

Consultations relating to Rights of Way and Countryside Access – (LAF Meeting 6th May 2026)

	Bradford District – CROW specific consultations	Summary	Further details
	Orders and Proposals currently requesting comments		
1	Town and Country Planning Act Section 257 Diversion of Public Footpath No. 73 (Bradford South) Bierley Crematorium.	<p>Further design options for the steps and an alternative slope have now been provided by Developer (29 April 2026). Neither option is ideal, the steps are steep and the slope, being the preferred option for accessibility, would result in a significant increase in the overall length of the proposed new route.</p> <p>LS will discuss these design options with the developer to explore whether any further adjustments are possible before a new round of consultation is issued.</p>	<p>Further details – contact Linda Stafford, Area Rights of Way Officer. 07974894121 linda.stafford@bradford.gov.uk</p>

We have sought clarification from Legal on several points and will shortly be writing back to the objectors.</p> <p>It's unlikely this will result in all objections being removed.</p>	<p>For further information contact Jayne Benson, Strategic Routes Officer. 01274 431228 07582102104 Jayne.benson@bradford.gov.uk</p>
