of the general public's (and the Ombudsman's) expectation that a planning application will be processed and determined in a transparent, open and fair manner, in which members taking the decision will take account of all the evidence presented before arriving at a decision, and that to commit themselves one way or the other before hearing all the arguments and evidence makes them vulnerable to an accusation of partiality. The determination of a planning application is a formal administrative process involving rules of procedure, rights of appeal and an expectation that people will act reasonably and fairly, with the added possibility that an aggrieved party may seek Judicial Review of the way in which a decision has been arrived at, or complain to the Ombudsman on grounds of maladministration.*

*Members should be aware that in most cases issues of predetermination will not amount to a personal or prejudicial interest for the purposes of the Council's Members Code of Conduct. However, depending on the facts of the case there is the potential for allegations of breaches of paragraph 14 and/or 15.1 of the Council's Members Code of Conduct i.e. because a planning member who renders the decision of a council unlawful due to predetermination might reasonably be regarded as bringing the authority or her/his office into disrepute or attempting to use their position on the determining panel/committee to improperly confer or secure advantage for their self or another person.*

*There may be cases where issues of predetermination also bring into question possible issues of personal and prejudicial interests. An example of this would be where a planning member has publicly made a firm statement about how an application should be determined where that member also has a close friendship or association with the applicant or an objector. In such circumstances both a declaration of a personal and prejudicial interest; and a disclosure that the member could be considered or perceived to have predetermined the outcome of the planning decision should be made.*

*The Council's Constitution allows for planning applications to which the Town and Country Planning (Consultation) (England) Direction 2021 apply to be referred by the Strategic Director Place to the Planning Panel so that the Panel can express its views and then, if the Panel would have been minded to grant the application, make a recommendation to the Regulatory and Appeals Committee. This process gives rise to the possibility of a member of the Panel who is also a member of the Committee having expressed their views and voted on an application by the time the application comes before the Committee for determination. It is in order for such "dual hatted" members to fully participate when the application is considered by the Committee. However; in the interests of transparency, affected members are advised to publicly disclose their involvement with the Planning Panel but stress that they are approaching the matter at the Regulatory and Appeals Committee with an open mind and in the light of any new material planning issues that may be brought to their attention since the Planning Panel considered the application.*

## **5 Planning Applications from Councillors or Officers**

**5.1 If a councillor, officer employed within the planning service, or an officer recognised as part of the Council's Senior Leadership submits their own proposals or those of a spouse, partner, business associate or client, or close**

relative to the Council, they must take no part in its consideration. The Council's Strategic Director Place must be informed of such proposals. All such applications must clearly state on the application form the status of such a councillor or officer.

*These proposals must always be reported to the Committee or Planning Panel as main items and must not be dealt with by officers under delegated powers.*

5.2 **As part of the officer report to the Committee or Planning Panel, the Strategic Director Place must confirm the reason why the application is being reported to the Committee or Planning Panel in accordance with this requirement and name the officer or councillor concerned.**

## **6 Planning Applications from the Council**

6.1 **Proposals by the Council in relation to its own development must be treated in the same way as those by private developers in accordance with DoE Circular 19/92, or any other relevant circular, particularly in relation to officer advice and consideration of the planning merits of the application.**

6.2 **Councillors who sit on both the initiating committee and the determining Planning Panel or Regulatory and Appeals Committee must declare an interest and leave the meeting room when the application is being considered.**

## **7 Officer Reports**

7.1 **All officer reports to the Planning Panel or the Regulatory and Appeals Committee should generally be in writing and fully detailed, including the substance of all objections and other representations received.**

7.2 **Oral reports should generally only be used to update members about further material information or representations received after the agenda has been circulated. Oral reports may also be necessary where items have had to be referred to the Planning Panel or the Regulatory and Appeals Committee outside the main agenda for reasons of urgency. However, even in these circumstances officers should where time permits present a written report summarising the main material issues which can be circulated to members and interested parties.**

7.3 **Where oral reports or updates are given the minutes of the meeting should confirm that this information was given orally and fully note the substance of relevant information given in the oral report.**

7.4 **All reports should contain an exposition of the local development plan context, relevant planning policies, site history, a technical appraisal, and suggested reasons for approval/refusal/service of notices; any relevant conditions/planning obligations and a clear recommendation.**

7.5 Where the recommendation contained in the report would, if acted upon, be contrary to any policies set out in the local development framework then the report should fully detail the material circumstances justifying the recommendation.

#### Site Visits

7.6 Any elected member on the Planning Panel or the Regulatory and Appeals Committee who has been lobbied or taken part in discussions on independent site visits with respect to a planning matter, aside from the Committee or Planning Panel's approved site visit, must declare this at the Planning Panel or Committee meeting when the application is considered.

7.7 Any member of the Planning Panel or Regulatory and Appeals Committee may request a site visit. Site visits will only take place where the Chair is satisfied that the benefit in a site visit taking place is clear and substantial. A site visit is only likely to be necessary where –

- 7.7.1 the impact of the proposed development is difficult to visualise with the plans and any supporting material, including photographs taken by officers; or
- 7.7.2 the comments of the applicant cannot be expressed adequately in writing.

7.8 During a site visit any meeting of the Planning Panel or Regulatory and Appeals Committee is 'in session' and, in particular, the Chair is responsible for presiding over proceedings during a site visit.

Any member, who has previously declared a prejudicial interest in an agenda item subject to a site visit, should not participate in the related site visit.

7.9 Members should attend the site visit as a group and any representations on the site visit made by third parties may only be allowed at the discretion of the Chair and must be made to the visiting Planning Panel or Regulatory and Appeals Committee members as a whole.

7.10 Generally speaking such representations will only be allowed on the invitation of the Chair in order to clarify factual matters not apparent to members by way of visual inspection of the site alone.

7.11 Individual members should not enter into separate discussions with third parties on site visits in isolation from the Planning Panel or Regulatory and Appeals Committee Members as a whole.

