

**Building Regulation Application for Building Control
Approval with Full Plans - Notes and Checklist**

	Is an application for building control approval with full plans suitable?	Regulation	Is this applicable? Yes or No
1	Is the building work etc., in relation to higher-risk building work? An application for building control approval with full plans cannot be granted by the local authority in such circumstances. Applications for building work to higher-risk buildings can be made here .	2B	
2	Is there any building work involved to which Part P of Schedule 1 imposes a requirement and this work does not consist of: <ul style="list-style-type: none"> • the installation of a new circuit • the replacement of a consumer unit, or • any addition or alteration to existing circuits in a special location? Building work to which Part P of Schedule 1 imposes a requirement and does not consist of the above does not require an application for building control approval (also refer to Schedule 4). Note also, for work that does consist of the above, this work can be carried out by a competent person described in Column 2 of Schedule 3 .	12(6A)	
3	Has any part of the work described in an initial notice been carried out and the initial notice has ceased to be in force? If so, Regulation 19 of the Building (Approved Inspectors etc) Regulations 2010 (local authority powers in relation to partly completed work) applies. Compliance should be with the requirements of that regulation and an application for building control approval with full plans is not appropriate.	12(7)	
<p>If the response to all the questions is 'no' then the giving of an application for building control approval with full plans is appropriate for the proposed work. Where the response is 'yes' for row 1, an application should be made to the Building Safety Regulator. Where the response is 'yes' to any other row, an application for building control approval with full plans is not necessary for the work. For work in relation to row 3, please contact the local authority team for your area.</p>
