- Purpose of today's event

City of
BRADFORD
METROPOLITAN DISTRICT COUNCIL

Scope

Support to people with a severe and enduring mental health issue to live as independently as possible. The type of support is likely to include emotional support and support to help them to care for themselves: help with access services and social activities; and practical support such as budgeting, shopping and cooking.

This could be in several types of accommodation:

- In someone's own home, whether owner occupied or rented
- Living with family and friends
- Living in accommodation that is part of the offer from the supported living provider, whether a shared house or individual flat or house

The journey so far:

- Feb-July 2023 One to one feedback from people supported
- May 2023 Service User Survey Conducted
- Sept 2023 Survey Results Analysed
- Nov 2023 First MHSL Market Engagement findings have informed our market briefing.
- Feb 2024 Tender Ready Session with Go 4 Growth
- Feb 2024 Second MHSL Market Engagement Event

Challenges

How do we:

- Ensure we have provision that has a focus on flexible support for people in their own homes
- Work with housing partners in the District for people to move on from supported living into their own tenancies
- Ensure

Aspirations

- Focus on recovery based models to help people live as independently as possible in the community
- Development of services through involvement, engagement and co-production of people supported
- A range of provision to support the varied needs of people
- Integration, partnerships, working with VCSE
- Skilled workforce

Exercise

- Are there other challenges and aspirations we have not noted?
- How do we meet the challenges and aspirations?

Tender ready preparation