7.12 No decision in respect of the planning application must be made on the site visit.

### 8 Lobbying

8.1 Elected members on the Planning Panel or Regulatory and Appeals Committee should avoid organising the support or opposition to planning applications,

**acting as an advocate in support or opposition to an application or lobbying other members.**

*Where a member is in this position they must declare an interest in the item and not participate.*

- 8.2 **Elected members on the Planning Panel or Regulatory and Appeals Committee must refer any approaches by lobbyists, agents, applicants, etc to planning officers.**
- 8.3 **Where members of the Planning Panel or the Regulatory and Appeals Committee are approached by developers wishing to discuss or make a special presentation of their development proposals outside of the formal meeting, then such requests should be declined.**

*If a special presentation would be helpful in reaching a decision, then with the agreement of the chair, this should be arranged as part of a formal meeting of the Planning Panel or Regulatory and Appeals Committee so that other interested parties are able to participate if they wish. The chair may, at her/his discretion, arrange a special meeting for this purpose.*

- 8.4 **Elected members must not put pressure on officers for a particular recommendation when officers are preparing reports for Panel.**
- 8.5 **More senior officers of the Council should not exert pressure on planning case officers to alter their recommendation on how a planning matter should in their professional opinion be determined.**

*The Royal Town Planning Institute Code of Professional Practice requires, inter alia, that Planning Officers who are members of the Institute do not make statements purporting to be their own, but which are contrary to their bona fide professional opinion.*

- 8.6 **Ward councillors who also sit on the Planning Panel or the Regulatory and Appeals Committee, when in receipt of representations from constituents must confine themselves simply to communicating the views of their constituents to planning officers or to the chair and the Planning Panel or Committee as a whole. They should not adopt a firm and fixed position on an application or other matter prior to the item being fully considered.**

**Where appropriate; correspondents or lobbyists should be directed to another ward councillor who is not on the Planning Panel or the Regulatory and Appeals Committee.**

- 8.7 **In order to ensure transparency of decision-making and avoid any imputation of unfair lobbying of the Committee or Planning Panel members, ward councillors who are not members of the Committee or panel should not attend or participate in official briefing meetings during discussions of items they are supporting or objecting to. The current agreed arrangements for briefing Committee and Planning Panel members on legal and procedural issues are included in the Appendix to this Code.**

8.8 **Party whips or the chairs of the Committee or Planning Panel must not direct any member, or officer acting under delegated powers, to vote on or determine an item in a particular way.**

*A standard letter explaining that members of the Committee and the Planning Panel have a neutral position on planning matters is available from the Strategic Director Place. This should be sent out to all applicants and objectors when representations are received.*

*As all ward members receive lists of planning applications in their ward, those not on the Committee or the Planning Panel should be advised of possible approaches by lobbyists in light of the constraints applicable to the Committee and Planning Panel members.*

## **9      Gifts and Hospitality**

9.1 **Where members of the Planning Panel or the Regulatory and Appeals Committee are offered hospitality or gifts from any person who they know or suspect to be an applicant, agent, or interested party (including an objector) in a planning matter due to be considered by the Planning Panel/Committee this should be declined.**

*Part 4D of the Council's Constitution contains detailed advice on the Protocol for Members Gifts and Hospitality.*

## **10     Right to make Representations**

10.1 **All Council members have the right to make written comments on an application and attend meetings of the Committee and the Planning Panel. Ward members also have the right to speak. Other members (subject to any issues concerning the need to declare an interest and not participate as discussed elsewhere in this Code) who have indicated that they wish to make representations on behalf of supporters or objectors may speak at the discretion of the chair and in line with procedures drawn up by the Strategic Director Place in consultation with the chair.**

*Members when approached should advise lobbyists, agents, applicants and objectors of any known public consultation arrangements, the standard representation system adopted by the Council (including timescales), for which there are information sheets and notes for guidance, and the public speaking rights available.*

## **11     Committee and Planning Panel Members Meeting Lobbyists**

11.1 **On those limited occasions where elected members on the Committee or the Planning Panel do meet lobbyists, etc, outside formal meetings or organised site visits they should do so whenever possible in the presence of a professional officer, preferably a planning officer. This is especially important if the lobbyists concerned are professionally represented.**

- 11.2 On attending any such meeting elected members of the Planning Panel or Regulatory and Appeals Committee should agree only to listen and question but should either express no comment or make it clear that they are unable to commit themselves to a point of view with lobbyists, agents, applicants or third party objectors, etc, prior to the full determination of the application by the Panel or the Committee.
- 11.3 The agenda of any such meeting should be restricted to material planning matters and relevant development plan policies as advised by the planning officer.
- 11.4 Elected members should not attempt to negotiate on planning matters with applicants, lobbyists, agents, or third party objectors, etc.
- 11.5 At the conclusion of any such meeting it must be made clear that any comments made by the elected members are personal rather than those of the Council, are made without prejudice and are provisional pending other evidence, consultations and officer advice.
- 11.6 A full record should be taken of the meeting and agreed outcomes should be minuted.
- 11.7 Where hospitality is offered a record of that offer should be kept, whether it is accepted or not. Where hospitality is unavoidable it should be kept to a minimum.

*It is important that members are seen to have taken account of all material considerations and representations before making a decision. Unrestricted contact with applicants, lobbyists, agents, or third party objectors outside of formal meeting runs the risk of decisions being perceived to be partial.*

## 12 Pre-application Discussions – Members and Officers

- 12.1 It should always be made clear at the outset that discussions will not bind the Council to making a particular decision and that any views expressed are personal, provisional and given without prejudice to full and proper consideration of any application that maybe made subsequently.
- 12.2 Advice should be consistent and based upon the Local Development Plan and other material considerations.
- 12.3 A written note should be made of any discussions or meetings. Two or more officers should attend potentially contentious meetings. A follow-up letter from the Council should set out the matters discussed, comments made, and any agreed action.
- 12.4 Care must be taken to ensure that advice is not partial (nor seen to be) otherwise a subsequent report could appear to be advocacy. To maintain impartiality, and its appearance, it is preferable that councillors do not take part in such discussions. Should there, however, be occasions when councillors are involved they should be advised by appropriate professional officers from the Council (which must always include a senior planning officer) and be

authorised, on a case-by-case basis, by the Planning Panel or following notification to the chair or deputy chair. The actual officer(s) who will attend must be agreed in advance between the chair and the Strategic Director Place.

12.5 The involvement of councillors in such discussions should be recorded in the Committee or Planning Panel report (where appropriate) and notes of the meeting (which should always be sent to all parties attending the meeting) must be kept on the planning file.

### **13 Decisions by Officers Under Delegated Powers**

13.1 The principles and spirit of this Code apply equally to planning decisions taken by officers under delegated powers.

13.2 All such decisions must be made on their planning merits and in accordance with Standing Orders and the Scheme of Delegation of Planning Decisions.

### **14 Function of Agenda Preparation Meeting**

14.1 The role of the agenda preparation meeting should be confined to appraising the chair of the planning implications and representations made about particular applications or other planning matters for the purpose only of deciding which of these should be referred to the Committee or Planning Panel or can be dealt with by officers under the Scheme of Delegation of Planning Decisions. When a member requests in writing, or by any other formal means, that an application which relates to their ward be considered by the Committee or the Planning Panel, as appropriate, the application shall be considered by the Committee or Panel in accordance with the Scheme of Delegation approved by the Regulatory and Appeals Committee.

