ShIPLEY Towns Fund – Shaping our Towns Future

ShIPLEY has secured up to £25 million of funding as part of the Government's Towns Fund.

Alongside other funding, this significant investment will deliver improvements to our town centre and provide jobs and training opportunities, as well as wider cultural and social benefits for the town.

We are inviting residents to share their views on how this funding can be used to deliver your priorities for the community.

On this website you can learn more about the opportunities that the Towns Fund will create for ShIPLEY, help shape the future of our town and provide feedback on some of the projects we will be delivering. Please choose an option below to find out more and tell us your priorities.

This page provides access to documents for the ShIPLEY Town Fund Board.

The Town Fund Boards are established to drive the development of Town Investment Plans that will form the basis of Town Deals with government. Town Investment Plans will be submitted in January 2021. Each Town can submit proposals for up to £25m of Government assistance although it is expected that others will also put resources into projects, taking the total higher.

The Town Fund will provide capital funding.

The Terms of Reference will be agreed by the Town Fund Boards in September

The [designated area for the Town Fund work is shown on this map \(PDF\)](#).

The notes from the meetings will be published on this page in keeping with the timing agreed in the Terms of Reference.

The official government guidance on the Town Fund can be found at:

ShIPLEY Town Council and Keighley Town Council have had a new websites developed. An SLA (Service Level Agreement) is being drawn up which will include adding in sections about the Towns Fund Projects on these pages. This will eventually link back to the Bradford Council pages on the Towns Fund for both Keighley and Shipley.
