CITY OF BRADFORD METROPOLITAN COUNCIL

TOWN AND COUNTRY PLANNING ACT 1971

Extension of Conservation Area at Little Horton Lane, Bradford

Notice is hereby given in pursuance of section 277 of the Town and Country Planning Act 1971, as amended, that City of Bradford Metropolitan Council, as Local Planning Authority, after consultation with the West Yorkshire Metropolitan County Council have determined that the already designated Little Horton Lane Conservation Area should be extended to include an area to the north-east of the already designated area as shown on the deposited plan.

The effects of designating an area as conservation area are as follows:

Where any application for planning permission for development of land in or adjacent to the conservation area is made to the Council and the development would, in the opinion of the Council, affect the character or appearance of the conservation area a Notice of the application will be published in a local newspaper and displayed on the site indicating where the application may be inspected and allowing time for representations to be made to the local planning authority for their consideration in determining the application in accordance with section 28 of the Act.

Any building within a conservation area other than a listed building, an excepted building in section 58 (2) of the Act, and a building excepted by the Secretary of State, must not be demolished without consent of the local planning authority.

Advertisements in a conservation area may also be controlled by the local planning authority to ensure that they do not detract from the appearance of the area.

Trees in a conservation area are also protected by the Act and any person doing any prohibited act against the tree will be guilty of an offence. This includes felling, lopping, topping, uprooting and wilful damage to trees. Trees of a certain size or species of trees belonging to specified persons or bodies may be excluded by the Secretary of State.

Plans and details regarding this conservation area may be inspected during normal office hours at the office of the Principal Planner, Jacob's Well, Bradford.