14.2 No actual decisions on any individual applications should be made at an agenda preparation meeting by officers, nor should any pressure be put on officers or directions given by the chair, other members or more senior officers on how a particular application or planning matter should be determined by officers.

14.3 Under Article 14 of the Constitution, the Strategic Director Place is always entitled to refer any item to the Planning Panel or the Regulatory and Appeals Committee where s/he considers it expedient to do so. The Strategic Director Place should not be pressurised or instructed to waive the exercise of this right where s/he considers this to be desirable.

### **15 The Decision of Officers**

15.1 No decision of officers acting under delegated powers should be taken without the benefit of a proper written appraisal of all the relevant planning issues.

- 15.2 A full and formal record of the decision must be made, including details of the relevant part of the Scheme of Delegation giving authority to the officer concerned, any relevant planning conditions, and any relevant reasons for refusal or reasons for serving planning notices.
- 15.3 All such written records should be dated and kept in an official 'Record of Delegated Decisions' that must be open to public inspection.
- 15.4 Any decisions taken under delegated powers should be taken entirely separate to the agenda preparation meeting.
- 15.5 There should not be any reference to the agenda preparation meeting in the Record of Delegated Decisions.

## **16 Enforcement**

- 16.1 The Standards Committee has responsibility for dealing with any breach of this Code.
- 16.2 Allegations of any breach must be made in writing to the Monitoring Officer.
- 16.3 Breach of the rules applying to officers may be the subject of disciplinary action.

## **17 Training in the Planning Process for Planning Members**

- 17.1 All full and alternate members of the Planning Panel or the Regulatory and Appeals Committee must undertake initial training on how the planning system operates as provided by the Council in a seminar and/or workshop programme, or individual training sessions with Members, within 8 weeks of appointment to their role.
- 17.2 Newly appointed planning members must not sit as members of the Planning Panel or the Regulatory and Appeals Committee unless or until they have obtained a certificate issued by the Assistant Director Planning confirming that they have received such initial training; save that the Director of Legal and Governance may, in consultation with the Chair of the Panel/Committee, grant a temporary dispensation allowing a member who has not yet received such initial training to participate in a meeting in the interests of efficient administration in order to ensure the meeting is quorate.
- 17.3 Where a temporary individual dispensation has been granted to a planning member in accordance with 17.2 above; where practicable the member concerned should receive a detailed briefing on the material planning issues by officers prior to the meeting and be subsequently required to receive initial training as soon as reasonably practicable thereafter.
- 17.4 All Members with a role within the planning process must take reasonable steps to attend or participate in relevant update and refresher

**training/briefing initiatives as and when such initiatives are made available by the Council.**

## **18 Annual Review of Planning Decisions**

- 18.1 Officers will make arrangements to provide for an annual review of planning decisions, including decisions to take enforcement action, made by its committees, officers, by the Planning Inspectorate on appeal and of cases considered by the local government ombudsman. The review will be reported to the Regulatory and Appeals Committee for consideration.**
- 18.2 The review will provide for the selection of sample decisions and will include examples from each area of the district and of both major and minor applications. If deemed appropriate by the Chair of the Regulatory and Appeals Committee site visits will also be arranged to view some of the sample sites “as built”.**

*The Audit Commission in its Building in Quality: A Study of Development Control (Local Government Report) (published 14<sup>th</sup> May 1992) recommended that planning members should be given the opportunity to revisit a sample of implemented planning permissions in order to assess the quality of decision-making. Such a review should act as an aid to improve the quality and consistency of decision-making, strengthen public confidence in the planning system, and help identify areas that justify review of planning policies or procedures.*

*All full and alternate members of the Planning Panel and the Regulatory and Appeals Committee will be invited to the review meeting.*

## APPENDIX

### Order of Business at the Regulatory and Appeals Committee and Planning Panel and the Briefing Arrangements

1. A short all party briefing restricted to members of the Committee or the Planning Panel and advising officers will take place prior to the Committee or the Planning Panel meetings to deal with any questions from members about legal and procedural issues such as obtaining advice about declarations of interest. Any member who intends to declare an interest on any item on the agenda should absent her or himself during substantive discussion of the item at the briefing.
2. The meeting will be opened and the officer report presented on each of the items on the agenda of the Committee or the Planning Panel. Ward members, developers, the public and other third parties will be heard at the discretion of the chair and in accordance with established protocol agreed by the chair in accordance with the Council's Constitution. Questions of clarification will be answered and at this point the meeting will have the discretion to either move to a decision or to defer a decision until later in the day because of the need for further information, legal advice or a site visit. Site visits will be agreed.
3. If site visits have been agreed these will take place.
4. On return from site visits the Committee or the Planning Panel may decide to meet as a whole for a further briefing in order to receive advice and discuss any issues which may have arisen from any requests for further information, legal advice arising from the meeting or from the site visits. Any member who has declared an interest (and the interest is a prejudicial interest on any item on the agenda) should absent her or himself during discussion of the item at the briefing.

*This order of business will have the advantage of transparency in that no discussion on the merits of an application will have taken place before all parties have had the chance to have their say.*

## PART 4C Protocol on Member-Officer Relations

### 1 Introduction

- 1.1 Effective local governance and community leadership depends on good working relationships between members and officers.
- 1.2 This Protocol provides rules (set out in **bold** type) and guidance (in *italics*) for members, co-opted members and officers in their working relations with each other.

The Protocol covers the more common working situations, but is not comprehensive. The principles underlying it may be applicable to other situations.

- 1.3 This Protocol applies only to working relations between members in their role as members and officers in their capacity as officers.

### 2 Working Relations

- 2.1 **Members and officers shall establish sound and effective working relations that seek to engender mutual respect and put aside any personal differences.**
- 2.2 *Both councillors and officers are servants of the public and they are indispensable to one another. But their responsibilities are distinct. Councillors are responsible to the electorate and serve only so long as their term of office lasts. Officers are responsible to the Council. Their job is to give advice to councillors and the Council and to carry out the Council's work under the direction and control of the Council, their committees and sub-committees. Mutual respect between councillors and officers is essential to good local government. Close personal familiarity between individual councillors and officers can damage this relationship and prove embarrassing to other councillors and officers. Close personal familiarity must be avoided in the course of Council business.*
- 2.3 *The National Conditions of Service for Staff in Local Government provide:*

**“The public is entitled to demand, of a local government officer, conduct of the highest standard.”**
- 2.4 *Members and officers must recognise their different roles, needs and objectives. They must be ready to discuss positively how working relations between each other can most effectively be developed. Members and officers must set aside any personal differences in the interests of maintaining effective working relations.*
- 2.5 *It is important that officers develop political awareness of issues that are sensitive to the individual political groups represented on the Council.*

