City of Bradford Metropolitan District Council

NOTICE OF DESIGNATION OF CONSERVATION AREA

PLANNING (LISTED BUILDING AND CONSERVATION AREAS) ACT 1990 SECTION 69

CITY OF BRADFORD METROPOLITAN DISTRICT COUNCIL NORTH PARK ROAD CONSERVATION AREA

Notice is given under the Planning (Listed Buildings and Conservation Areas) Act section 69 that City of Bradford Metropolitan District Council ("the Council") have reviewed the above-named conservation area, designated on 8 September 2005 and determined that the boundary of the conservation area should be amended. Accordingly the Council have determined that the conservation area should be re-designated and that the area described in the schedule to this notice should be regarded as an area of special architectural or historic interest the character of which it is desirable to preserve or enhance. The effect of the re-designation of the conservation area is as follows: 1. Conservation area consent will now be required for the demolition of all unlisted buildings (other than excepted buildings) in the area; 2. Planning applications for development which would in the opinion of the local planning authority affect the character or appearance of the conservation area must be given publicity and representations received as a result of the publicity must be taken into account in determining the application; 3. It becomes an offence subject to certain exceptions to cut down, top, lop, uproot, wilfully damage or wilfully destroy any tree in the area except with the consent of the local planning authority; 4. The local planning authority are now under a duty to formulate and publish proposals for the preservation and enhancement of the area. A map of the conservation area as re-designated may be inspected, free of charge, during normal office hours at the Area Planning Office, Jacobs Well, Bradford and at the Bradford Central Library, Manningham Library, Carlisle Road, Manningham and The Manningham Customer Service Centre, Carlisle Road, Manningham, Bradford. **Schedule The North Park Road Conservation Area** North Park Road conservation area is an area of mostly Victorian terraced and semi-detached housing located in the residential area of Manningham, to the north of Bradford city centre. The conservation area also includes Manningham Mills and Lister Park along with three churches and several parades of shops. Oak Lane forms the southern boundary of the conservation area. Lister Park provides the eastern extent of the conservation area and part of the northern boundary where it meets Emm Lane. The boundary of the conservation area then dips southwards along North Park Road for a short distance before running along the southern edge of the covered reservoir and then northwards along Wilmer Road as far as Firth Road. Manningham Mills forms the western boundary of the Conservation area and is one of the city's most recognisable buildings. Interim