### 3 Courtesy and Respect

- 3.1 **Members and officers will adopt reasonable standards of behaviour and courtesy towards each other and will not take or attempt to take unfair**

**advantage of their position. Members and officers will treat each other with mutual respect.**

- 3.2 *The use of more extreme forms of behaviour and emotion is rarely conducive to establishing mutual respect and is not a basis for constructive discussion. On the other hand, over familiarity can be misconstrued and give rise to unhelpful tensions.*
- 3.3 *Members and officers should have regard to the formality of the occasion as to the mode of address they choose to adopt. In particular, in formally convened meetings and/or meetings open to the public a formal mode of address should be adopted. In all other cases members and officers will respect preferred modes of address.*

#### **4 Officers Giving Advice and Information to Political Groups**

- 4.1 **Advice and information given by officers to political groups will only relate to Council business. Officers will not advise on political business.**
- 4.2 **Members will organise political group meetings to distinguish between Council and political business. Officers will not attend political meetings whilst political business is being discussed.**
- 4.3 **Officers will be even handed in giving advice and information when briefing a political group or members individually.**
- 4.4 **Officers will respect the confidentiality of any political group discussion at which they are present or with individual members and will not relate the content of any discussion to another political group or member.**
- 4.5 *The existence of political groups is recognised by legislation. It is common practice for political groups to consider matters of Council business, whether collectively within the political group as a whole or at pre-meeting briefings involving the members of the political group on the decision making body. Officer advice and information may legitimately be sought by political groups to enable them to consider the options for dealing with Council business.*
- 4.6 **Council decisions can only be made by the Council, the Executive or a delegated decision making body of the Council and not by political groups.**
- 4.7 *Officers shall tender their advice impartially and, where advice is sought from more than one political group, officers must offer the same advice to each political group. Officers may be asked questions at a briefing but these rules do not require an officer to inform other political group briefings of the questions and answers given.*
- 4.8 *Officers should be mindful that their responsibility in giving advice and information is to the relevant decision making body and that giving advice to pre-meeting briefings is no substitute.*
- 4.9 *Where officers have given advice and information in briefings to all political groups represented on the committee, it may be appropriate, with the agreement of the chair, to indicate this fact at the decision-making meeting. Officers may then state that they have no further additional advice or comment to make on their reports.*

4.10 *Both members and officers should be mindful that the presence of persons who are not members of the Council at political group meetings or pre-meeting briefings may limit any advice and information an officer may provide. Persons who are not members or co-opted members of the Council are not bound by the Members' Code of Conduct.*

## **5 Support Services to Members**

5.1 *Members will, except where arrangements are otherwise approved, use support services and resources provided by the Council only for Council business. Support services shall not be used for political purposes unless that use could reasonably be regarded as likely to facilitate, or be conducive to, the discharge of the functions of the Council or of the office to which the member has been elected or appointed. Support Services shall not be used for campaigning activity. Support services shall also not be used for private purposes save as detailed in the Protocol on Members Use of Council Resources including Use of E-mail and the Internet.*

5.2 *The Council provides support services to members (including stationery, typing, printing, photo-copying, personal computers, laptop computers, e-mail and internet facilities, travel, transport and parking arrangements, etc.) to assist members in discharging their role as members of the Council.*

5.3 *E-mail and internet facilities must not be used by members or officers on behalf of members to publish to the public at large or a section of the public any material which, in whole or part, appears designed to affect public support for a political party contrary to the Local Government Act 1986.*

5.4 *In using e-mail facilities for Council business, members should address communications only to appropriate named members, officers or other persons and should avoid the use of wider circulation lists, including those to Council employees, which may constitute a section of the public under the 1986 Act.*

5.5 *Members should seek guidance from the Director of Legal and Governance on any communication intended for wider circulation.*

5.6 *Support services are provided to the political group leaders by the Chief Executive's Office. Individual services may, in addition, provide support services to an executive member with portfolio, lead members and chairs of any committee or panel.*

## **6 Communications**

6.1 **Officers will not, without the agreement of the author, copy a letter marked as 'private' or 'confidential' or both from a member to another member.**

6.2 **Members shall not, within their communications, purport to make decisions on behalf of the Council.**

6.3 *Most correspondence will be open and may be copied as a part of the normal arrangements for dealing with the matter within it. Members may, from time to time, raise matters confidentially with officers and such confidences shall be respected.*

6.4 *It may be necessary or appropriate for an officer to discuss the content of a confidential letter with another member, particularly where political consultation is required before action is taken under officer delegated powers. In these circumstances, the letter should not be copied or shown to another member or the identity of the author revealed.*

6.5 *Individual members (other than duly delegated executive members) have no power to make decisions on behalf of the Council. Members shall avoid suggesting or implying within their correspondence that they have made Council decisions. Members wishing to write correspondence relating to recent decisions should liaise with relevant officers in order to avoid any confusion.*

6.6 *Official communications letters and decision documents on behalf of the Council in relation to the Council's functions should be made by the relevant officer. In exceptional circumstances it may be appropriate for an official communication to be made by a member and this should only be undertaken in liaison with the relevant officer.*

## 7 Electronic Communications

7.1 **Members and officers must not use to their advantage information that has been communicated to them in error.**

7.2 *The use of e-mail and other electronic facilities is encouraged. Whilst electronic communications will tend to involve less formality than written communication, members and officers should avoid in e-mail and other electronic communication between them a level of informality that may be perceived as close personal familiarity.*

7.3 *Members and officers should only circulate e-mail communications to intended recipients and wide or general circulation should be avoided.*

7.4 *Members and officers are advised to include a caveat within e-mails on the following lines:*

7.4.1 *This email, and any attachments, may contain Protected or Restricted information and is intended solely for the individual to whom it is addressed. It may contain sensitive or protectively marked material and should be handled accordingly. If this email has been misdirected, please notify the author immediately. If you are not the intended recipient you must not disclose, distribute, copy, print or rely on any of the information contained in it or attached, and all copies must be deleted immediately. Whilst we take reasonable steps to try to identify any software viruses, any attachments to this email may nevertheless contain viruses which our anti-virus software has failed to identify. You should therefore carry out your own anti-virus checks before opening any documents. Bradford Council will not accept any*

liability for damage caused by computer viruses emanating from any attachment or other document supplied with this email. Emails may be subject to recording and / or monitoring in accordance with relevant legislation.

## **8 Specific Member/Officer Working Relations**

8.1 **Members and officers will not allow a working relationship to become so close or appear to be so close as to bring into question the officer's ability to deal impartially with other members and political groups.**

8.2 *There should be close working relations between, on the one hand, executive members with portfolio, executive committee and other committee and panel chairs and other members designated as having a lead, link or shadow responsibility, and on the other hand relevant members of Senior Leadership, and other senior officers.*

8.3 *Executive members with portfolio, executive committee and other committee and panel chairs may routinely be consulted by officers prior to them making decisions under delegated powers. The law only allows for decisions relating to the discharge of any of the Council's functions to be taken by full Council, the Executive, a committee or member of the Executive or a committee, sub-committee or an officer. It is important that it is clear who made a decision.*

8.4 *The Director of Legal and Governance is responsible for determining the agenda for a formally convened meeting of a committee or panel. The chair of the committee or panel will be consulted as a part of the agenda preparation for meetings.*

8.5 *Officers having delegated decision-making authority are entitled, where considered expedient, to refer a matter to the Executive, Governance and Audit Committee, Wellbeing Board, the Regulatory and Appeals Committee, Licensing Committee or appropriate Committee or sub-committee for decision. Senior Leadership are responsible for the contents of all reports submitted in their name.*

8.6 *Members must acknowledge that officers within a department are accountable to their superior officer. Officers should always be prepared to assist members, but they cannot go beyond the bounds of the authority given to them by their superior officer and they should not be asked to do so.*

## **9 Overview and Scrutiny Committees**

9.1 *When discharging their roles of overview and scrutiny and holding the Executive to account, Overview and Scrutiny Committees may request or require Executive members to attend meetings and answer questions. Executive members may require briefings from officers to assist them in responding to such questioning. In responding, officers must seek to ensure that the information provided is factually correct and complete. Officers must be mindful in providing support to Executive members that such support does not undermine the integrity of the member or their own impartiality as an officer. Overview and Scrutiny committee members may question officers at committee meetings and when conducting a scrutiny. Whilst*

*questions may be challenging, members should seek to question officers in a positive and constructive way and should avoid any emotive or aggressive approach.*

9.2 *In responding officers should be open, constructive and helpful and should seek to provide full answers.*

## **10 Involvement of Ward Councillors**

10.1 **Ward Members will be invited to attend any public meeting organised by the Council which relates to issues within their ward.**

10.2 *Ward Members must be appraised of local issues within their ward and involved in any public meeting or consultation exercise. They must be notified, at the outset, of any consultation on a local issue in their ward.*

## **11 Involvement on Other Bodies**

11.1 *Members and officers are occasionally appointed as the Council's representative or nominee to another body. Members and officers may be members of other bodies other than by reason of their position in the Council. Where members or officers are in the capacity of company Director or Trustee they must, in making decisions for that body, have regard to the interests of that body. There is the potential therefore for a conflict of interest between that of the Council and the other body to occur (for example, the provision of confidential information).*

11.2 *Where members and officers are involved with other bodies, they must in their working relations with each other be mindful as to the possibility of a conflict of interest. In the case of any conflict, members and officers should seek advice from the Director of Legal and Governance.*

## **12 Members Access to Information and to Council Documents**

12.1 **Officers will provide relevant information, access to documents, advice and explanation that members may reasonably request and is necessary for them to fulfil their responsibilities as a councillor. A request will only be refused for reasons clearly stated in accordance with the law.**

12.2 **Members will use any information provided only for the purposes of properly performing their duties as councillors and shall treat as confidential all information received unless made public by law or with the express or implied consent of the Council.**

12.3 **Members will not disclose or use confidential information for personal advantage or advancement or for the advancement of their friends, family members, employer or business interests or to the disadvantage or discredit of the Council or anyone else.**

12.4 *Members are free to approach any Council department for information. A request may relate to one or more of the following:*

12.4.1 *Information which is recorded or readily ascertainable.*

12.4.2 *Access to a specific document or documents.*

12.4.3 *Information which is not readily available without research.*

12.5 *A request should be made to the Appropriate Officer in the first instance, normally the responsible manager. It is for the Appropriate Officer to determine what information ought reasonably to be provided in response to the request. A response should be provided within 5 working days, but if this proves not possible, the delay must be explained and a clear indication should be given when a substantive response will be provided.*

12.6 *A ‘document’ includes any document or recorded information produced with Council resources whether in electronic or physical form, but does not include any document that forms a part of the internal workings of a political group.*

12.7 *Members shall, on request, be provided with a copy of any document unless it contains exempt information within the meaning of Schedule 12A of the Local Government Act 1972.*

12.8 *Members who do not sit on the Executive, a relevant committee, sub-committee or panel may only see documents which contain exempt information within the meaning of Schedule 12A of the 1972 Act if they can demonstrate a clear ‘need to know’.*

12.9 *Members should, before requesting information, consider whether the information is necessary for them to discharge their duties as a councillor. Members may be asked to demonstrate their ‘need to know’ where this is not clear to the Appropriate Officer by virtue of their membership of the Executive, committee or panel or their representational role. Information should not be sought simply because members are curious about a matter.*

12.10 *In the event of a refusal, the Executive, the relevant committee or panel may determine the question of access to documents.*

12.11 *Members will necessarily acquire much information that has not yet been made public and is still confidential. It is a betrayal of trust to breach such confidences. Members should never disclose or use confidential information for the personal advantage or advancement of themselves or of anyone known to them, or to the disadvantage or the discredit of the Council or anyone else.*

### **13 Member Briefings**

13.1 **Officers will make arrangements for briefing the Political Group leaders, executive members with portfolio and committee and panel chairs and other members designated as having a lead, link or shadow responsibility, about business within their remit.**

- 13.2 *The Appropriate Officer will, except in the case of the Overview and Scrutiny Committees, the Regulatory and Appeals Committee (including panels appointed by the Committee), area committees and the Standards Committee, arrange briefings having first consulted the Leader of Council, the appropriate executive member with portfolio or their nominee as may be appropriate.*
- 13.3 *In the interests of efficiency, briefings will normally be all-group with members meeting together. There shall be a facility for breaks to take place at the request of any political group to have consultations. At the request of a political group, briefings may take place separately with each political group making the request. When undertaken separately, the Appropriate Officer will provide the same information to each political group.*

## **14 Managing Tension Between Different Roles**

- 14.1 **Members and officers must recognise the different roles and responsibilities of bodies established within the constitution and the potential for tension between them.**
- 14.2 **Members and officers must seek to manage any such tension so as not to compromise the integrity of each other and the bodies involved.**
- 14.3 *Members of bodies making requirements of officers, such as the production of a report, must acknowledge the need of officers to balance resources between competing demands of all bodies.*

## **15 Personal Interests**

- 15.1 **Officers must not through their relationships with members seek to advance their personal interests or to improperly influence decisions.**
- 15.2 **Members must not seek to use their position as members to advance the personal interests of officers.**
- 15.3 **A member must not give a reference on behalf of an officer if the member is in any way involved in the recruitment process.**

## **16 Publicity**

- 16.1 *The law prohibits the Council from publishing any material which, in whole or in part, appears to be designed to affect public support for a political party.*
- 16.2 *In determining whether material falls within the prohibition regard shall be had to the content and style of the material, the time and other circumstances of publication and the likely effect on those to whom it is directed and, in particular, to the following matters:*

- 16.2.1 *Whether the material refers to a political party or to persons identified with a political party or promotes or opposes a point of view on a question of political controversy which is identifiable as the view of one political party and not of another*
- 16.2.2 *Where the material is part of a campaign, the effect which the campaign appears to be designed to achieve*
- 16.2.3 *The Council may not give financial or other assistance to a person for publication of material which the Council is prohibited from publishing itself.*

16.3 **Members must not use or seek to use council money or resources including officer time, office facilities and I.T. equipment for the production or issue of any material that may contravene these requirements.**

## **17 Criticism of Members and Officers**

- 17.1 **Members and officers shall not engage in open criticism of each other.**
- 17.2 **Members will not comment openly or through the media on the conduct of officers and officers will not comment openly or through the media on the conduct of members. This rule is particularly applicable to comment by a member or officer in relation to any pending or ongoing complaint or disciplinary process involving a member or officer.**
- 17.3 *Members and officers may consider that criticism is from time to time justified. However, it is generally neither possible nor appropriate for officers or members to defend themselves in a public forum. Furthermore, open criticism may prejudice the bringing of disciplinary proceedings in circumstances where this might otherwise be appropriate. Open criticism is unlikely to be conducive to good member/officer working relations and may be damaging to morale within the Council.*
- 17.4 *Comment in relation to ongoing disciplinary proceedings may be used in the proceedings and prejudice their outcome.*
- 17.5 *Officer concern about the behaviour of members may be dealt with by reference to the appropriate provisions of this Code or through the procedure for dealing with member complaints.*

## **18 Political Group Leaders and the Chief Executive**

- 18.1 **The political group leaders and the Chief Executive will seek to develop appropriate working relations.**
- 18.2 *Regular briefing arrangements between the political group leaders and the Chief Executive are an essential part of the democratic machinery of the Council. It is important that the Chief Executive, as Head of the Paid Service, is accessible by all political groups represented on the Council through their respective leaders.*

## **19 Problems with Working Relations between Members and Officers**

- 19.1 Members and officers will seek to resolve any problems arising within their working relations.**
- 19.2 The relevant political group leader and the Chief Executive will seek to resolve by mediation and conciliation any unresolved problem or breakdown in working relationships between members and officers. Where the problem or breakdown relates to the group leader's own relationships with officers the deputy group leader and the Chief Whip will work with the Chief Executive in place of the group leader.**
- 19.3 *It is the responsibility of both members and officers to tackle and resolve problems arising within their working relationship. If this is not possible, the member and officer concerned must inform their political group leader and Chief Executive respectively. The political group leader and Chief Executive will endeavour to establish arrangements whereby any breakdown can be resolved.***

## **20 Enforcement**

- 20.1 The Standards Committee has responsibility for dealing with any breach of this Protocol.**
- 20.2 Allegations of any breach must be made in writing to the Monitoring Officer.**
- 20.3 The rules in this Protocol relating to officers are equivalent to disciplinary rules in respect of which the relevant disciplinary procedures may be applied, subject to the approval of the Chief Executive.**
- 20.4 In the event that a problem in working relations between a member and an officer cannot be resolved under paragraph 19 above, the relevant political group leader will refer it to the Standards Committee and the Chief Executive will refer it to the appropriate disciplining officer of Senior Management.**

## **PART 4D Protocol for Members on Gifts and Hospitality**

### **1 Introduction**

This protocol provides guidance for members of Council and independent and co-opted members (voting and non-voting) to assist in ensuring compliance with the requirements relating to Gifts and Hospitality contained in the Members' Code of Conduct.

### **2 General Caution**

- 2.1 Treat with extreme caution any offer or gift, favour or hospitality that is made to you personally which are (or which you reasonably believe to be ) offered to you because you are a councillor.
- 2.2 Your personal reputation and that of the Council can be seriously jeopardised by the inappropriate acceptance by you of a gift or hospitality and the presumption is that you do not normally accept significant gifts or hospitality.
- 2.3 The acceptance of gifts and hospitality is not always unlawful or inappropriate. The decision for you in every case is whether or not it is appropriate to accept any gift or hospitality that might be offered to you, having regard to how it might be perceived. However, you should not accept gifts or hospitality, irrespective of estimated value, which could give rise to real or substantive personal gain or a reasonable suspicion of influence on your part to show favour from persons seeking to acquire, develop or do business with the Council or from persons who may apply to the Council for any permission, licence or other significant advantage.
- 2.4 No hard and fast rules can be laid down to cover every circumstance as to what is appropriate or inappropriate. This Protocol offers general principles to enable you to make your own decision.

### **3 Criminal Law**

- 3.1 It is a criminal offence corruptly to solicit (ask for) or receive any gift, reward or advantage as an inducement to doing or agreeing to do anything in respect of any transaction involving the Council.

### **4 Limits of Guidance**

- 4.1 This Protocol does not apply to:
  - 4.1.1 Gifts and hospitality you may receive from family and friends (as birthday or other festival presents) that are not related to your position as a member. You should however question any such gift or hospitality offered from an unusual source.

You should ask yourself, would I have been given this if I was not on the Council? If you are in doubt as to the motive behind a gift or hospitality, it is recommended that you register it or speak to the Monitoring Officer. You should always register a gift or hospitality if it could be perceived as something given to you because of your position.

- 4.1.2 The acceptance of facilities or hospitality provided to you by the Council.
- 4.1.3 Gifts given to the Council that you accept formally on the Council's behalf and are retained by the Council and not by you personally.
- 4.1.4 Gifts and hospitality received by the Lord Mayor and Deputy Lord Mayor in the course of their civic duties.

## **5 Meaning of Gifts and Hospitality**

- 5.1 The expressions 'gifts' and 'hospitality' have wide meanings and no conclusive definition is possible.
- 5.2 Gifts and hospitality include:
  - The free gift of any goods or services.
  - The opportunity to acquire any goods or services at a discount or at terms not available to the general public.
  - The opportunity to obtain goods or services not available to the general public.
  - The offer of food, drink, accommodation or entertainment or the opportunity to attend any cultural or sporting event freely provided or heavily discounted.
- 5.3 Common gifts include pens, diaries, calendars and other business stationery, articles of clothing, books, flowers and bouquets.
- 5.4 Members should however be cautious when purchasing anything, when additional services, privileges or advantages are offered, which might be related to their position as a member.
- 5.5 Members are reminded that attendance at conferences at home or abroad must be undertaken in accordance with the agreed policy and procedures which are available on Councillors' Web. Specifically approval of the Chief Executive, the appropriate Strategic Director, Director or Director of Legal and Governance and the Group Whip is required in advance of any booking.

## **6 Appropriate Gifts and Hospitality**

6.1 There are some circumstances where you may accept gifts and hospitality as being in the normal course of your duties as a member subject always to the principles in paragraph 2.3 above.

- Civic hospitality provided by another public authority.
- Normal and modest refreshment in connection with any meeting in the course of your work as a member (eg tea, coffee and other normal beverages and biscuits).
- Tickets for sporting, cultural and entertainment events which are sponsored or promoted by the Council or bodies to which you have been appointed by the Council, and the tickets are offered in relation to that sponsorship or promotion.
- Small low value gifts (below £25.00 such as pens, calendars, diaries, flowers and other mementos and tokens).
- Drinks or other modest refreshment in the normal course of socialising arising consequentially from Council business (eg inclusion in a round of drinks after a meeting).
- Modest meals provided as a matter of courtesy in the office or meeting place of a person with whom the Council has a business connection.
- Souvenirs and gifts from other public bodies intended as personal gifts (eg arising from twin-town and other civic events).

## **7 Principles to Apply in Relation to Gifts and Hospitality**

In deciding whether it is appropriate to accept any gift or hospitality you must apply the following principles:

7.1 Do not accept a gift or hospitality as an inducement or reward for anything you do as a member. If you have any suspicion that the motive behind the gift or hospitality is an inducement or reward you must decline it.

Please Note: "Reward" includes remuneration, reimbursement and fee.

7.2 Never accept a gift or hospitality of significant value or whose value is excessive in the circumstances.

7.3 Do not accept a gift or hospitality if acceptance might be open to misinterpretation. Such circumstances will include gifts and hospitality:

- From parties involved with the Council in a competitive tendering or other procurement process.

- From applicants for planning permission and other applications for licences, consents and approvals.
- From applicants for grants, including voluntary bodies and other organisations applying for public funding.
- From applicants for benefits, claims and dispensations.
- From parties in legal proceedings with the Council.

7.4 Do not accept a gift or hospitality if you believe it will put you under any obligation to the provider as a consequence.

7.5 Do not solicit (ask for) any gift or hospitality and avoid giving any perception of so doing.

## **8      Gifts Received and Donated to the Lord Mayor's Appeal**

8.1 It has become customary for some members on receiving gifts of value not to retain these personally but to pass them to the Lord Mayor's Appeal Office for use in relation to the Lord Mayor's Appeal.

8.2 Members may continue to do this, but should indicate this intention to the provider and make this clear on the registration of gifts and hospitality form.

## **9      Registration of Gifts and Hospitality and notification to the Monitoring Officer**

9.1 The Members' Code of Conduct provides that:

A member must register with the Monitoring Officer, within 28 days of its receipt any gift or hospitality with an estimated value of at least £25.00. Details of the nature and source of that gift or hospitality should be included.

9.2 If you are in doubt as to the value of a gift or hospitality you should register it as a matter of good practice and in accordance with the principles of openness and accountability in public life.

9.3 A member should also register an accumulation of small gifts you receive from the same source over a short period, for example a couple of months, that add up to £25 or over in the interests of transparency.

9.4 Members must complete the gifts and hospitality registration form for all notifications and should include the name of the person or organisation who gave you the gift or hospitality, the date on which you received it, the reason it was given and its value or estimated value.

9.5 Members must also register with the Monitoring Officer any significant gift or hospitality that you have been offered but have refused to accept.

9.6 Members should always notify the Monitoring Officer of any gift or hospitality offered to you if it could be perceived as something given to you because of your position even where the hospitality falls below £25.

## **10 Reporting of Inappropriate Gifts and Hospitality**

10.1 It is a criminal offence for a person corruptly to give or offer any gift, reward or advantage as an inducement or reward to you for doing or forbearing to do anything as a member of the Council. You must immediately report to the Monitoring Officer any circumstances where an inappropriate gift or hospitality has been offered to you.

10.2 You may thereafter be required to assist the Police in providing evidence.

## **11 Enforcement**

11.1 The Standards Committee has responsibility for dealing any breach of this Protocol.

11.2 Allegations of any breach must be made in writing to the Monitoring Officer.

11.3 A breach of this protocol shall also amount to a breach of the Members' Code of Conduct.

## **PART 4F Protocol for the filming or recording of Council, Council Committee and Panels and Executive meetings**

### **1 Introduction**

The Council is committed to being open and transparent in the way it conducts its business. The press and members of the public are therefore welcome to film, photograph or record decision making in action at any Council meeting that is open to the public.

The Council also welcomes the use of social media, such as bloggers, tweeters, Facebook and YouTube users.

This Protocol provides practical information to assist anyone considering filming, videoing, photographing or making audio recordings of meetings.

### **2 Before the meeting**

Anyone intending to film or record a meeting should contact the Democratic Services Agenda Contact officer named in the report for advice and guidance. Reasonable advance notice will enable practical arrangements to be made and any special requirements to be discussed.

Flash photography, additional lighting or large equipment will not be permitted, unless agreed in advance and it can be accommodated without causing disruption to the proceedings. Requests to use equipment of this nature will be subject to consideration of the constraints of the meeting rooms.

### **3 General**

Arrangements for recording will be advertised in advance on the agenda to ensure late arrivals missing the Chair's announcement are aware of recording taking place.

The Chair of the meeting or the relevant Executive Member will be informed of any intention to film and s/he will make an announcement to attendees before the start of the meeting informing attendees that the whole or part of the meeting may be filmed. Anyone who remains at the meeting or during the consideration of the relevant item after the Chair's announcement will be deemed to have consented to the broadcast of their image.

A notice will also be posted on the door of the meeting room advising everyone who attends that the meeting may be filmed and that by attending the meeting they are consenting to the broadcast of their image.

Filming or recording must be non intrusive and the Council's Paragraphs 4.1.1 of Part 3b of the Constitution provides for the removal of a member of the public from a meeting in order to maintain orderly conduct or to prevent misbehaviour at a meeting. The Chair of a meeting may also call any part of the meeting room to be cleared in the event of a general disturbance.

## 4 During the meeting

Filming or recording of Meetings should:

- Not interfere with the effective conduct of the meeting, nor should it be disruptive or distracting. The Chair has discretion to suspend or stop filming or recording at any time and to take appropriate action if anyone is, in their opinion, doing so in a disruptive manner.
- Recording should not be accompanied by excessive noise in recording or setting up or re-sitting equipment when Members are considering business.
- Oral commentary is not permitted during the meeting as this would be disruptive to the good order of the Meeting.
- Not seek to 'overview' sensitive information such as close ups of confidential papers or private notes
- Usually take place from the designated area in the meeting room for the public.
- Not obstruct others from observing and participating in the proceedings.
- Not be intrusive on any member of the public who attends the meeting who indicates at the start of the meeting that they do not wish to be filmed or recorded.
- Cease immediately if and when the meeting agrees to formally exclude the Press and public due to business of an Exempt or Confidential nature (see 'Exempt or confidential business' below).
- Not film images of children (those under the age of 18 years) or vulnerable adults who might be attending the meeting.
- The Council reserves the right to respond to any inappropriate and misleading editing of a recording of a meeting which has been published in the public domain.
- When published or broadcast, recordings should be accompanied by information including when and where the recording was made and the context in which the discussion took place.
- Be overt (ie clearly visible to anyone at the meeting).
- Cease, unless continued filming has been explicitly agreed with the Council's Building Custodian, when the meeting is formally concluded.

## **5 Exempt or confidential business**

All meetings of Council, the Executive, Committee, Sub Committee and Panel meetings are open to the public except in limited circumstances where the Council is legally required, or allowed, to close the whole or part of the meeting to the public. The circumstances where business is 'exempt' or 'confidential' are set out in Paragraphs 4.2 and 4.3 of Part 3b of the Constitution.

## **6 Data Protection and other responsibilities**

Recording and reporting the Council's meetings is subject to the law and it is the responsibility of those doing the recording and reporting to ensure compliance. This will include the Human Rights Act, the Data Protection Act and the laws of libel and defamation.

The Data Protection Act 2018, does not prohibit the overt filming and recording of council meetings, where participants have given their consent to be so filmed or recorded. However, under no circumstances will filming, recording or photographs of children (under 18) be allowed without the expressed written consent of a parent or guardian.

If an individual films or in any way records or uses personal data from a Council meeting for a commercial purpose then they should be registered as the Data Controller for that information. It will be the responsibility of the individual concerned to ensure that they are appropriately registered and are fully compliant with applicable laws and procedures.

## **PART 4G Protocol for Webcasting of Council Meetings**

### **1 Introduction**

The City of Bradford Metropolitan District Council has agreed that certain meetings should be the subject to live web transmission ('web casting'), or recorded for subsequent transmission. Fixed cameras are located within the Council Chamber and Committee Room 1 for this purpose. Exempt or confidential items (included in Part B of any Agenda) will not be web cast. This protocol does not affect existing restrictions in the Council's Standing Orders on the recording, photographing or filming of proceedings by any person other than the Council.

### **2 Main Provisions**

This protocol has been produced to assist the conduct of web cast meetings and to ensure that in doing so the Council is compliant with its obligations under the Data Protection Act 2018 and the Human Rights Act 1998. Accordingly the following will apply to all meetings to be web cast by the Council:

- 2.1 The Lord Mayor or Chair of the meeting has the discretion to terminate or suspend the webcast if in their opinion continuing to web cast would prejudice the proceedings of the meeting. Circumstances that could lead to suspension or termination of web casting include public disturbance or other suspension of the meeting or the potential infringement of the rights of any individual.
- 2.2 No exempt or confidential agenda items shall be web cast, and no part of any meeting will be web cast after the Council has voted to exclude the press and public because there is likely to be disclosure of exempt or confidential information.
- 2.3 Subsequent to the meeting editing of the webcast may take place if there is a legal reason, confidential personal information was inadvertently disclosed, defamatory comments made or an exceptional circumstance occurs during filming. Requests for the editing of the content of a webcast can be made to the Director of Legal and Governance who will authorise any removal of content (if appropriate, in consultation with the Leaders of the two largest political groups on the Council).
- 2.4 Subject to paragraph 2.5 below all archived webcasts will normally be available to view on the Council's website for a period of one month.
- 2.5 Archived webcasts or parts of webcasts may be removed from the Council's website if the Director of Legal and Governance considers that it is necessary because all or part of the content of the webcast is or is likely to be in breach of the law, for example Data Protection or Human Rights legislation or provisions relating to confidential or exempt information.
  - a) The Council owns the copyright in the webcasts.
  - b) Any elected Member who is concerned about any webcast should raise their concerns with the Director of Legal and Governance.

- c) Webcasts containing personal or confidential information will not be retained or archived.
- d) The Council will endeavour to ensure that children and young people under the age of 16 or any person considered to be vulnerable will not be filmed.

2.6 If the web cast is halted by a technical reason Public-i will inform the Director of Legal and Governance or her representative as soon as is practically possible so the meeting can be informed of what has occurred. The Director of Legal and Governance will be informed by Public-i of the explanation why the webcasting failed as soon as possible, what can be done to resume it and/ or recover the lost recording and what action will be taken to prevent a reoccurrence. The political group leaders will be informed of the corrective action being undertaken.

2.7 A member of the public attending the meeting must indicate if they have concerns about being filmed to the Director of Legal and Governance or her representative on arrival. Advice will then be given on the best place to sit in the meeting room to avoid being filmed. If the attendee is making a spoken contribution to the meeting action will be taken to ensure that the webcast operator focuses the camera on the Lord Mayor or Chair. If despite these precautions individuals are filmed, the Council can accept no liability as attendance at the meeting is on the basis that consent is given to filming.

### **3 Agenda Front Sheets and Signage at Meetings**

Included in each agenda and on signs to be displayed inside and outside the meeting room there will be the following notice:-

#### **WEBCASTING NOTICE**

**Please note: this meeting may be filmed for live or subsequent broadcast via the Council's internet site – at the start of the meeting the Lord Mayor or Chair will confirm if all or part of the meeting is being filmed.**

**You should be aware that the Council is a Data Controller under the Data Protection Act. Data collected during this webcast will be retained in accordance with the Council's published policy.**

**Generally the public seating areas will not be filmed. However, by entering the meeting room and using the public seating area, you are consenting to being filmed and to the possible use of those images and sound recordings for webcasting or training purposes.**

## **Meals Provided Free of Charge**

Members are required to deduct an appropriate amount from the subsistence allowances in respect of any meals provided free of charge by an authority or body during the period to which the allowance relates. The allowance cannot therefore be claimed where a free meal has been provided.

## **Meals Taken on Trains**

Where main meals are taken on trains during the period for which there is an entitlement to a subsistence allowance the reasonable cost of meals (including VAT) shall be reimbursed in full. This will then replace the meals allowance set out above.
